**Robert Browning** John Trivett Nettleship,2015-07-06 Excerpt from Robert Browning Essays and Thoughts In an age when knowledge for its own sake is by a large class of men as eagerly sought as gold some apology seems necessary for a composition which professedly avoids facts and deals in speculation More especially would this apology seem to be due from anyone attempting to handle the works of a master the beneficence of whose genius has led him to range in fields of knowledge so wide and for their own sake to store harvests of learning so plenteous Any such apology as may be due on this ground I am willing to make but I should fail in my duty of respect were I to stop there and refrain from expressing though in feeble words the extent of my debt in another way About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Robert Browning: Essays and**
