Hall-Swadley,2013-12-19 In Dramaturgical Leaves Essays about Musical Works for the Stage and Queries about the Stage Its Composers and Performers the third volume in Janita R Hall Swadley s The Collected

Writings of Franz Liszt Liszt heralds his admiration for early nineteenth century opera and musical stage works He honors Gluck the musical prophet as the cultivator of dramatic truth in the Romantic opera Orpheus expounds on Beethoven's harmonic inventions and innovative treatment of form in Fidelio and argues for the latter's incidental music to Goethe's Egmont as the epitome of music organicism a complete unity of words and tone He also comments on Weber's Euryanthe as offering the most progressive musical characterizations and declamation even more so than his popular work Der Freischütz and on how both works prefigure Wagner's music dramas awards Mendelssohn whose genius Liszt ranks only slightly less than Beethoven's top honors for creating in A Midsummer Night's Dream the highest standards of music poetry suggests how Scribe and Meyerbeer's Robert the Devil paints a mental image of art's eternal flames where poet and musician share equal space in the development of music tragedy reveals how the poetic deficiencies in the libretto to Schubert's Alfonso and Estrella are too easily overlooked because of the music's melodic and lyrical supremacy and offers in contrast Auber's Mute from Portici a remarkable text by many historically picturesque musical motives that are universal and nationalistic at the same time Finally Liszt offers an early gender study in music in his essay about Bellini's Montague and Capulet as well as its impact on nineteenth century audiences a look at Boieldieu's White Lady as a sublime depiction of literary music and Donizetti's Favorite as colored with a special type of imagery a *laterna magica* in Liszt's hand The beloved soprano Pauline Viardot Garcia receives special attention in an essay devoted entirely to her and Liszt proffers a critique of *entr'acte* music as a pointless tradition that dethrones music and insults the artist and composer by making music a palate cleanser This volume includes a detailed discussion about what it meant to be patronized by Liszt and how his support financial literary and musical helped shape many a music career It also offers commentary on how gender in opera was sometimes obscured not only for dramatic interest but also as part of the process of outlining a nation's identity as well as a thorough study of Liszt's concepts of Gestalt theory the Archetype and his musical *Weltanschauung* his musical world view all revealing his contribution to 19th century music philosophy as it relates to opera Finally a historical review of *entr'acte* music is presented how it began and how it developed to clarify Liszt's stance against it making this volume a necessary read for music historians serious musicians and music connoisseurs alike

A Short History of Opera Donald J. Grout, Hermine Weigel Williams, 2003-07-18 When first published in 1947 *A Short History of Opera* immediately achieved international status as a classic in the field Now more than five decades later this thoroughly revised and expanded fourth edition informs and entertains opera lovers just as its predecessors have The fourth edition incorporates new scholarship that traces the most important developments in the evolution of musical drama After surveying anticipations

of the operatic form in the lyric theater of the Greeks medieval dramatic music and other forerunners the book reveals the genre's beginnings in the seventeenth century and follows its progress to the present day A Short History of Opera examines not only the standard performance repertoire but also works considered important for the genre's development Its expanded scope investigates opera from Eastern European countries and Finland The section on twentieth century opera has been reorganized around national operatic traditions including a chapter devoted solely to opera in the United States which incorporates material on the American musical and ties between classical opera and popular musical theater A separate section on Chinese opera is also included With an extensive multilanguage bibliography more than one hundred musical examples and stage illustrations this authoritative one volume survey will be invaluable to students and serious opera buffs New fans will also find it highly accessible and informative Extremely thorough in its coverage A Short History of Opera is now more than ever the book to turn to for anyone who wants to know about the history of this art form

The Assoluta Voice in Opera, 1797-1847 Geoffrey S. Riggs, 2003 It is unusual for styles in opera to carry over from one era into another It would be even more unusual for one era's characteristics to linger two generations into the next Yet this is precisely what happened during the first half of the nineteenth century when the intricacies of the fleet bel canto style were combined with the Romantic era's heroic declamation and formidable orchestral emphasis resulting in the creation of the assoluta voice This work traces the emergence of the impressive vocal writing that resulted from the marriage of the bel canto and Romantic eras It also covers the uniquely versatile divas who were given the opportunities to make their mark on opera from the time of Cherubini to that of a young Verdi Here both the wide ranging vocalism in the scores themselves and the artists capable of performing this style are referred to as assoluta Chapters consider Luigi Cherubini's *Medee* Gioacchino Rossini's *Armida* Carl Maria von Weber's *Oberon* Gaetano Donizetti's *Anna Bolena* Vincenzo Bellini's *Norma* Donizetti's *Gemma di Vergy* and Roberto Devereux the time of transition in the late 1800s and early 1900s and Giuseppe Verdi's *Nabucco* and *Macbeth*

New Grove Of Opera Introduction

In the digital age, access to information has become easier than ever before. The ability to download New Grove Of Opera has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download New Grove Of Opera has opened up a world of possibilities. Downloading New Grove Of Opera provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading New Grove Of Opera has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download New Grove Of Opera. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading New Grove Of Opera. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading New Grove Of Opera, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download New Grove Of Opera has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF

resources available and embark on a journey of continuous learning and intellectual growth.
