on lands claimed by the Spanish crown Lola Orellano Norris has identified sixteen manuscript copies of de León's meticulously kept expedition diaries These documents hold major importance for early Texas scholarship Some of these early manuscripts have been known to historians but never before have all sixteen manuscripts been studied In this interdisciplinary study Norris transcribes translates and analyzes the diaries from two different perspectives The historical analysis reveals that frequent misinterpretations of the Spanish source documents have led to substantial factual errors that have persisted in historical interpretation for more than a century General Alonso de León's Expeditions into Texas is the first presentation of these important early documents and provides new vistas on Spanish Texas **Reconnexió** Neal

Spanish National Identity, Colonial Power, and the Portrayal of Muslims and Jews During the Rif War (1909-27) Elisabeth Bolorinos Allard,2021 Runner up for the 2017 18 AHGBI Spanish Embassy Publication Prize This book examines how anxieties about colonial power and national identity are reflected in Spanish literature journalism and photography of Moroccan Muslim and Jewish cultures during the Spanish colonisation of Northern Morocco from 1909 to 1927 This understudied period known as the Rif War is highly significant because of its role in shaping the identities that came into conflict in the Spanish Civil War 1936-39 Furthermore the book makes a key contribution to Spanish colonial studies by offering a comparative analysis of Spanish representations of the Iberian Peninsula's cultural and historical relationship with Moroccan Muslims and Jews in this context showing how conflicting visions of Spanish identity are portrayed through and in relation to them ELISABETH BOLORINOS ALLARD is a Fellow by Examination in Modern Languages at Magdalen College Oxford *The Great Maya Droughts in Cultural Context* Gyles Iannone,2014-03-15 In *The Great Maya Droughts in Cultural Context* contributors reject the popularized link between societal collapse and drought in Maya civilization arguing that a series of periodic collapses including the infamous Terminal Classic collapse AD 750-1050 were not caused solely by climate change related droughts but by a combination of other social political and environmental factors New and senior scholars of archaeology and environmental science explore the timing and intensity of droughts and provide a nuanced understanding of socio-ecological dynamics with specific reference to what makes communities resilient or vulnerable when faced with

environmental change Contributors recognize the existence of four droughts that correlate with periods of demographic and political decline and identify a variety of concurrent political and social issues They argue that these primary underlying factors were exacerbated by drought conditions and ultimately led to societal transitions that were by no means uniform across various sites and subregions They also deconstruct the concept of collapse itself although the line of Maya kings ended with the Terminal Classic collapse the Maya people and their civilization survived The Great Maya Droughts in Cultural Context offers new insights into the complicated series of events that impacted the decline of Maya civilization This significant contribution to our increasingly comprehensive understanding of ancient Maya culture will be of interest to students and scholars of archaeology anthropology geography and environmental studies *EL último carnaval* Hernan Lara Zavala, 2023-09-08 El pasado es parte de nosotros si no es que somos nosotros mismos sta es una novela de iniciaci n y a la vez de recuperaci n del tiempo o el para so perdido Concentra la intensidad y la frescura de la juventud y sus primeras veces con esa otra intensidad la de la nostalgia la a oranza de todo lo que fue o todo lo que fuimos y que s lo podemos recobrar a trav s de la memoria El ltimo carnaval narra los a os de formaci n de Adri n desde su adolescencia a finales de la d cada de los cincuenta en la colonia Del Valle pasando por su etapa como estudiante en la Universidad Nacional Aut noma de M xico hasta llegar al descubrimiento de su vocaci n como escritor y su vida como joven adulto Muchos ser n los acontecimientos que lo marcar n a lo largo de este tiempo la amistad los primeros encuentros sexuales el rock la literatura pero ninguno m s importante que Magdalena y la experiencia del amor Hern n Lara Zavala ha escrito una espl ndida novela sobre la primera generaci n global del siglo XX la que va de los rebeldes sin causa a los movimientos estudiantiles de 1968 Una novela de b squedas y desencuentros Pero sobre todo es una historia que nos recuerda que muchas veces el amor verdadero no tiene un final feliz Sino muchos finales *New York Magazine* ,1990-02-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Biografía judicial del 68* José Ramón Cossío, 2020-09-18 Detr s de los macanazos y las balas hubo un sistema judicial que convalid la represi n y actu convencido de su bondad Naci el 26 de julio de 1968 y muri dos a os despu s Pero en su corta vida multiplic la iniquidad y la injusticia provoc el encarcelamiento de decenas de j venes y evidenci la sa a del Estado sta es la historia nunca antes contada del proceso judicial contra los implicados en el 68 mexicano Arranca con la apertura de una averiguaci n previa y expira cuando se dictan las sentencias condenatorias En esta obra que marca un parteaguas en los estudios sobre el movimiento estudiantil del 68 el exministro de la Suprema Corte Jos Ram n Coss o nos entrega una labor realizada por varias d cadas el an lisis de los 60 tomos de aquel proceso y presenta las evidencias que demuestran los vicios del juicio las confesiones del ministerio p
