Grunenwald,2019-07-02 A fascinating look into a world many of us never see and a powerful story about one woman's journey to find her own strength with a clear message of the importance of books and information for all Booklist American Library Association starred review Shortlisted for the 2020 Social Justice Advocacy Book Award by In the Margins Book Awards In December 2008 twentysomething Jill Grunenwald graduated with her master's degree in library science ready to start living her dream of becoming a librarian But the economy had a different idea As the Great Recession reared its ugly head jobs were scarce After some searching however Jill was lucky enough to snag one of the few librarian gigs left in her home state of Ohio The catch The job was behind bars as the prison librarian at a men's minimum security prison Talk about baptism by fire As an untested twentysomething woman to say that the job was out of Jill's comfort zone was an understatement She was forced to adapt on the spot speedily learning to take the metal detectors hulking security guards and colorful inmates in stride Over the course of a little less than two years Jill came to see past the bleak surroundings and the orange jumpsuits and recognize the humanity of the men stuck behind bars They were just like every other library patron persons who simply wanted to read to be educated and entertained through the written word By helping these inmates Jill simultaneously began to recognize the humanity in everyone and to discover inner strength that she never knew she had At turns poignant and hilarious Reading behind Bars is a perfect read for fans of Orange Is the New Black and Shakespeare Saved My Life Great Books David Denby,2013-06-18 NATIONAL BESTSELLER A lively adventure of the mind The tone of the prose is one of unqualified enthusiasm energy vigor intellectual curiosity and what might be called an ecstasy of imaginative journalism The New York Times Book Review At the age of forty eight writer and film critic David Denby returned to Columbia University and re-enrolled in two core courses in Western civilization to confront the literary and philosophical masterpieces the great books that are now at the heart of the culture wars In Great Books he leads us on a glorious tour a rediscovery and celebration of such authors as Homer and Boccaccio Locke and Nietzsche Conrad and Woolf The resulting personal odyssey is an engaging blend of self discovery cultural commentary reporting criticism and autobiography an inspiration for anyone in love with the written word **Reading Is My Window** Megan Sweeney,2010-02-15 Drawing on extensive interviews with ninety four women prisoners Megan Sweeney examines how incarcerated women use available reading materials to come to terms with their pasts negotiate their present experiences and reach toward different futures Foregrounding the voices of African American women Sweeney analyzes how prisoners read three popular genres narratives of victimization urban crime fiction and self help books She outlines the history of reading and education in U S prisons highlighting how the increasing dehumanization of prisoners has resulted in diminished prison libraries and restricted opportunities for reading Although penal officials have sometimes endorsed reading as a means to control prisoners Sweeney illuminates the resourceful ways in which prisoners educate and empower themselves through reading Given the scarcity of counseling and education in prisons women use books to make meaning from their
