Ready All Row:

Ready All, Row! Karl F. Drlica, 1956 *Crew* Mary Beth Roberts, 2007 The introduction of women's rowing as an NCAA sport is only one of many factors that helped crew shed its elitist Ivy League image and made it the fast growing activity that it is today Now Sports Illustrated veteran photographer Ronald C Modra and his wife journalist M B Roberts have filled the need for an authoritative guide for all participants from high school and college athletes and their parents coaches and trainers to adults eager to try rowing for the first time Along with background on the sport's history going back to ancient times here's complete instruction on everything from getting into the shell safely without shoving your foot through the bottom to efficient rowing form and competitive racing strategy *Men of Kent* Rick Rinehart, 2010-09-14 Men of Kent is first and foremost an archetypal sports tale a story of the improbable happening to the unlikely unfolding against the backdrop of a turbulent era Both an homage and a unique inside look at the fast growing sport of rowing it embraces the sport's history traditions and culture as it tells the story of ten ordinary boys and their coach from Kent Connecticut who found themselves in extraordinary circumstances during the spring and summer of 1972 The Kent School's 1972 crew of which the author was a part had a 46-0 winning streak broke three course records and claimed a national championship In its final race at the fabled Henley Royal Regatta in England a race broadcast on television worldwide it barely edged the Canadian National Champions Kent's achievement merited a banner headline in the New York Times sports section and is regarded as one of the most breathtaking finishes in Henley's long history *Pontiac* Jim Schutze, 2024-09-10 In the inner sanctum of an elite 1960's boarding school boys test their boundaries and class when they welcome an outsider One New England boys boarding school a bastion of the WASP aristocracy has been holding out stubbornly against pressure to diversify Grudgingly St Philip's School in New Hampshire opens its doors to its first scholarship student young Woodrow Skaggs from Pontiac Michigan the tough rough edged son of an autoworker Things do not go smoothly the world portrayed in Pontiac may be shockingly inappropriate to the readers of today The attitudes of the St Philip's students toward gender and sex cruelly predict the treatment girls will receive twenty years later when many of these schools become coeducational And yet in their awkward often violent attempts to figure each other out the boys of St Philip's also provide a window to better more tolerant times ahead Told through memories vignettes letters and compelling conversation Pontiac sees journalist and author Jim Schutze bring a keen and empathetic eye to the evolutions of culture in the twentieth century *The Sharp Edge of Silence* Cameron Kelly Rosenblum, 2023-04-11 Students at Lycroft Phelps are marked for success As a straight A student and girlfriend of the school's star rower Charlotte believes in what the school has to offer Meanwhile scholarship student Max is struggling Until he's asked to join the rowing team offering him popularity but at what cost Then there's Quinn a sixth generation legacy student who should be able to lay claim to the school in a way others can't Who instead must watch the boy who assaulted her continue to play at the top of the school's food chain Only in the dead of night does Q realize the

solution to her suffering Colin Pearce must die But Lycroft Phelps has more than one dark secret at its heart and as the three students uncover just how far the school will go to keep those ugly truths hidden there s a lot more than reputation at stake A tense and timely thriller with a revenge plot that ll have you on the edge of your seat Perfect for fans of Kathleen Glasgow Chelsea Pitcher and Louise O Neill **TRIGGER WARNING** this book contains descriptions of sexual violence that some readers may find upsetting **Rowing News** ,2007-05 [We Are the Perfect Girl](#) Ariel Kaplan,2019-05-21 This witty warm hearted retelling of Cyrano de Bergerac is a love letter to female friendship Perfect for Stephanie Perkins fans and anyone who s ever thought of trying on a new identity to impress a guy Aphra Brown is bold and outgoing Her best friend Bethany is achingly beautiful Individually they could both do a little better in the self esteem department but together Together they have what it takes to win over Greg D Agostino a proverbial ten who happens to be fluent in six languages seven if you count the language of smoldering gazes What begins as an honest mistake turns into an elaborate deception wherein Bethany goes on dates with Greg while Aphra coaches her on what to say and texts him in the guise of Bethany trying and failing all the while to tamp down her own hopeless crush It s only a matter of time before things come crashing down The question is What will happen when Greg finds out And can Aphra and Bethany s friendship survive the fallout From the author of We Regret to Inform You comes a witty warm hearted exploration of love in all its forms and a cris de coeur for self acceptance when the pressure to be perfect is overwhelming There is much to appreciate about this book its cleverness its humor that it embraces and normalizes therapy that it places familial love and friendship on a level with romantic love But perhaps best of all it offers teens especially those struggling to accept and love themselves a picture of a girl who makes mistakes and fights to begin again Booklist starred review At once painful and heartfelt a smart and honest look at female beauty with plenty of panache to boot Kirkus starred review *The Rules of Us* Jennifer Nissley,2024-04-30 Come out Break up Stay friends In this heartwarming queer love story about love of all kinds exes navigate new crushes new feelings and a newly uncertain future after unexpectedly coming out to each other on prom night turns their lives and their friendship upside down Can they figure out how to move on without losing each other Jillian and Henry are the kind of couple who do everything together They take the same classes have the same hobbies and applied for the same super competitive scholarship so they can go to the same dream college They even come out as gay to each other on the same night after junior prom prompting a sudden breakup that threatens their intertwined identities and carefully designed future Jillian knows the only way to keep everything on track is to approach their breakup with the same precision and planning as their scholarship application They will still be Jillian and Henry even if they re broken up Except they hadn t planned on Henry meeting the boy of his dreams or Jillian obsessing over a cool girl at school Jillian is desperate to hold on to her best friend when so much else is changing But as she and Henry explore what and who they really want it becomes harder to hold on to the careful definitions she has always lived her life by Stuck somewhere between who she was with Henry and who she might be on her own Jillian has to face what she

can't control and let go of the rules holding her back *Under the Pipal* Frederick Townley Dowding, 1883 **The Inward Morning** Henry Bugbee, 2012-08-15 When first published in 1958 *The Inward Morning* was ahead of its time. Boldly original, it blended East and West, nature and culture, the personal and the universal. The critical establishment confounded, largely ignored the work. Readers, however, embraced Bugbee's lyrical philosophy of wilderness. Throughout the 1960s and 1970s, this philosophical daybook enjoyed the status of an underground classic. With this paperback reissue, *The Inward Morning* will be brought to the attention of a new generation. Henry Bugbee is increasingly recognized as the only truly American existentialist and an original philosopher of wilderness who is an inspiration to a growing number of contemporary philosophers.
