Robert Mitchum A Biography:

Robert Mitchum Lee Server,2002-03-06 Traces the life and career of actor Robert Mitchum in a biography of one of Hollywood s biggest and most colorful stars Robert Mitchum George Eells,1984 Mitchum Jerry Roberts,2000 Mitchum s tales include beatings hanging producers by their shoelaces killings in Mexican bars and slapping Teutonic helmer Otto Preminger And there are classic observations such as his quip to Variety that the best producer is an absent one Mitchum editor Jerry Roberts conducted one of the interviews and has done a terrific job piecing together vintage conversations with David Frost Dick Lochte Richard Schickel and Charles Champlin as well as collecting a wonderful array of prize quotes by and about Mitchum Steven Gaydos Variety **Robert Mitchum** Jerry Roberts,1992-10-20 Robert Mitchum s bad boy reputation that colors his public profile has been both earned and undeserved Jerry Roberts discusses the actor s career his cult status his under appreciated talent his forgotten films and his nonchalance This book catalogues previously published information on Mitchum taking a full measure of the actor and describing the events that occasionally brought him more notoriety than his movies The book s biographical essay and annotated filmography scrutinize his performing style Many yarns about Mitchum have been repeated and modified into legend But much of the Mitchum myth has been just that myth The final word here on various rumors and stories comes from the confirmations clarifications and corrections made by Robert Mitchum during an interview with the author and in correspondence with several members of the Mitchum family As with the other Bio Bibliographies in the Performing Arts this biographical essay is followed by a chronology annotated filmography television stage recording and writing credits list of awards annotated bibliography listing 1 300 entries and a comprehensive index Robert Mitchum Lee Server,2020 A bona fide tough guy with soulful eyes and a laconic style Robert Mitchum was one of Hollywood s best loved actors star of such moody film noir favourites as Out of the Past Night of the Hunter and Cape Fear as well as enduring classics like Angel Face and Crossfire But as Lee Server now reveals Mitchum was one of the few Hollywood icons whose real life exploits were yet more compelling than his on screen persona A hobo in the Depression he fell into movie acting after stints as a boxer a beach bum and a songwriter Despite early Hollywood successes he was famously busted on a narcotics rap But even prison couldn t tame Mitchum s taste for living on the wild side and he remained an unrepentant misbehaviorer until the end of his days In this biography of Robert Mitchum Lee Server offers the definitive life story of a man who redefined cinematic cool Publisher s website *Robert Mitchum* George Eells,1985 The occasionally contradictory personality of the last of the old time leading men who attracts both disdain and admiration is revealed as unpredictable infuriating sensitive but boorish poetic yet tormented *Robert Mitchum* Damien Love,2002 Follows one of cinema s great actors from his early days in Westerns to the end of his life Along the way this illustrated biography reflects on how his real life echoed the nefarious characters he played Readers will especially enjoy the chronoMitchology timeline and a Mitchabet the A to Z of the actor American Legends Charles River Editors,2014-09-23

Includes pictures Includes a bibliography for further reading I never take any notice of reviews unless a critic has thought up some new way of describing me That old one about my lizard eyes and anteater nose and the way I sleep my way through pictures is so hackneyed now Robert Mitchum A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known If one assembled a list of the most iconic actors of the film noir genre Robert Mitchum would surely rank at the top of the list With his deadpan facade and slow monotone verbal delivery Mitchum encapsulated the disillusioned hero of the postwar crime genre In many of his most famous movies from the postwar era including *Out of the Past* 1947 and *Angel Face* 1952 Mitchum plays anti-heroes who are victims of circumstance but even as he is placed in situations beyond his control he maintains a cool if dispassionate countenance Mitchum was in short neither a hero nor a villain but someone who seemed to defy the often simplistic distinctions between protagonist and antagonist hero and villain Even so for someone who put on such a cool facade Mitchum certainly experienced a great deal of hardship From the death of his father James to his rough adolescence much of which was spent traveling on railcars during the throes of the Great Depression Robert Mitchum lived the part of the hard luck anti-heroes he portrayed onscreen Up until his adult life there was little indication that he would grow up to become anything more than a working class factory worker let alone a world famous movie star It is telling that Mitchum remained within the confines of the gritty noir and western genres to imagine him acting in a romantic comedy would be antithetical to the reputation that he built Mitchum was to be sure one of the premier A list stars of the 1940s and 1950s but he was a leading man in the hypermasculine mold of Humphrey Bogart rather than the more diverse skill set of Henry Fonda or Jimmy Stewart In any event one of the great mysteries of Robert Mitchum's career is that for all the poor luck that his characters experienced he still was able to affect a debonair sensibility that made him identifiable a man to which viewers were irresistibly attracted even if his characters did not necessarily warrant such a response This biography looks at the process that led from Robert Mitchum rising from impoverished Depression era youth to leading Hollywood celebrity Mitchum's harsh childhood including the premature death of his father and his dangerous life on the road are discussed as well as the process that saw him ascend through the acting industry Important themes from Mitchum's films are discussed including postwar masculinity and the role of the antihero as is the cultural climate in which he worked which was to a large degree responsible for facilitating his rise to fame American Legends The Life of Robert Mitchum looks at the life and career of one of America's most famous film noir actors Along with pictures of important people places and events you will learn about Robert Mitchum like never before in no time at all

Robert Mitchum A Biography Introduction

In the digital age, access to information has become easier than ever before. The ability to download Robert Mitchum A Biography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Robert Mitchum A Biography has opened up a world of possibilities. Downloading Robert Mitchum A Biography provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Robert Mitchum A Biography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Robert Mitchum A Biography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Robert Mitchum A Biography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Robert Mitchum A Biography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Robert Mitchum A Biography has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.
