Reading Oprah How Oprahs Club Changed The Way America Reads

Cecilia Konchar Farr,Jaime Harker

Reading Oprah How Oprahs Club Changed The Way America Reads:

Reading Oprah Cecilia Konchar Farr, 2005-01-01 An analysis of how Oprah s Book Club has changed America s reading habits *Cultural Studies of Rights* John Nguyet Erni, 2014-06-11 At a time of global uncertainties and erosion of liberties how will cultural studies clear a space for a parallel intellectual and political engagement with human rights practice How will human rights thinking be liberated from its doctrinal approach to ethics and legal justice This book forges an alliance between cultural studies and human rights scholarships to help us better understand the changing and complex political context that continuously shapes contemporary violence To date interdisciplinary dialogue or institutional collaboration remains rare across the two domains resulting in critical interpretive work appearing too vacuous at times and institutional legal work often trapped in doctrinalism By opening a door for a new and engaging scholarship this book will re ignite debates and passions within communication and critical cultural studies in the search for global justice This book was originally published as a special issue of Communication and Critical Cultural Studies **The Oprah Affect** Cecilia Konchar Farr, Jaime Harker, 2008-10-16 The Oprah Affect explores the cultural impact of Oprah s Book Club particularly in light of debates about the definition and purpose of literature in American culture For the critics collected here Oprah s Book Club stands in the context of American literary history not as an egregious undermining of who we are and what we represent as some have maintained but as the latest manifestation of a tradition that encourages symbiotic relationships between readers and texts Powered by women writers and readers novels in this tradition attract crowds sell well and make unabashed appeals to emotion The essays consider the interlocking issues of affect affinity accessibility and activism in the context of this tradition Juxtaposing book history reading practices literary analysis feminist criticism and communication religious political and cultural studies the contributors map a range of possibilities for further research on Oprah s Book Club A complete chronological list of Book Club picks is included Religion and Reality TV Mara Einstein, Katherine Madden, Diane Winston, 2018-04-17 Why is reality television flourishing in today s expanding media market Religion and Reality TV Faith in Late Capitalism argues that the reality genre offers answers to many of life s urgent questions Why am I important What gives my life meaning How do I present my best self to the world Case studies address these questions by examining religious representations through late capitalist lenses including the maintenance of the self the commodification of the sacred and the performance of authenticity The book s fourteen essays explore why religious themes proliferate in reality TV audiences fascination with lived religion and the economics that make religion and reality TV a successful pairing Chapters also consider the role of race gender and religion in the production and reception of programming Religion and Reality TV provides a framework for understanding the intersection of celebrity media attention beliefs and values The book will be of interest to students and scholars of religion and media studies communication American studies and popular culture **The Late Age of Print** Ted Striphas, 2009-05-22 Ted Striphas tracks the methods through which the book

industry has adapted or has failed to adapt to rapid changes in twentieth century print culture With examples from trade journals news media films advertisements and other commercial and scholarly materials Striphas tells a story of modern publishing that proves even in a rapidly digitizing world books are anything but dead With wit and brilliant insight he isolates the invisible processes through which books have come to mediate our social interactions and influence our habits of consumption This edition features a new preface in which Striphas considers the stakes of abandoning printed books in favor of digital readers

Reading Communities from Salons to Cyberspace DeNel Rehberg Sedo, 2011-08-25 Reading is both a social process and a social formation as this book illustrates across centuries and cultural contexts Highlighting links evident in reading communities from literary salons to online environments each essay reflects the rich repertoire of research methods available to reading scholars

Reading Still Matters Catherine Sheldrick Ross, Lynne (E.F.) McKechnie, Paulette M. Rothbauer, 2018-03-01 Drawing on scholarly research findings this book presents a cogent case that librarians can use to work towards prioritization of reading in libraries and in schools Reading is more important than it has ever been recent research on reading such as PEW reports and Scholastic's Kids and Family Reading Report proves that fact This new edition of *Reading Matters* provides powerful evidence that can be used to justify the establishment maintenance and growth of pleasure reading collections both fiction and nonfiction and of readers advisory services The authors assert that reading should be woven into the majority of library activities reference collection building provision of leisure materials readers advisory services storytelling and story time programs adult literacy programs and more This edition also addresses emergent areas of interest such as e reading e writing and e publishing multiple literacies visual texts the ascendancy of young adult fiction and fan fiction A new chapter addresses special communities of YA readers The book will help library administrators and personnel convey the importance of reading to grant funding agencies stakeholders and the public at large LIS faculty who wish to establish and maintain courses in readers advisory will find it of particular interest

The Oprah Phenomenon Jennifer Harris, Elwood Watson, 2007-03-16 Excellent essays on a business empire a cultural phenomenon and the nature of the extraordinary bond between Oprah Winfrey and her fans *Journal of Social History* Oprah Winfrey has built an empire on her ability to connect with and inspire her audience No longer just a name Oprah has become a brand representing a unique style of self actualizing individualism The cultural and economic power wielded by Winfrey merits critical evaluation The contributors to *The Oprah Phenomenon* examine the origins of her public image and its substantial influence on politics entertainment and popular opinion Contributors address praise from her supporters and weigh criticisms from her detractors Winfrey's ability to create a feeling of intimacy with her audience has long been cited as a foundation of her popularity She has made headlines by engaging and informing her audience with respect to her personal relationships to race gender feminism and New Age culture *The Oprah Phenomenon* explores these relationships in detail At the root of Winfrey's message is her assertion that anyone can be a success regardless of background or upbringing The

contributors scrutinize this message What does this success entail Is the motivation behind self actualization in fact merely the hope of replicating Winfrey s purchasing power Is it just a prescription to buy the products she recommends and heed the advice of people she admires or is it a lifestyle change of meaningful spiritual benefit The Oprah Phenomenon asks these and many other difficult questions to promote a greater understanding of Winfrey s influence on the American consciousness Identifies the common threads that run through Oprah s empire the demographics of her audience how she brings together women of diverse backgrounds and her use of empathy and encouragement to foster self improvement Library Journal With a foreword by Robert J Thompson **Faulkner and Film** Peter Lurie,Ann J. Abadie,2014-09-18 Considering that he worked a stint as a screenwriter it will come as little surprise that Faulkner has often been called the most cinematic of novelists Faulkner s novels were produced in the same high period as the films of classic Hollywood a reason itself for considering his work alongside this dominant form Beyond their era though Faulkner s novels or the ways in which they ask readers to see as well as feel his world have much in common with film That Faulkner was aware of film and that his novels own thinking betrays his profound sense of the medium and its effects broadens the contexts in which he can be considered In a range of approaches the contributors consider Faulkner s career as a scenarist and collaborator in Hollywood the ways his screenplay work and the adaptations of his fiction informed his literary writing and how Faulkner s craft anticipates intersects with or reflects upon changes in cultural history across the lifespan of cinema Drawing on film history critical theory archival studies of Faulkner s screenplays and scholarship about his work in Hollywood the nine essays show a keen awareness of literary modernism and its relation to film **Religion and the Marketplace in the United States** Jan Stievermann,Philip Goff,Detlef Junker,2015-02-12 This collection of essays focuses on the diverse interactions between religious and commercial practices in U S history Studying religion and the marketplace from various angles each chapter offers insights into a long and intimate relationship between two aspects of American culture
