Ready Go The Little Hairdresser:

You'll Never Make a Hairdresser Russell Paul Hughes, 2011-06-01 Description You ll never make a hairdresser is an autobiography detailing the life of a young boy living on a deprived housing estate in Manchester and tracing his progression to the present day and the realisation of his dreams The novel includes many humorous experiences the loss of his virginity to a wheelchair bound client mobile hairdressing within the housing estate representing the culture and lifestyle of all involved down to the very poignant moments on the loss of a dearly loved sister to cancer at the age of just 37 The novel also explores the innermost thoughts and feeling of the author not only his depression which resulted from the onset of epilepsy at the age of thirty but also on a deeply personal level when he realised that as a heterosexual husband and father he was living a lie Following these revelations he embarks on a journey of discovery which finally leads him to the confident and fulfilled gay businessman he is today About the Author Russell was born in 1966 and raised in Wythenshawe South Manchester Russell s hairdressing career began in the early 1980 s but his dream of becoming a hairdresser began much earlier when he first visited a salon in Manchester at the age of 13 Never losing sight of his dream Russell broke away from the tradition of locally based factory work and began a journey of training and apprenticeships in salons throughout Manchester By 21 Russell had opened his own salon The Crop Shop in Hale Cheshire and was finally realising the dream he had held onto throughout his youth Russell moved to North Wales with his wife and children but continued to base his work in the vibrant city of Manchester where the hair industry and business opportunities were rapidly developing and where he was able to maintain close family connections with his older siblings In 1997 Russell was struck by tragedy when his dear sister Allyson died His loss of the person he describes as a mother figure left him so bereft that his life spiralled into turmoil As severe depression and epilepsy took hold of him Russell spent long periods of time hospitalised whilst everything which he had built in ruins The illness he experienced would be life changing and lead to him losing everything that his life was built on the last foundation being his marriage when Russell confronted his sexuality and openly admitted that as a heterosexual husband and father he was living a lie A long and lonely period of recovery followed during which Russell struggled to not only build his own emotional and physical strength but to find a way back into the hairdressing industry and to re establish himself as a successful business man Russell remained based in North Wales throughout this difficult time undertaking a number of jobs in order to become self sufficient again The salons and customers which have shaped Russell s hairdressing career span a period of almost 30 years and form the backdrop to his book in which customer encounters are intertwined with the personal hurdles Russell overcome with bereavement sexuality depression epilepsy and dyslexia but throughout these challenging times Russell kept hold of his dream and his humour and with the ability to reminisce in such a poised yet entertaining way has enabled the creation of his first novel You ll Never Make A Hairdresser Russell now runs his own salon Russell Paul Hairdressing based in Prestatyn North Wales where he lives with his civil partner Jonathan **Beauty Queen** Anvita

myself recalling significant events from my own adolescent years that I believed I had blocked or forgotten about At times it felt like there was nowhere to hide the words I was reading were so confronting it felt as though they were written just for me Taking this journey with the author allowed me to deal with what was coming up for me personally and move past those feelings to a place that felt good for me With every page that I read I couldnt believe how I was not only totally enthralled in the authors personal life story but that I was actually also uncovering so much about who I am as a person at my very core It allowed me to discover the parts of myself that I didnt like or accept yet and also how to recognise this in my day to day life I have now learned to accurately identify my feelings in each moment of my day and with some conscious effort also remember to be much more kind and loving towards myself I thank the writer of this book for allowing me a glimpse into her own life through courageously sharing and exposing her soul What I have gained from reading it is without a doubt the best gift anyone could ever give
