Reading Writing And Riches Education And The Socioeconomic Order Of North America:

Reading, Writing, and Riches Randle W. Nelsen,1978 **Reading, Writing, and Riches** Randle W. Nelsen,David A. Nock,1978 Literacy, Society, and Schooling Suzanne de Castell,Allan Luke,Kieran Egan,1986-10-31 This book addresses the current literacy crisis alleged in professional journals and the popular press Literacy is at once a contentious social and educational issue a continuing concern of parents and teachers and the focal point of a range of disciplinary inquiries Literacy Society and Schooling draws together especially commissioned essays on the nature history and pedagogy of literacy by social historians philosophers literary scholars linguists educators and psychologists The editors have attempted to convey in an accessible format the range and diversity of the scholarly debate about literacy theory research and practice Students teachers and researchers will find Literacy Society and Schooling an invaluable resource **Encyclopedia of Emancipation and Abolition in the Transatlantic World** Junius P. Rodriguez,2015-03-26 The struggle to abolish slavery is one of the grandest quests and central themes of modern history These movements for freedom have taken many forms from individual escapes violent rebellions and official proclamations to mass organizations decisive social actions and major wars Every emancipation movement whether in Europe Africa or the Americas has profoundly transformed the country and society in which it existed This unique A Z encyclopedia examines every effort to end slavery in the United States and the transatlantic world It focuses on massive broad based movements as well as specific incidents events and developments and pulls together in one place information previously available only in a wide variety of sources While it centers on the United States the set also includes authoritative accounts of emancipation and abolition in Europe Africa the Caribbean and Latin America The Encyclopedia of Emancipation and Abolition provides definitive coverage of one of the most significant experiences in human history It features primary source documents maps illustrations cross references a comprehensive chronology and bibliography and specialized indexes in each volume and covers a wide range of individuals and the major themes and ideas that motivated them to confront and abolish slavery **Degrees of Failure** Randle W. Nelsen,2018-07-12 Academia Inc. Jamie Brownlee,2015-05-01T00:00:00Z Canadian universities are being slowly but inexorably corporatized Casualizing academic labour remaking students into consumers of education implementing corporate management models and commercializing academic research all point to the ascendance of business interests and values in Canada s higher education system Academia Inc examines the tensions that result from the merging of two fundamentally incompatible institutions the university and the corporation Brownlee argues that moving from liberal education to corporate job training public service to profit making and critical research to commercial invention radically undermines the goals of higher education Investigating the history causes and impacts of corporatization this book explores how this transformation has taken shape and its ramifications for both universities and society as a whole Brownlee suggests several strategies for resisting this process **The New Practical Guide to Canadian Political Economy** Daniel Drache,Wallace

Clement,1985-01-01 The New Practical Guide to Canadian Political Economy is a handy reference to the vast range of research and writing that political economists in Canada have completed to the date of publication The book is divided into twenty five subject bibliographies each one compiled and introduced by an expert in the field The overall range of subjects includes economic development in Canada Canada s external economic relations regional disparities and regional development social and economic classes women Native peoples politics and the Canadian state nationalism culture and political thought The book is indexed by author and includes a helpful shortlist of the staples in Canadian political economy Published in 1985 The New Practical Guide to Canadian Political Economy remains a useful reference to some of the classic literature of the discipline *A Victorian Missionary and Canadian Indian Policy* David Nock,2006-01-01 Canada s Indian policy has since the 1830s consisted mainly of attempts at cultural replacement Although rarely practised cultural synthesis of native and western cultures has been advocated as an important alternative especially in the last ten years This book is a study of E F Wilson 1844 1915 a Canadian missionary of British background who experienced promoted and advocated both approaches to native policy during his lifetime On the one hand he practised cultural replacement at the Shingwauk and Wawanosh Schools which he founded at Sault Ste Marie on the other hand he advocated programs of cultural synthesis and political autonomy which were a distinct departure from the paternalist notions of the 1880s and 1890s His support of such ideas was fostered by the influence of leading anthropologists such as Horatio Hale but also by his own extensive travel and observation of Indians particularly the Cherokee Indians of Oklahoma This book describes the efforts of a nineteenth century Canadian missionary who entertained radical notions of Indian self government and cultural synthesis as well as more conventional ideas of native assimilation and cultural replacement **A National Crime** John S. Milloy,2011-08-01 I am going to tell you how we are treated I am always hungry Edward B a student at Onion Lake School 1923 I f I were appointed by the Dominion Government for the express purpose of spreading tuberculosis there is nothing finer in existence that the average Indian residential school N Walker Indian Affairs Superintendent 1948 For over 100 years thousands of Aboriginal children passed through the Canadian residential school system Begun in the 1870s it was intended in the words of government officials to bring these children into the circle of civilization the results however were far different More often the schools provided an inferior education in an atmosphere of neglect disease and often abuse Using previously unreleased government documents historian John S Milloy provides a full picture of the history and reality of the residential school system He begins by tracing the ideological roots of the system and follows the paper trail of internal memoranda reports from field inspectors and letters of complaint In the early decades the system grew without planning or restraint Despite numerous critical commissions and reports it persisted into the 1970s when it transformed itself into a social welfare system without improving conditions for its thousands of wards A National Crime shows that the residential system was chronically underfunded and often mismanaged and documents in detail and how this affected the health education and well being of

entire generations of Aboriginal children **Universities for Sale** Neil Tudiver, Canadian Association of University Teachers, 1999 In the 1990s Canadian universities experienced an aggressive campaign of corporatization Universities for Sale offers suggestions on how to resist corporatization Neil Tudiver shows how scholarly independence has in recent years been eroded to a point of crisis Left unchecked corporations play a larger and larger role in deciding which fields of study survive and which will disappear He looks at how professors defend free inquiry against the pressures of economic expediency Universities for Sale is a penetrating analysis of the ongoing issue of corporate influence on Canada's universities
