Ellen Greene

Reading Sappho Contemporary Approaches Classics And Contemporary Thought 2:

Reading Sappho Ellen Greene, 2023-07-28 *Reading Sappho* considers Sappho's poetry as a powerful influential voice in the Western cultural tradition. Essays are divided into four sections: Language and Literary Context, Homer and Oral Tradition, Ritual and Social Context, and Women's Erotics. Contributors focus on literary history, mythic traditions, cultural studies, performance studies, recent work in feminist theory, and more. A legendary literary figure, Sappho has attracted readers, critics, and biographers ever since she composed poems on the island of Lesbos at the close of the seventh century B.C. Bringing together some of the best recent criticism on the subject, this volume together with *Re-Reading Sappho* represents the first anthology of Sappho scholarship drawing attention to Sappho's importance as a poet and reflecting the diversity of critical approaches in classical and literary scholarship during the last several decades. *Reading Sappho* considers Sappho's poetry as a powerful influential voice in the Western cultural tradition. Essays are divided into four sections: Language and Literary Context, Homer and Oral Tradition, Ritual and Social Context, and Women. **The Cambridge Companion to Sappho** P. J. Finglass, Adrian Kelly, 2021-04-29 A detailed up-to-date survey of the most important woman writer from Greco-Roman antiquity. Examines the nature and context of her poetic achievement, the transmission, loss, and rediscovery of her poetry, and the reception of that poetry in cultures far removed from ancient Greece, including Latin America, India, China, and Japan.

Reader's Guide to Lesbian and Gay Studies Timothy Murphy, 2013-10-18 *The Reader's Guide to Lesbian and Gay Studies* surveys the field in some 470 entries on individuals, Adrienne Rich, arts and cultural studies, Dance, ethics, religion, and philosophical issues, Monastic Traditions, historical figures, periods, and ideas, Germany between the World Wars, language, literature, and communication, British Drama, law and politics, Child Custody, medicine and biological sciences, Health and Illness, and psychology, social sciences, and education, Kinsey Report. **Ancient Roman Literary Gardens** K. Sara Myers, 2024 Beginning with Cicero and Varro and ending with Statius and Pliny the Younger, this chapter offers a chronological investigation of the ways in which real and literary gardens developed from the first century BCE to the first century CE as a means of elite masculine self-representation and the reactions of elite Roman men to the increased social and cultural power of villa and horti estates and their grounds. Gardens served as powerful symbols of wealth and as creative displays of the cultural aspirations of their owners in ways that challenged traditional definitions of gardens and of Roman manliness. Since these large-scale gardens are primarily associated with leisure (*otium*), authors are concerned with describing and justifying their activities in these sites as befitting Roman masculine ideals. We can trace a change in attitude towards leisure and the private display of wealth and consequently gardens largely attributed to changes in the socio-political circumstances of the Roman elite in the works of Statius and his contemporary Pliny the Younger, who use laudatory descriptions of extensive villas and grounds as a means of expressing social and literary power. *Arion*, 1998 **Jeux de voix** Florence Bertholet, 2009 Pourquoi et comment un auteur fait-il entendre sa voix dans son oeuvre ou s'y met-il en scène?

Quelles sont ces voix qui disent je et qui discourent face un tu Refl tent elles la personnalit de l auteur et son individualit ou s
 inscrivent elles en cho dans une tradition litt raire Qui sont les destinataires et les interlocuteurs de ces dialogues de papier
 Quelle est l influence du contexte dans cette construction litt raire Telles sont parmi d autres les questions soulev es dans ce
 volume qui rassemble les actes d un colloque international organis l Universit de Lausanne en mai 2006 Centr es sur les
 questions de la communication du discours et de sa r ception dix huit tudes examinent des textes grecs et latins appartenant
 des genres vari s et issus d poques diff rentes pour confronter les concepts de litt rarit et d esth tique avec ceux d historicit
 et de sinc rit et pour affronter finalement la question de l intentionnalit *Bibliographic Guide to Womens Studies 1998*
 New York Public Library Staff,1999-08 *International Bibliography of Book Reviews of Scholarly Literature Chiefly in the*
