## **Robbers Roost:**

Robbers' Roost Zane Grey, 2015-03-17 A classic story of imperiled love on the western frontiers of nineteenth century America He was a young man in years but he had the hard face and eagle eye of one matured in experience of that wild country He bestrode a superb bay horse dusty and travel worn and a little lame The rider was no light burden judging from his height and wide shoulders moreover the saddle carried a canteen a rifle and a pack From time to time he looked back over his shoulder at the magnificent long cliff wall which resembled a row of colossal books with leaves partly open It was the steady watchful gaze of a man who had left events behind him So begins Jim Wales's story in Robbers Roost While a battle rages between two outlaw gangs in a remote Utah canyon Jim struggles to rescue Helen Herrick who has been captured and held for ransom Robbers Roost tells the story of their personal struggle to escape the clutches of the murderous outlaws while simultaneously safeguarding their passion one that is not likely to survive the beautiful yet deadly terrain and people of the old American West Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West Westerns books about outlaws sheriffs chiefs and warriors cowboys and Indians are a genre in which we publish regularly Our list includes international bestselling authors like Zane Gray and Louis L Amour and many more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Utah**
