Explorations in the Sociology of Consumption George Ritzer, 2001-06-04 In this book one of the leading social theorists and cultural commentators of modern times turns his gaze on consumption George Ritzer author of the famous McDonaldization Thesis demonstrates the irrational consequences of the rational desire to consume and commodify He examines how McDonaldization might be resisted and situates the reader in the new cultural spaces that are emerging in society shopping malls casino hotels Disneyfied theme parks and Las Vegas the new cathedrals of consumption as he calls them The book shows how new processes of consumption relate to globalization theory In illuminating discussions of the work of Thorstein Veblen and the French situationists Ritzer unearths the roots of problems of consumption in older sociological traditions He indicates how transgression is bound up with consumption through an investigation of the obscene in popular and postmodern culture

Private History in Public Tammy S. Gordon, 2010 In small community museums truck stops restaurants bars barbershops schools and churches people create displays to tell the histories that matter to them Much of this history is personal family history community history history of a trade or the history of something considered less than genteel It is often history based on the historical record but also based on feelings beliefs and memory It is neglected history Private History in Public is about those history exhibits that complicate the public private dichotomy exhibits that serve to explain communities families

and individuals to outsiders and tie insiders together through a shared narrative of historical experience Tammy S Gordon looks beyond the large professionalized museum exhibits that have dominated scholarship in museum studies and public history and offers a new way of understanding the broad spectrum of exhibition types in the United States

Fast Food and Junk Food Andrew F. Smith, 2011-12-02 This fascinating and revealing work examines the incredible power of junk food and fast food how nostalgic we are about them the influence of the companies that manufacture or sell them and their alarming effect on our country's state of health In the last half century junk food and fast food have come to play an extremely important role in American economic historical cultural and social life Today they have a major influence on what Americans eat and how healthy we are or aren't
