**Conversations with Robert Coles** Robert Coles, 1992 Robert Coles is a psychiatrist with a novelist's sensibilities. Of course, everything I come up with, he says, novelists have known beforehand. These twenty-three interviews, selected from hundreds that Coles has given, disclose not only an illustrious physician trained in pediatrics and psychoanalysis but also a sage whose compassion for children and suffering seems boundless. In focusing on a man known mainly as an eminent psychiatrist and author of *The Spiritual Life of Children* and more than fifty other books, this collection is a departure from the other books in the *Literary Conversations Series*. By no means is Coles best known as a writer of belles lettres, as are other figures in this series. Yet his varied critical insights and the critical authority with which he approaches literary subjects have enriched American literature. Here, through the prism of his medical and literary training, Coles's conversations reveal his imposing moral vision. As he ranges with penetrating wisdom over many subjects—children, literature, teaching, psychiatry, family—he explores the cultural, social, and intellectual dimensions of our lives. [Secular Days, Sacred Moments](#) Robert Coles, 2013-06-01 No writer or public intellectual of our era has been as sensitive to the role of faith in the lives of ordinary Americans as Robert Coles. Though not religious in the conventional sense, Coles is unparalleled in his astute understanding and respect for the relationship between secular life and sacredness, which cuts across his large body of work. Drawing inspiration from figures like Dietrich Bonhoeffer, Dorothy Day, and Simone Weil, Coles's extensive writings explore the tug of war between faith and doubt. As Coles himself admits, the back-and-forthness between faith and doubt is the story of my life. These thirty-one thought-provoking essays are drawn from Coles's weekly column in the Catholic publication *America*. In them, he turns his inquisitive lens on a range of subjects and issues, from writers and painters to his recent reading and film viewing, contemporary events and lingering controversies, recollections of past and present mentors, events of his own daily life, and ordinary encounters with students, patients, neighbors, and friends. Addressing moral questions openly and honestly, with a rare combination of rectitude and authorial modesty, these essays position Coles as a preeminent, durable, and trusted voice in the continuing national conversation over religion, civic life, and moral purpose. **The Call of Stories** Robert Coles, 2014-12-09 From the Pulitzer Prize-winning author of *Children of Crisis*, a profound examination of how listening to stories promotes learning and self-discovery. As a professor emeritus at Harvard University, a renowned child psychiatrist, and the author of more than forty books, including *The Moral Intelligence of Children*, Robert Coles knows better than anyone the transformative power of learning and literature on young minds. In this persuasive book, *The New York Times Book Review* Coles convenes a virtual symposium of college, law, and medical school students to explore the phenomenon of storytelling as a source of values and character. Here are transcriptions of classroom conversations in which Coles and his students discuss the impact of particular works of literature on their moral development. Here also are Coles's intimate personal reflections on

his experiences in the civil rights movement his child psychiatry practice and his interactions with his own literary mentors including William Carlos Williams and L E Sissman The life lessons learned from these stories are of special resonance to doctors and teachers looking to apply them in classroom and clinical environments The rare public intellectual to be honored with a MacArthur Award a Presidential Medal of Freedom and a National Humanities Medal Robert Coles is a true national treasure and The Call of Stories is in the words of National Book Award winner Walker Percy Coles at his wisest and best
