Roaring Silence John Cage A Life

Herve Vanel

Roaring Silence John Cage A Life:

The Roaring Silence: John Cage: A Life David Revill, 2012-02-07 Composer John Cage is often described as the most influential musician of the last half century He has defined and continues to define our whole concept of avant garde not just in music but increasingly as writer and visual artist *The Roaring Silence* is the first full length biography of Cage It documents his life in unrivalled detail interweaving a close account of the evolution of his work with an exploration of his aesthetic political and philosophical ideas David Revil maintains that Cage s extraordinary productivity and versatility are best understood in the light of his inner development His life work and ideas have clarified refined and reinforced one another and thereby Cage has made himself what he is While never assuming specialist knowledge this book discusses all of Cage s works in depth and sets them in the context of his compositional theoretical and personal development Also included are the most comprehensive worklist discography and bibliography available to date as well as many previously unpublished photographs The author draws judiciously on extensive library and archive material and on exclusive interviews and conversations with Cage and many of his friends and associates The result is a true to life and true to form appreciation of a genuine original of interest not only to the serious researcher and the musician but to everyone interested in the cultural influences that have shaped and are shaping 20th century thought Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

The Roaring Silence David Revill, 2014-06-03 John Cage has been described as the most important composer of our time He combined classical European training with Eastern spirituality to produce an American amalgam of such vitality and originality that it continues to define what we mean by avant garde His influence has touched generations of artists including Philip Glass David Byrne and his longtime collaborator Merce Cunningham His work and ideas have influenced not only the world of music but also dance painting printmaking video art and poetry *The Roaring Silence* documents his life in unrivaled detail interweaving a close account of the evolution of his work with an exploration of his aesthetic and philosophical ideas while placing these in the greater perspective of American life and letters Paying due attention to Cage s inventions such as the prepared piano and his pioneering use of indeterminate notation and chance operations in composition utilizing the I Ching David Revill also illuminates Cage the performer printmaker watercolorist expert amateur mycologist game show celebrity political anarchist and social activist Arnold Schoenberg once called Cage not a composer but an inventor of genius This revised edition

presents never before seen correspondence between Cage and other luminaries of his day as well as new analysis into his legacy The Roaring Silence celebrates the life and work of this true American original **John Cage** Rob Haskins,2013-02-15 American writer composer artist and philosopher John Cage 1912 92 is best known for his experimental composition 4 33 a musical score in which the performer does not play an instrument during the duration of the piece The purpose Cage said was for the audience to listen to the sounds of the environment around them while the piece was performed Groundbreaking pieces such as 4 33 as well as Sonatas and Interludes not only established Cage as a leading figure in the postwar avant garde movement but also cemented the enduring controversy surrounding his work In this new biography Rob Haskins explores Cage s radical approach to art and aesthetics and his belief that everyday life and art are one and the same Scrutinizing Cage s emphasis on chance over intention which rejected traditional artistic methods and caused an uproar among his peers Haskins elucidates the ideas that lay behind these pillars of Cage s work Haskins also demystifies the influence of Eastern cultures particularly Zen Buddhism on Cage including his use of the Chinese text I Ching as his standard composition tool in all his work after 1951 Adding to our understanding of the art music and ideas of the twentieth century this book provides an engaging look at a man who continues to challenge and inspire artists worldwide

John Cage's Concert for Piano and Orchestra Martin Iddon,Philip Thomas,2020-05-01 John Cage s Concert for Piano and Orchestra is one of the seminal works of the second half of the twentieth century and the centerpiece of the middle period of Cage s output It is a culmination of Cage s work up to that point incorporating notation techniques he had spent the past decade developing techniques which remain radical to this day But despite Cage s vitality to the musical development of the twentieth century and the Concert s centrality to his career the work is still rarely performed and even more rarely examined in detail In this volume Martin Iddon and Philip Thomas provide a rich and critical examination of this enormously significant piece tracing its many contexts and influences particularly Schoenberg jazz and Cage s own compositional practice through a wide and previously untapped range of archival sources Iddon and Thomas explain the Concert through a reading of its many histories especially in performance from the legendary performer disobedience and audience disorder of its 1958 New York premiere to a no less disastrous European premiere later the same year They also highlight the importance of the piano soloist who premiered the piece David Tudor and its use alongside choreographer Merce Cunningham s Antic Meet A careful examination of an apparently bewildering piece the book explores the critical response to the Concert s performances re interrogates the mythology surrounding it and finally turns to the music itself in all its component parts to see what it truly asks of performers and listeners **Writings through John Cage's Music, Poetry, and Art** David W.

Bernstein,Christopher Hatch,2010-06-15 This volume looks at the creative work of the great avant gardist John Cage from an exciting interdisciplinary perspective exploring his activities as a composer performer thinker and artist The essays in this collection grew out of a pivotal gathering during which a spectrum of participants including composers music scholars and

visual artists literary critics poets and filmmakers convened to examine Cage's extraordinary artistic legacy Beginning with David Bernstein's introductory essay on the reception of Cage's music the volume addresses topics ranging from Cage's reluctance to discuss his homosexuality to his work as a performer and musician and his forward looking provocative experimentation with electronic and other media Several of the essays draw upon previously unseen sketches and other source materials Also included are transcripts of lively panel discussions among some of Cage's former colleagues Taken together this collection is a much needed contribution to the study of one of the most significant American artists of the twentieth century

Difference/indifference Moira Roth, Jonathan D. Katz, 1998 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company

Music in the Late Twentieth Century Richard Taruskin, 2006-08-14 The universally acclaimed and award winning Oxford History of Western Music is the eminent musicologist Richard Taruskin's provocative erudite telling of the story of Western music from its earliest days to the present Each book in this superlative five volume set illuminates through a representative sampling of masterworks the themes styles and currents that give shape and direction to a significant period in the history of Western music Music in the Late Twentieth Century is the final installment of the set covering the years from the end of World War II to the present In these pages Taruskin illuminates the great compositions of recent times offering insightful analyses of works by Aaron Copland John Cage Milton Babbitt Benjamin Britten Steve Reich and Philip Glass among many others He also looks at the impact of electronic music and computers the rise of pop music and rock n roll the advent of postmodernism and the contemporary music of Laurie Anderson John Zorn and John Adams Laced with brilliant observations memorable musical analysis and a panoramic sense of the interactions between history culture politics art literature religion and music this book will be essential reading for anyone who wishes to understand this rich and diverse period

Music and the Generosity of God Gerald C. Liu, 2017-11-16 What if sounds everywhere lavish divine generosity Merging insights from Jean Luc Marion with musical ingenuity from Pierre Boulez and John Cage's 4 33 Gerald C Liu blends the phenomenological theological and musical to formulate a hypothesis that in all places soundscapes instantiate divine giving without boundary He aims to widen apprehension of holiness in the world and privileges the ubiquity of sound as a limitless and easily accessible portal for discovering the inexhaustible magnitude of divine giving

Containing America Nathan Abrams, Julie Hughes, 2000-01-01 The postwar period in America witnessed a tremendous consumer boom that introduced thousands of new items into the mass market The contributors to Containing America challenge our conceptions of Cold War culture by examining a range of such products clothes food television magazines radio and other forms of entertainment in order to shed light on how Cold War discourses actually influenced the practices of ordinary behaviour Their essays address very different sectors of American society in terms of race class ethnicity sexuality and gender thus emphasising the multiplicity diversity and differing nature of the voices that emerged in cultural production and consumption during the 1950s Containing America points out directions for

further research and provides a fresh approach for scholars students and others interested in the culture of the Cold War of the 1950s

American Cultural Rebels Roy Kotynek, John Cohassey, 2008-03-17 Artistic vanguards plot new aesthetic movements print controversial magazines hold provocative art shows and stage experimental theatrical and musical performances These revolutionaries have often helped create America's countercultural movements from the early romantics and bohemians to the beatniks and hippies This work looks at how experimental art and the avant garde artists lifestyles have influenced and at times transformed American culture since the mid nineteenth century The work will introduce readers to these artists and rebels making a careful distinction between the worlds of the high modern artist salons and galleries and the bohemian

Triple Entendre Herve Vanel, 2013-11-15 Triple Entendre discusses the rise and spread of background music in contexts as diverse as office workplaces shopping malls and musical performance Herv Vanel examines background music in several guises beginning with Erik Satie's Furniture Music of the late 1910s and early 1920s which first demonstrated the idea of a music not meant to be listened to and was later considered a precedent to modern functional background music Vanel argues that when the Muzak Corporation's commercialized ambient music became a predominant feature of modern life in the 1940s both as a brand and a genre of background music it also became a powerful instrument of social engineering in an advanced capitalist society Different kinds of music were developed to encourage or incite greater productivity in the workplace more energetic shopping or more animated socializing Vanel's discussion culminates in the creative response of the composer John Cage to the pervasiveness and power of background music in contemporary society Cage neither opposed nor rejected Muzak but literally answered its challenge by formulating a parallel concept that he called Muzak Plus Forty years after Satie presented his work to general critical puzzlement Cage saw how background music could be combined with mid century technology and theories of art and performance to create a participatory soundscape on a scale that Satie could not have envisioned again reconfiguring the listener's stance to music By examining the subterranean connections existing between these three formulations of a singular idea Triple Entendre analyzes and challenges the crucial boundary that separates an artistic concept from its actual implementation in life

Dictionary of American Classical Composers Neil Butterworth, 2013-10-02 The Dictionary of American Classical Composers covers over 650 composers active from the 18th century to today Covering all classical styles it offers the most comprehensive overview of key composers in the United States available Entries include basic biographical information and critical analysis of each composer's key works and ideas Entries also include worklists and bibliographic information Whenever possible the entries will have been checked by the composers themselves to assure greatest possible accuracy This new edition completely updated and expanded from the 1984 edition also includes over 200 historic photographs

Musical Improvisation Gabriel Solis, Bruno Nettl, 2009 Diverse perspectives and alternate takes on musical improvisation

Critical Approaches to the Production of Music and Sound Samantha Bennett, Eliot Bates, 2018-01-11 Who produces sound and music And in what spaces localities and

contexts As the production of sound and music in the 21st Century converges with multimedia these questions are critically addressed in this new edited collection by Samantha Bennett and Eliot Bates *Critical Approaches to the Production of Music and Sound* features 16 brand new articles by leading thinkers from the fields of music audio engineering anthropology and media Innovative and timely this collection represents scholars from around the world revisiting established themes such as record production and the construction of genre with new perspectives as well as exploring issues in cultural and virtual production

Beat Culture William T. Lawlor, 2005-05-20 The coverage of this book ranges from Jack Kerouac's tales of freedom seeking Bohemian youth to the frenetic paintings of Jackson Pollock including 60 years of the Beat Generation and the artists of the Age of Spontaneity *Beat Culture* captures in a single volume six decades of cultural and countercultural expression in the arts and society It goes beyond other works which are often limited to Beat writers like William Burroughs Charles Bukowski and Michael McClure to cover a wide range of musicians painters dramatists filmmakers and dancers who found expression in the Bohemian movement known as the Beat Generation Top scholars from the United States England Holland Italy and China analyze a vast array of topics including sexism misogyny alcoholism and drug abuse within Beat circles the arrest of poet Lawrence Ferlinghetti on obscenity charges Beat dress and speech and the Beat pad Through more than 250 entries which travel from New York to New Orleans from San Francisco to Mexico City students scholars and those interested in popular culture will taste the era's rampant freedom and experimentation explore the impact of jazz on Beat writings and discover how Beat behavior signaled events such as the sexual revolution the peace movement and environmental awareness

What Will I Be Philip M. Gentry, 2017-12-01 In the wake of World War II the cultural life of the United States underwent a massive transformation At the heart of these changes during the early Cold War were the rise of the concept of identity and a reformulation of the country's political life A revolution in music was taking place at the same time a tumult of new musical styles and institutions that would lead to everything from the birth of rock n roll to the new downtown experimental music scene Together these new cultural and musical trends came to define the era In the search for new social affinities and modes of self fashioning music provided just the right tool *What Shall I Be* follows the concept of identity as it developed alongside new post war music making Author Philip M Gentry travels through four very different musical scenes the R B world of doo wop pioneers the Orioles the early film musicals of Doris Day Asian American cabaret in San Francisco and John Cage's infamous 4 33 The lives of musicians composers critics and fans reveal how individuals negotiated the social changes sweeping the country in the initial days of the Cold War As we are again swept up in a time of significant transformation these early strategies help to inform the political and musical narratives of today

Modernism: The Lure of Heresy Peter Gay, 2010-08-16 Rich learned briskly written maddening yet necessary study Lee Siegel New York Times Book Review Peter Gay explores the shocking modernist rebellion that beginning in the 1840s transformed art literature music and film Modernism presents a thrilling pageant of heretics that includes Oscar Wilde Pablo Picasso D W

Griffiths James Joyce Virginia Woolf T S Eliot Walter Gropius Arnold Schoenberg and of course Andy Warhol *The Queer Encyclopedia of Music, Dance, and Musical Theater* Claude Summers, 2012-04-24 Aficionados of music dance opera and musical theater will relish this volume featuring over 200 articles showcasing composers singers musicians dancers and choreographers across eras and styles Read about Hildegard of Bingen whose *Symphonia* expressed both spiritual and physical desire for the Virgin Mary and George Frideric Handel who not only created roles for castrati but was behind the Venetian opera's preoccupations with gender ambiguity Discover Alban Berg's *Lulu* opera's first openly lesbian character And don't forget *Kiss Me Kate* the hit 1948 Broadway musical written by Cole Porter married though openly gay directed by John C Wilson No I Coward's ex lover and featuring Harold Lang who had affairs with Leonard Bernstein and Gore Vidal No single volume has ever achieved the breadth of this scholarly yet eminently readable compendium It includes overviews of genres as well as fascinating biographical entries on hundreds of figures such as Peter Tchaikovsky Maurice Ravel Sergei Diaghilev Bessie Smith Aaron Copland Stephen Sondheim Alvin Ailey Rufus Wainwright and Ani DiFranco *Reader's Guide to Music* Murray Steib, 2013-12-02 The Reader's Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 320 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology *The Grove Encyclopedia of American Art* Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries
