Robert Capa The Definitive Collection:

Robert Capa Richard Whelan, 2004-11-01 The only definitive collection of the work of the world's most influential war photographer

Visualizing Fascism Julia Adeney Thomas, Geoff Eley, 2020-03-13 The contributors to *Visualizing Fascism* examine the imagery and visual rhetoric of interwar fascism in East Asia southern Africa and Europe to explore how fascism was visualized as a global and aesthetic phenomenon

The Grove Encyclopedia of American Art Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries

Encyclopedia of Twentieth-Century Photography, 3-Volume Set Lynne Warren, 2005-11-15 The *Encyclopedia of Twentieth Century Photography* explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This *Encyclopedia* presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section A useful glossary of terms is also included

The Concise New Makers of Modern Culture Justin Wintle, 2008-11-28 A Who's Who of Western culture from Woody Allen to Emile Zola Containing four hundred essay style entries and covering the period from 1850 to the present *The Concise New Makers of Modern Culture* includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley with John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping rubs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin With its global reach *The Concise New Makers of Modern Culture* provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing as well as an index of names and key terms

The Cruel Radiance Susie Linfield, 2011-05-27 In *The Cruel Radiance* Susie Linfield challenges the idea that photographs of political violence exploit their subjects and pander to the voyeuristic tendencies of their viewers Instead she argues passionately that looking at such images and learning to see the people in them is an ethically and politically necessary act that connects us to our modern history of violence and probes the human capacity for cruelty Grappling with critics from Walter Benjamin and Bertolt Brecht to Susan Sontag and the postmoderns and analyzing photographs from such events as the Holocaust China's Cultural Revolution and recent terrorist acts Linfield explores the complex connection between photojournalism and the rise of human rights ideals In the book's concluding section she examines the indispensable work of Robert Capa James Nachtwey and Gilles Peress and asks how photography should respond to the increasingly nihilistic trajectory of modern warfare A bracing and unsettling book *The Cruel Radiance*

convincingly demonstrates that if we hope to alleviate political violence we must first truly understand it and to do that we must begin to look

New Makers of Modern Culture Justin Wintle, 2016-04-22 *New Makers of Modern Culture* is the successor to the classic reference works *Makers of Modern Culture* and *Makers of Nineteenth Century Culture* published by Routledge in the early 1980s. The set was extremely successful and continues to be used to this day due to the high quality of the writing, the distinguished contributors, and the cultural sensitivity shown in the selection of those individuals included. *New Makers of Modern Culture* takes into full account the rise and fall of reputation and influence over the last twenty-five years and the epochal changes that have occurred: the demise of Marxism and the collapse of the Soviet Union, the rise and fall of postmodernism, the eruption of Islamic fundamentalism, the triumph of the Internet. Containing over eight hundred essay-style entries and covering the period from 1850 to the present, *New Makers of Modern Culture* includes artists, writers, dramatists, architects, philosophers, anthropologists, scientists, sociologists, major political figures, composers, film makers, and many other culturally significant individuals and is thoroughly international in its purview. Next to Karl Marx is Bob Marley; next to John Ruskin is Salman Rushdie; alongside Darwin is Luigi Dallapiccola; Deng Xiaoping runs shoulders with Jacques Derrida; as do Julia Kristeva and Kropotkin. Once again, Wintle has enlisted the services of many distinguished writers and leading academics such as Sam Beer, Bernard Crick, Edward Seidensticker, and Paul Preston. In a few cases, for example, Michael Holroyd and Philip Larkin, contributors are themselves the subject of entries. With its global reach, *New Makers of Modern Culture* provides a multi-voiced witness of the contemporary thinking world. The entries carry short bibliographies and there is thorough cross-referencing. There is an index of names and key terms.

The Focal Encyclopedia of Photography Michael R. Peres, 2013-05-29 This volume is a complete revision of the 1996 third edition, sharing the ever-changing breadth of photographic topics with a special emphasis on digital imaging and contemporary issues. Produced by an international team of photographic and imaging experts with collaboration from the George Eastman House, the world's oldest photography museum, this fourth edition contains essays and photographic reproductions sharing information where photography and imaging serve a primary role, ranging from the atomic to the cosmic.

Great Escape Kati Marton, 2006 Extravagantly praised by critics and readers, this stunning story by bestselling author Kati Marton tells of the breathtaking journey of nine extraordinary men from Budapest to the New World, what they experienced along their dangerous route, and how they changed America and the world. They are the scientists Leo Szilard, Edward Teller, Eugene Wigner, and John von Neuman; Arthur Koestler, author of *Darkness at Noon*; Robert Capa, the first photographer ashore on D-Day; Andre Kertesz, pioneer of modern photojournalism; and iconic filmmakers Alexander Korda and Michael Curtiz.

Observers from Abroad Martin A. Miller, 2025-03-31 *Observers from Abroad* offers an examination of published and archival images of Soviet Russia providing a deeper understanding of the complexities and vicissitudes of its political culture The book argues that photography when accurately interpreted can be utilized as primary historical evidence that has the potential to both enhance and counter traditional verbal analysis Employing a number of images of the Soviet Union captured by gifted documentary photographers from the West who received visas to work in Moscow from the Bolshevik seizure of power in 1917 to the collapse of the USSR in 1991 the book also assesses the intentions of the photographers who acted as conscious observers capturing visual evidence under the restraining conditions of state surveillance Each chapter provides a closer look at the life and work of these photographers with a wealth of historical images and discussion Richly illustrated and engaging this volume will be ideal for students scholars and readers interested in Soviet history twentieth century history and the history of photography

The Concise Focal Encyclopedia of Photography Michael Peres, 2014-06-20 Defining photography is impossible Revealing it is another matter and that's what *The Concise Focal Encyclopedia of Photography* does with each turn of the page History The technical origins and evolution of photography are half of the story The other half consists of the ways that cultural forces have transformed photography into a constellation of practices more diverse than any other mode of representation Photographers can tell a more in depth story through a photo like Dorothea Lange's *Migrant Mother* than a journalist ever could with the written word alone Major themes and practitioners Over 25 entries many with supporting illustrations examine the figures trends and ideas that have contributed most heavily to the history and current state of photography Contemporary issues The issues influencing photography today are more complex than at any other time in its history Questions of ethics desire

perception digitization and commercialization all vie for attention Hear what the experts have to say about crucial issues such as whether or not the images we take today will last the test of time and if so how When material is covered this skillfully concise is no compromise The Concise Focal Encyclopedia of Photography is packed with useful information compelling ideas and best of all pure pleasure *Home Front Heroes* Benjamin F. Pierrot as played by celebrated mime Charles Debureau **Everything Is Possible** Joseph Fronczak, 2023-01-24 The fascinating history of how the antifascist movement of the 1930s created the left as we know it today In the middle years of the Great Depression the antifascist movement became a global political force powerfully uniting people from across divisions of ideology geography race language and nationality Joseph Fronczak shows how socialists liberals communists anarchists and others achieved a semblance of unity in the fight against fascism Depression era antifascists were populist militant and internationalist They understood fascism in global terms and they were determined to fight it on local terms In the United States antifascists fought against fascism on the streets of cities such as Chicago and New York and they connected their own fights to the ones raging in Germany Italy and Spain As he traces the global trajectory of the antifascist movement Fronczak argues that its most significant legacy is its creation of the left as we know it today an international conglomeration of people committed to a shared politics of solidarity **I Speak of the City** Mauricio

Tenorio-Trillo, 2015-02-24 In this dazzling multidisciplinary tour of Mexico City Mauricio Tenorio Trillo focuses on the period 1880 to 1940 the decisive decades that shaped the city into what it is today Through a kaleidoscope of expository forms **I Speak of the City** connects the realms of literature architecture music popular language art and public health to investigate the city in a variety of contexts as a living history textbook as an expression of the state as a modernist capital as a laboratory and as language Tenorio's formal imagination allows the reader to revel in the free flowing richness of his narratives opening startling new vistas onto the urban experience From art to city planning from epidemiology to poetry this book challenges the conventional wisdom about both Mexico City and the turn of the century world to which it belonged And by engaging directly with the rise of modernism and the cultural experiences of such personalities as Hart Crane Mina Loy and Diego Rivera **I Speak of the City** will find an enthusiastic audience across the disciplines **Seamus Heaney and the Classics** S. J.

Harrison, Fiona Macintosh, Helen Eastman, 2019 The death in 2013 of Seamus Heaney is an appropriate point to honour the great Irish poet's major contribution to classical reception in modern poetry This is the first volume to be wholly dedicated to this perspective on Heaney's work focusing primarily on his fascination with Greek drama and myth and his interest in Latin poetry **Italian Humanist Photography from Fascism to the Cold War** Martina Caruso, 2020-08-19 Spanning four

decades of radical political and social change in Italy this interdisciplinary study explores photography's relationship with Italian painting film literature anthropological research and international photography Evocative and powerful Italian social documentary photography from the 1930s to the 1960s is a rich source of cultural history reflecting a time of dramatic change This book shows through a wide range of images some published for the first time that to fully understand the photography of this period we must take a more expansive view than scholars have applied to date considering issues of propaganda aesthetics religion national identity and international influences By setting Italian photography against a backdrop of social documentary and giving it a distinctive place in the global history of photography this exciting volume of

original research is of interest to art historians and scholars of Italian and visual culture studies **Partnership Working**
Anthony Douglas, 2008-10-29 Partnership working is recognised as the most effective way of improving social care services and a non negotiable part of the government's aim is to provide a seamless care service However for students undertaking placements or for more experienced professionals moving to a different service area the question is what does it mean in practical terms This book is both an introduction and an in depth analysis of partnership working across the public sector in the UK In a comprehensive discussion of partnership working Anthony Douglas explores The history of partnership working its theoretical base and practical applications Why partnership working is important How professionals are already working together How to develop good partnerships and address common difficulties How to ensure that partnership working really does result in better practice The future of partnership working The analysis and examples range across the whole of the public sector with a primary focus on social care Drawing on up to date research evidence and using plenty of practical examples and thinking points Partnership Working will be of interest to students and researchers at all levels and practitioners and managers of front line services
