TUCKER, 1910 **Ramble's Roman Stories** John Frost, 2015-06-16 Excerpt from Ramble s Roman Stories There is says a living writer of great ability no portion of profane history more pregnant with important instruction than that which relates to the rise the growth the fluctuations and the fall of Rome It equally demands the studious attention of the scholar the statesman the philosopher and the Christian He might have added that its lessons were equally intelligible and useful to old and young Convinced of this truth I have endeavoured in the following pages to place the most remarkable and celebrated events and characters of the Roman history in a striking point of view and to elicit such moral instruction from the narrative as might suit the wants and capacities of juvenile readers For their especial benefit this volume as well as the true stories from the several histories of Greece England and Spain which have preceded it was especially intended That they may be found useful and acceptable is the writer s most fervent wish About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Old Roman Well; a Romance of Dark Streets and Green Lanes** Roman Well, 1861 [The Romans on the Riviera and the Rhone](#) William Henry Bullock, 1898 [Rogue Roman](#) Lance Horner, 1970 [Roman Diary](#) Richard Platt, 2014-06-06 Relive the drama of the Roman Empire through the eyes of a young Greek slave in this latest installment in an acclaimed historical series **The Hounds of Diana - the Romulus and Remus Trilogy - Part I** Joseph J. Pitarella, 2018-03-04 Alba Longa is the ancient capital of Latium on the Italian peninsula The Roman Empire was born from this great city However behind the glory of what Rome became is a darker tale of secrecy betrayal and death Numitor is a good man and a great diplomat his brother Amulius an envious plotter and brave conqueror Their struggle for power will bring out the best of one and the worst of the other Only one can be king Rhea Silva Lillia is the daughter of Numitor her first son will become heir to the throne Her life is thrown into turmoil by events out of her control putting her and her twin boys in mortal danger The Hounds of Diana
