Lovell,2011-06-13 Fascinating the way all great family stories are fascinating Robert Gottlieb New York Times Book Review This is the story of a close loving family splintered by the violent ideologies of Europe between the world wars Jessica was a Communist Debo became the Duchess of Devonshire Nancy was one of the best selling novelists of her day beautiful Diana married the Fascist leader Sir Oswald Mosley and Unity a close friend of Hitler shot herself in the head when England and Germany declared war The Mitfords had style and presence and were remarkably gifted Above all they were funny hilariously and mercilessly so In this wise evenhanded and generous book Mary Lovell captures the vitality and drama of a family that took the twentieth century by storm and became in some respects its victims Henry Green Nick Shepley,2016-07-29 Henry Green Class Style and the Everyday offers a critical prism through which Green s fiction from his earliest published short stories as an Eton schoolboy through to his last dialogic novels of the 1950s can be seen as a coherent subtle and humorous critique of the tension between class style and realism in the first half of the twentieth century The study extends on going critical recognition that Green s work is central to the development of the novel from the twenties to the fifties acting as a vital bridge between late modernist inter war post war and postmodernist fiction The overarching contention is that the shifting and destabilizing nature of Green s oeuvre sets up a predicament similar to that confronted by theorists of the everyday Consequently each chapter acknowledges the indeterminacy of the writing whether it be the non singular functioning or malfunctioning of the name the open ended purposefully ambiguous nature of its symbols the shifting cinematic nature of

Green's prose style the sensitive but resolutely unsentimental depictions of the working classes and the aristocracy in the inter war period the impact of war and its inconsistent irruptions into daily life or the ways in which moments or events are rapidly subsumed back into the flux of the everyday their impact left uncertain Critics have historically offered up singular readings of Green's work or focused on the poetic or recreative qualities of certain works particularly those of the 1940s Green's writing is undoubtedly poetic and extraordinary but this book also pays attention to the clichéd meta-textual and uneventful aspects of his fiction

Bright Young People D. J. Taylor, 2024-07-02 Jampacked and delicious crammed with a cast of selfish feckless darling talented almost terminally eccentric good looking men and women Carolyn See The Washington Post Before the media circus of Britney Spears Paris Hilton and our modern obsession with celebrity there were the Bright Young People a voraciously pleasure seeking band of bohemian party givers and blue-blooded socialites who romped through the gossip columns of 1920s London Evelyn Waugh immortalized their slang their pranks and their tragedies in his novels and over the next half century many from Cecil Beaton to Nancy Mitford and John Betjeman would become household names But beneath the veneer of hedonism and practical jokes was a tormented generation brought up in the shadow of war Sparkling talent was too often brought low by alcoholism and addiction Drawing on the virtuosic and often wrenching writings of the Bright Young People themselves the biographer and novelist D J Taylor has produced an enthralling account of an age of fleeting brilliance An ultimately elegiac narrative with a surprising amount of intellectual and emotional sympathy The New York Times Engaging Taylor's skillful reconstruction of the whole hazy time feels like a lasting party favor NPR Incisive and richly detailed The New York Times Book Review A poignant study of the elusive relationship between art and the social world from whence it springs The New York Observer A splendid social history By placing generational tensions and tenderness center stage Taylor gives his book a beating emotional heart Los Angeles Times Book Review Entertaining and incisive The Boston Globe Fascinating The Wall Street Journal Compelling and ultimately touching The Guardian
