Orique, 2021-04-12 The Unheard Voice of Law in Bartolomé de las Casas's Brevísima relación de la destrucción de las Indias reinterprets Las Casas's controversial treatise as a legal document whose legal character is linked to civil and ecclesial genres of the Early Modern and late Renaissance juridical tradition Bartolomé de las Casas proclaimed I have labored to inquire about study and discern the law I have plumbed the depths and have reached the headwaters The Unheard Voice also plumbs the depths of Las Casas's voice of law in his widely read and highly controversial Brevísima relación a legal document published and debated since the 16th century This original reinterpretation of his Very Brief Account uncovers the juridical approach voiced in his defense of the Indigenous peoples of the Americas The Unheard Voice innovatively asserts that the Brevísima relación's legal character is intimately linked to civil and ecclesial genres of the late Renaissance juridical tradition This paradigm shifting book contextualizes the formation of Las Casas's juridical voice in canon law and theology initially as a secular cleric subsequently as a Dominican friar and finally as a diocesan bishop and demonstrates how his experienced juridical voice fought for justice in trans Atlantic debates about Indigenous peoples level of humanity religious freedom enslavement and conquest Reaching the headwaters of Las Casas's hitherto unheard juridical voice of law in the Brevísima relación provides readers with a previously unheard interpretation an appealing voice for readers and students of this powerful Early Modern text that still resonates today The Unheard Voice of Law is a valuable companion text for many in the disciplines of literature history theology law and philosophy who read Bartolomé de las Casas's Very Brief Account and study his life labor and legacy

Kodiak Kreol Gwenn A. Miller, 2015-11-25 From the 1780s to the 1820s Kodiak Island the first capital of Imperial Russia's only overseas colony was inhabited by indigenous Alutiiq people and colonized by Russians Together they established an ethnically mixed kreol community Against the backdrop of the fur trade the missionary work of the Russian Orthodox Church and competition among Pacific colonial powers Gwenn A Miller brings to light the social political and economic patterns of life in the settlement making clear that Russia's modest colonial effort off the Alaskan coast fully depended on the assistance of Alutiiq people In this context Miller argues the relationships that developed between Alutiiq women and Russian men were critical keys to the initial success of

Russia's North Pacific venture Although Russia's Alaskan enterprise began some two centuries after other European powers Spain England Holland and France started to colonize North America many aspects of the contacts between Russians and Alutiiq people mirror earlier colonial episodes adaptation to alien environments the discovery and exploitation of natural resources complicated relations between indigenous peoples and colonizing Europeans attempts by an imperial state to moderate those relations and a web of Christianizing practices Russia's Pacific colony however was founded on the cusp of modernity at the intersection of earlier New World forms of colonization and the bureaucratic age of high empire Miller's attention to the coexisting intimacy and violence of human connections on Kodiak offers new insights into the nature of colonialism in a little known American outpost of European imperial power
