Salvation Road:

Rushing to Get You Reading Clarence Prince, 2016-06-25 This book is for getting you to read It is chiefly a volume of various stories and poems Moreover within this is a large chapter of religious or say Christian believers guide for all its readers Besides its humorous it is inspirational and it is educational Whats more its designed to show people how they can easily seek God by its self help biblical doctrine section for more information I truly believe that this book is only here owing to the perfect supervision of God More plainly this book is prepared as a guide for the good of every family Within you will find that its exclusively organized to soothe souls Facing the Father Michael Carozza, 2009-02 Turn around Today Right Now God is calling you back to Him In Facing the Father 180 Degrees To God Michael Carozza calls us all to turn away from the hopelessness of humanity and focus our faith on our future in heaven This is not a new calling God has been urging His people humbly to seek His face for thousands of years His promises are real forgiveness healing and restoration You are a mere one hundred eighty degrees from God Slowly make the transition back into His arms and receive the healing you so desperately desire **Racing The Phoenix** Lydia Franklin, 2016-09-12 Racing The Phoenix is not simply about a solo bike ride from North to South New Zealand to raise money for Love Hope Strength Foundation It is a story about the freedom of the road hope and despair struggle and victory Told through blogs from the road it will take you on a journey through searing heat torrential rain headwinds and even the Gates of Haast to the Place Where Rainbows End It is also a story about Love Hope and Strength the places it leads you and the people you meet along the way Ultimately however it a story about life and how we must make the most of every opportunity we have Fight The Fear Embrace the Randomness and above all Go With The CraZy **SALVATION ROAD** James Axler, 2014-01-15 FIRE BORN Tortured into existence by a nuclear conflagration the new frontier of a ravaged America is an ordeal only the most intrepid can endure Pockets of civilization have emerged some born of will and hope while others are breeding grounds for tyranny and madness Ryan Cawdor and his warrior companions have survived all this and worse A roving band of survivalists driven to seek a better life they are unwilling to pay the highest price demanded by the unforgiving crucible called Deathlands **HARSH REPARATION** Beneath the brutal sun of the nuke ravaged Southwest the Texas desert burns red hot and merciless commanding agony and untold riches to those greedy and mad enough to mine the slick black crude that lies beneath the scorched earth When a Gateway jump puts Ryan and the others deep in the hell of Texas they face a no win situation fry in the heat or become a rogue baron s sec force for an oil refinery targeted by saboteurs The task catch the raiders and win their freedom Or fail and face death In the Deathlands the unimaginable is a way of life *Pieces of A Life* Denny Dubs, 2021-06-11 Pieces of a Life is a different kind of book in that it is not an autobiography in the strictest sense of the term It does not move from the beginning one s birth or ancestry to the end of life but rather it deals with people stories anecdotes events and thoughts I have had over the years that have largely centered around my interest in religion The book is about my life but there is nothing chronological about it it is presented to

you in pieces a piece here and a piece there Hopefully you will find interest in these vignettes some entertaining some educational and hopefully they might enlighten you to think more about your soul salvation and Father in heaven If a story takes you there perhaps others will follow Unless you are born with great talent and ability you like me will never do anything belonging to a great autobiography Nevertheless all our lives have worth and there are things that others would find very interesting God our Father has placed in each one of us matters that make us unique This is my attempt to do just that and I hope that it will encourage you to do your own such endeavor Sometimes we have to share those things with other people Perhaps in doing so we can change the world for the better *Nemesis* James Axler, 2013-01-02

CRUEL DISPENSATION Burying the past in a nuclear cull Deathlands spares no one from its punishing assault In this grim new reality there's little to live or die for except the possibility of unlocking the mysteries of the past Ryan Cawdor and his group of fellow survivors scour the perilous land for sanctuary in a world where nothing is guaranteed but death **PAROLE OF THE DAMNED** Hiring on as crew to a merchant's wagon train Ryan and his companions anticipate trouble as they head west toward what was once Montana The terrain is treacherous but the company is worse as anger jealousy and male rivalry erupt into chaos and death But as they get closer to their destination the true nature of the journey unfolds There's a map to a mysterious valley rich with predark stockpiles But is it the promised land they've been seeking or the dead end they never saw coming End Program James Axler, 2014

HOPE'S ADVERSARY No one waits long for trouble in Deathlands it's everywhere in the remains of a nuke altered civilization The American dream was annihilated more than a century ago by the country's own unchecked power play But the worst may be yet to come **SURVIVAL'S CASTOFF** Built upon a predark military installation in former California a ville called Progress could be the utopia Ryan Cawdor and his companions have been seeking A place where humanity and technology thrive it's the nucleus of a new hope for Deathlands The successful replacement of Ryan's missing eye with a cybernetic prosthetic nearly convinces the group that their days of surviving hell are behind them Then they discover that the high tech in Progress isn't designed to enhance human life but to destroy it To block the final assault the companions must stop Ryan from becoming a willing pawn in the eradication of mankind Child of Slaughter James Axler, 2015-09

MORTAL RIFTS When Doc is taken captive by a band of marauders in what was once Nebraska Ryan and the companions rally to get him back But they aren't just fighting the local mutants They're also up against the area's terrifying terrain which shifts and morphs at a moment's notice With their options dwindling in this mazelike region that doesn't obey the laws of physics the team joins forces with a beautiful and deadly woman who evens the odds on the battlefield But while this warrior seems to be on their side she has a secret agenda that could spell the end for them all **THE AMERICAN NIGHTMARE** Since the nukeraust the American dream has been reduced to a daily fight for survival In the hellish landscape of Deathlands few dare to dream of a better tomorrow But Ryan Cawdor and his companions press on driven by the need for a future less treacherous than the present No Man's Land James Axler, 2012-10-30

sides in a civil war or face certain death Ryan Cawdor and his friends desperate to find a way out of the conflict must first defeat Snake Eye the deadliest gunslinger in Deathlands who wants Ryan's head **Sins of Honor** James Axler,2013-05-07

COLLATERAL DAMAGE The survivors of postnuclear America struggle against the free fall into anarchy and barbarism Hot lead keeps people sharp but it's the fire within that keeps them alive Ryan Cawdor and his band roam Deathlands searching for somewhere to call home Until then it's survival at all cost **LINE OF ATTACK** New Hampshire is rich with big game more than enough to feed Ryan and his hungry companions But claims to a fallen elk get ugly and Ryan is forced to chill another hunter the self-proclaimed king of the Granite Highlands over the meat Soon the hunters become the hunted as the dead man's widow gives chase armed with predark tanks and heavy artillery As the kill zone widens across cannibal-ridden lava fields Ryan and his group search for leverage in the merciless landscape **Hanging Judge** James Axler,2014-03-01

SCARRED FOR EXISTENCE In the Deathlands the game of survival offers no reprieve There's nothing to win in nuke-blasted America except the chance to fight another day Still Ryan Cawdor and his fellow travelers hope for sanctuary somewhere Until they find it they face each dawn as if it's their last Because it just might be **DEVIL'S COURT** Justice is a damning word in what used to be called Oklahoma thanks to a sadistic baron known as the Hanging Judge Crazy powerful and backed by a despotic sec crew the judge drops innocents from the gallows at will When Jak narrowly escapes wearing his own rope as a necktie a rift among the companions sends them deep into the mutie-infested wilderness outside the ville Separated and hurting time is running out for the survivors to realize they're stronger together than they ever could be alone before a ruthless madman brings them to the end of their rope **Follow Me Down** Shelby Foote,2011-05-25

A mesmerizing novel of faith passion and murder by the author of *The Civil War: A Narrative* Drawing on themes as old as the Bible Foote's novel compels us to inhabit lives obsessed with sin and starving for redemption A work reminiscent of both Faulkner and O'Connor yet utterly original

Crimson Waters James Axler,2012-09-04 When a mat trans malfunction strands Ryan Cawdor and his friends in a gutted redoubt in the West Indies the crystal waters offer them a glimpse of untouched splendor But the oasis is abruptly shattered by violent and ruthless pirates and the group rushes to escape paradise before it destroys them Original *Motherlode* James Axler,2013-11-01

COERCION VORTEX The cost of living disintegrated after America's nuclear cull and a life in Deathlands any life is dirt cheap But those few who manage to stay alive in the savage new reality must travel the hellgrounds any way they can For Ryan Cawdor and his fellow survivors that means denying the pull toward savagery and clinging to what little humanity they have left when they can afford it **SEEDS OF SUSTAINABILITY** Desperately short of supplies Ryan and his companions are forced to seek help at the prosperous-looking ville of Amity Springs Hired on to retrieve a stolen relic they quickly become caught up in an escalating power struggle between two strong-willed lady barons Each woman covets the cache of predark goods buried in the ville's backyard But they are not alone in their desire And all that stands between a motherlode of buried bounty and the destructive power of unchecked greed is Ryan's grim

determination to survive another day **End Day** James Axler,2015-03-03 Ryan Cawdor and his six companions struggle to survive postnuclear America a grim new world where hope for the future is lost amid the devastation **Desolation Angels** James Axler,2014-07-01 BETRAYED BY TOMORROW A hundred years after the nukocaust the tortured landscape of postapocalyptic America offers a brutal fight for survival Yet tech secrets lie hidden useful to those brave and strong enough to believe that hope can carry them toward ever elusive peace BAD TO THE BONE Violent gangs a corrupt mayor and a heavily armed police force are the hallmarks of former Detroit a mutie infested rubble strewn metropolis When Ryan and the companions show up the Desolation Angels are waging a war to rule the streets After saving the companions from being chilled by gangsters the mayor hires Ryan and his friends to stop the Angels cold But each hard blow toward victory proves there s no good side to be fighting for As Motor City erupts into bloody conflagration the companions are caught in the crossfire In Deathlands hell is called home **Iron Rage** James Axler,2015-07-01 DESPERATE MEASURES Since the nukocaust the American dream has been reduced to a daily fight for survival In the hellish landscape of Deathlands few dare to dream of a better tomorrow But Ryan Cawdor and his companions press on driven by the need for a future less treacherous than the present CAUGHT IN THE CROSS FIRE Pulling sec duty aboard a steamboat on the mighty Sippi is a welcome reprieve for Ryan and his friends until armored warships reduce their vessel to a burning husk Abruptly stranded in a nightmarish poisonous swamp fighting off crocodiles and muties the companions and their crew of allies get to work building rafts Their escape route however is swiftly intercepted and they learn they ve sailed into the middle of a fierce conflict between two villes fighting over the iron trade The companions don t seem to stand a chance against the fleets of ironclad gunboats But in Deathlands even the underdog can bite back **BY LIFE OR BY DEATH** WINFRIED WENTLAND,2017-02-09 Blood Red Tide James Axler,2014 RUINS OF WAR In a nuclear wasteland where death and destruction are the norm Ryan Cawdor and his fellow survivors seek out refuge while looking to one another for protection Civilization no longer exists in the barren Deathlands There is only the will to survive and the dim hope of a promised land CREW OF THE DAMNED Taken captive on a ship in the former Caribbean Ryan and his companions must work as part of the crew or perish at the hands of the captain But the mutant in charge of the vessel is the least of their worries Each day is a struggle as they face rivalry among the sailors violent attacks and deadly storms Worse a powerful enemy is hunting the ship to destroy everyone on board Fighting for their lives and those of their shipmates the companions must find unity within the chaos or die in the attempt **Siren Song** James Axler,2014-01-01 PARADISE LOST Crawling from the wreckage of Armageddon humanity endures mutated and forever altered Gone are the comforts of civilization replaced by a bloodlust to survive Deathlands is a tortured landscape where peace and hope struggle to take root Still Ryan Cawdor and his band push onward seeking a place to call home SWARM OF MADNESS If any kind of utopia exists in postapocalyptic America Ryan and his companions have yet to find it But high in the Virginian mountains their quest may find its reward Heaven Falls is an

agrarian idyll its thriving inhabitants harnessing powerful feminine energy and the medicinal qualities of honey Bountiful and serene this community is the closest thing to sanctuary the companions have ever encountered But as they are seduced by a life they have only envisioned they discover Heaven has a trapdoor that opens straight to hell
