Pakistan The Political Economy Of Lawlessness:

Pakistan Sayyid Azhar Hasan Nadim, 2002 This multi disciplinary work encompasses the disciplines of economics criminology sociology public administration and policing It shows in quantitative terms the connection between lawlessness and the economy of Pakistan presenting a strategy for good governance and macro economic stability Pakistan Azhar Hassan Nadeem, 2020-04-22 This book offers a comprehensive analysis of the state of political institutions the military establishment and political parties in Pakistan It provides a nuanced understanding of the practices of disenfranchisement by theocratic governments in the country which has relegated the people to the margins of their society The volume provides an in depth account of the political history of Pakistan focusing not only on national politics and foreign policy but also on their congruences with subnational systems of governance the criminal justice system bureaucracy the electoral system and the police It discusses challenging issues plaguing the country such as the continued dominance of the military lagging economic development lack of accountability within political institutions sectarianism and terrorism The author dissects and critically examines Pakistan's hegemonic politics and underlines the need for a new social contract based on the principles of inclusiveness and equality The volume offers fresh perspectives on the multifaceted problems in Pakistan's politics It will be of great interest to policy practitioners and to academics and students of politics law and governance sociology international relations comparative politics Pakistan studies and South Asia studies *Ethno-political Conflict in Pakistan* Rizwan Zeb, 2019-12-12 This book critically examines the causes of the increase in insurgent violence in Balochistan and explores the relations between the national government of Pakistan and the province of Balochistan Based on historical analysis the book argues that the national government of Pakistan and the leaders of Balochistan both use a standard narrative when dealing with each other According to the Baloch narrative Islamabad exploits Balochistan's natural resources without giving Balochistan its due share and has never accepted and granted Balochistan equal rights The centre's narrative emphasizes the tribal character of the Baloch society and suggests that the Baloch elite hinder Balochistan's integration with the federation This book demonstrates that both narratives are inherently flawed and presents a precipitous picture of the problem of insurgent violence It also shows that the Baloch leadership is divided along tribal lines and lacks a unified voice and proposes that the Baloch elite use the narrative of enduring injustice only as a source of politicization of Baloch ethnicity when an actual or perceived injustice is taking place An important addition to the literature on ethno political conflicts this unique analysis of the importance of narrative in the imagination of political movements will be of interest to scholars in the fields of South Asian studies ethnic conflicts separatist and political movements and Asian politics **Pakistan** Azhar Hassan Nadeem, 2020-04-22 This book offers a comprehensive analysis of the state of political institutions the military establishment and political parties in Pakistan It provides a nuanced understanding of the practices of disenfranchisement by theocratic governments in the country which has relegated the people to the margins of their society The volume provides an in depth

account of the political history of Pakistan focusing not only on national politics and foreign policy but also on their congruences with subnational systems of governance the criminal justice system bureaucracy the electoral system and the police It discusses challenging issues plaguing the country such as the continued dominance of the military lagging economic development lack of accountability within political institutions sectarianism and terrorism The author dissects and critically examines Pakistan's hegemonic politics and underlines the need for a new social contract based on the principles of inclusiveness and equality The volume offers fresh perspectives on the multifaceted problems in Pakistan's politics It will be of great interest to policy practitioners and to academics and students of politics law and governance sociology international relations comparative politics Pakistan studies and South Asia studies Pakistan Azhar Hassan Nadeem, 2020 This book offers a comprehensive analysis of the state of political institutions the military establishment and political parties in Pakistan It provides a nuanced understanding of the practices of disenfranchisement by theocratic governments in the country which has relegated the people to the margins of their society The volume provides an in depth account of the political history of Pakistan focusing not only on national politics and foreign policy but also on their congruences with subnational systems of governance the criminal justice system bureaucracy the electoral system and the police It discusses challenging issues plaguing the country such as the continued dominance of the military lagging economic development lack of accountability within political institutions and sectarianism and terrorism The author dissects and critically examines Pakistan's hegemonic politics and underlines the need for a new social contract based on the principles of inclusiveness and equality The volume offers fresh perspectives on the multifaceted problems in Pakistan's politics It will be of great interest to policy practitioners and to academics and students of politics law and governance sociology international relations comparative politics Pakistan studies and South Asia studies *Religion, Violence and Political Mobilisation in South Asia* Ravinder Kaur, 2005-11-05 Papers presented at the Workshop on Religious Mobilisation and Organisation of Violence held at Roskilde during 3-4 April 2003 *The History of Oxford University Press: Volume IV* Keith Robbins, 2017-05-26 The story of Oxford University Press spans five centuries of printing and publishing Beginning with the first presses set up in Oxford in the fifteenth century and the later establishment of a university printing house it leads through the publication of bibles scholarly works and the Oxford English Dictionary to a twentieth century expansion that created the largest university press in the world playing a part in research education and language learning in more than 50 countries With access to extensive archives the four volume History of OUP traces the impact of long term changes in printing technology and the business of publishing It also considers the effects of wider trends in education reading and scholarship in international trade and the spreading influence of the English language and in cultural and social history both in Oxford and through its presence around the world In the decades after 1970 Oxford University Press met new challenges but also a period of unprecedented growth In this concluding volume Keith Robbins and 21 expert contributors assess OUP's changing structure its academic mission and its business

operations through years of economic turbulence and continuous technological change The Press repositioned itself after 1970 it brought its London Business to Oxford closed its Printing House and rapidly developed new publishing for English language teaching in regions far beyond its traditional markets Yet in an increasingly competitive worldwide industry OUP remained the department of a major British university sharing its commitment to excellence in scholarship and education The resulting opportunities and sometimes tensions are traced here through detailed consideration of OUP's business decisions the vast range of its publications and the dynamic role of its overseas offices Concluding in 2004 with new forms of digital publishing The History of OUP sheds new light on the cultural educational and business life of the English speaking world in the late twentieth century

Cityscapes of Violence in Karachi Nichola Khan, 2017-07-15 Karachi is a city framed in the popular imagination by violence be it criminality and gangsterism or political factionalism That perception also dominates literary cinematic and scholarly representations and discussions of this great metropolis By commenting in different ways on the trials and tribulations of Karachi and Pakistan the contributors to this innovative book on the city build on past writings to say something new or different to make their reader re think how they understand the processes at work in this vast urban space They scrutinise Karachi's diverse neighborhoods to show how violence is manifested locally and citywide into protest drinking social and religious movements class and cosmopolitanism gang wars and how it affects the fractured lives of militants and journalists among others Oral history and memoir feature strongly in the volume as do insights gleaned from anthropology and political science

Pakistan C. Christine Fair, Keith Crane, Christopher S. Chivvis, Samir Puri, Michael Spirtas, 2010-04-13 The authors expost likely developments in Pakistan's internal and external security environment over the coming decade assess Pakistan's national will and capacity to solve its problems especially those relating to security describe U S interests in Pakistan and suggest policies for the U S government to pursue in order to secure those interests

Military Control in Pakistan Mazhar Aziz, 2007-10-24 This volume examines the role of the military the most influential actor in Pakistan and challenges conventional wisdom on the causes of political instability in this geographically important nuclear state It rejects views that ethnic and religious cleavages and perceived economic or political mismanagement by civilian governments triggers military intervention in Pakistan The study argues instead that the military intervenes to remove civilian governments where the latter are perceived to be undermining the military's institutional interests Mazhar Aziz shows that the Pakistani military has become a parallel state and given the extent of its influence will continue to define the nature of governance within the polity Overall Military Control in Pakistan is a timely reminder and an important resource for both scholars and policy makers clearly demonstrating the need to refocus attention on the problem of an influential military whilst drawing appropriate conclusions about issues ranging from democratic norms political representation and civilian military relations

The History of Oxford University Press Ian Anders Gadd, Simon Eliot, Keith Robbins, William Roger Louis, 2013 The history of Oxford University Press spans five centuries of printing and publishing This

fourth volume explores the Press's modern history as an unsubsidized business with significant educational and cultural responsibilities and how it maintained these through economic turbulence political upheaval and rapid technological innovation

Refugees and the Politics of the Everyday State in Pakistan Elisabetta Iob, 2017-09-13 The Partition of India in 1947 involved the division of two provinces Bengal and the Punjab based on district wise Hindu or Muslim majorities The Partition displaced between 10 and 12 million people along religious lines This book provides a comprehensive and in depth analysis of the resettlement and rehabilitation of Partition refugees in Pakistani Punjab between 1947 and 1962 It weaves a chronological and thematic plot into a single narrative and focuses on the Punjabi refugee middle and upper middle class Emphasising the everyday experience of the state the author challenges standard interpretations of the resettlement of Partition refugees in the region and calls for a more nuanced understanding of their rehabilitation The book argues the universality of the so called exercise in human misery and the heterogeneity of the rehabilitation policies Refugees stories and interactions with local institutions reveal the inability of the local bureaucracy to establish its own polity and the viable workability of Pakistan as a state The use of Pakistani documents US and British records and a careful survey of both the judicial records and the Urdu and English language dailies of the time provides an invaluable window onto the everyday life of a state its institutions and its citizens A carefully researched study of both the state and the everyday lives of refugees as they negotiated resettlement through both personal and official channels the book offers an important reinterpretation of the first years of Pakistani history It will be of interest to academics working in the field of refugee resettlement and South Asian History and Politics

Fortifying Pakistan C. Christine Fair, Peter Chalk, 2006 The authors offer a comprehensive examination of Pakistan's internal security environment and the effectiveness of its criminal justice structures and assess the impact and utility of the principal United States initiatives to help Pakistan strengthen its internal security

Religion and Violence in South Asia John Hinnells, Richard King, 2007-01-24 Do religions justify and cause violence or are they more appropriately seen as forces for peace and tolerance Featuring contributions from international experts in the field this book explores the debate that has emerged in the context of secular modernity about whether religion is a primary cause of social division conflict and war or whether this is simply a distortion of the true significance of religion and that if properly followed it promotes peace harmony goodwill and social cohesion Focusing on how this debate is played out in the South Asian context the book engages with issues relating to religion and violence in both its classical and contemporary formations The collection is designed to look beyond the stereotypical images and idealized portrayals of the peaceful South Asian religious traditions especially Hindu Buddhist Jain and Sufi which can occlude their own violent histories and to analyze the diverse attitudes towards and manifestations of violence within the major religious traditions of South Asia Divided into three sections the book also discusses globalization and the theoretical issues that inform contemporary discussions of the relationship between religion and violence

The Political Economy of Conflict in South Asia M. Webb,A. Wijeweera,2015-02-03 Destructive conflicts have thwarted growth and development in South Asia for more than half a century This collection of multi disciplinary essays examines the economic causes and consequences of military conflict in South Asia from a variety of perspectives embracing fiscal social strategic environmental and several other dimensions Pirates, Prisoners, and Lepers Paul H. Robinson,Sarah M. Robinson,2015-07-15 It has long been held that humans need government to impose social order on a chaotic dangerous world How then did early humans survive on the Serengeti Plain surrounded by faster stronger and bigger predators in a harsh and forbidding environment Pirates Prisoners and Lepers examines an array of natural experiments and accidents of human history to explore the fundamental nature of how human beings act when beyond the scope of the law Pirates of the 1700s the leper colony on Molokai Island prisoners of the Nazis hippie communes of the 1970s shipwreck and plane crash survivors and many more diverse groups they all existed in the absence of formal rules punishments and hierarchies Paul and Sarah Robinson draw on these real life stories to suggest that humans are predisposed to be cooperative within limits What these communities did and how they managed have dramatic implications for shaping our modern institutions Should today s criminal justice system build on people s shared intuitions about justice Or are we better off acknowledging this aspect of human nature but using law to temper it Knowing the true nature of our human character and our innate ideas about justice offers a roadmap to a better society Islam, Law and the Modern State Arif A. Jamal,2018-03-14 Within the global phenomenon of the re emergence of religion into issues of public debate one of the most salient issues confronting contemporary Muslim societies is how to relate the legal and political heritage that developed in pre modern Islamic polities to the political order of the modern states in which Muslims now live This work seeks to develop a framework for addressing this issue The central argument is that liberal theory and in particular justice as discourse can be normatively useful in

Muslim contexts for relating religion law and state Just as Muslim contexts have developed historically and continue to develop today the same is the case with the requisites of liberal theory and this may allow for liberal choices to be made in a manner that is not a renunciation of Muslim heritage

Mafia Raj Lucia Michelutti, Ashraf Hoque, Nicolas Martin, David Picherit, Paul Rollier, Arild E Ruud, Clarinda Still, 2023-05-25 The authors illustrate the art of bossing techniques and methods used by such figures to climb to power and maintain their sovereignty A Y Lee Choice Mafia has become an indigenous South Asian term Like Italian mobsters the South Asian gangster politicians are known for inflicting brutal violence while simultaneously upholding vigilante justice inspiring fear and fantasy But the term also refers to the diffuse spheres of crime business and politics operating within a shadow world that is popularly referred to as the rule of the mafia or Mafia Raj Through intimate stories of the lives of powerful and aspiring bosses in India Pakistan and Bangladesh this book illustrates their personal struggles for sovereignty as they climb the ladder of success Ethnographically tracing the particularities of the South Asian case the authors theorize what they call the art of bossing providing nuanced ideas about crime corruption and the lure of the strongman across the world Through meticulous and uniquely collaborative ethnography Mafia Raj opens readers eyes to the murky world of bosses in South Asia With unforgettable portraits of the gangsters politicians hustlers and extortionists dotting the region this is the rare scholarly account that upends our commonly accepted notions of democracy formality and legitimacy Milan Vaishnav author of *When Crime Pays Money and Muscle in Indian Politics* Why does the figure of the boss in its various guises loom so large in South Asia In answering this question the authors of this engagingly written book make a path breaking contribution to the study of South Asian politics John Harriss author of *India Continuity and Change in the Twenty First Century*

The Taliban Revival Hassan Abbas, 2014-06-24 The true story of the Taliban s remarkable resurgence in Pakistan and war torn Afghanistan more than a decade after the U S military s post 9 11 incursion In autumn 2001 U S and NATO troops were deployed to Afghanistan to unseat the Taliban rulers repressive Islamic fundamentalists who had lent active support to Osama bin Laden s Al Qaeda jihadists The NATO forces defeated and dismantled the Taliban government scattering its remnants across the country But despite a more than decade long attempt to eradicate them the Taliban endured regrouping and reestablishing themselves as a significant insurgent movement Gradually they have regained control of large portions of Afghanistan even as U S troops are preparing to depart from the region In his authoritative and highly readable account author Hassan Abbas examines how the Taliban not only survived but adapted to their situation in order to regain power and political advantage Abbas traces the roots of religious extremism in the area and analyzes the Taliban s support base within Pakistan s Federally Administered Tribal Areas In addition he explores the roles that Western policies and military decision making not to mention corruption and incompetence in Kabul have played in enabling the Taliban s resurgence
