Ready Or Not Here He Comes:

Ready or Not Here He Comes Chad Pritchard, 2022-07-22 Why would I write about this subject when so many have already covered it Because God has charged me to write it You have not read my version with my research There are Christians and nonbelievers that need to hear this message This is one of my ways I hope to reach out to encourage and educate Christians and non Christians alike on the return of Christ Jesus According to research done by Mark Hitchcock close to one third of the Bible is prophetic Mark Hitchcock The End 4 If you are studying or examining anything you don't skip out on almost thirty three percent of the material This is why study of biblical prophetic signs is so important With God focusing this much of His Word on this subject I feel prophecy and its accompanying signs are a must study for Christians So why believe and teach in a literal return of Jesus Christ He promised to return for me and all the rest who truly believe in Him The prophetic accuracy concerning Christ's first visitation to all of us was faultless He is faithful His name is Faithful and True Besides these main points the benefits of being part of God's kingdom now are enormous but there are future benefits that far outweigh our earthly sufferings Those benefits await true believers in Christ when He comes to collect His bride The Church If I do not meet you here on earth I hope to meet you in Heaven *Ready or Not, Here I Come* Lloyd J. Vogan, 2012-12-12 What a difference a day can make Events that happen to us on any given day can change our lives forever What about the day after high school graduation What about the day after you get married The day after your first child is born Your life will never be the same after events such as these But there is another day coming which will come without warning and change the whole world overnight It will be the end of this age You will either be ready for it and survive or not be ready and endure the result Author Lloyd J Vogan's *Ready or Not Here I Come* is about how to survive the future your future Learn the truth about who you really are There is much more to you than what you see in the mirror He teaches you the difference between joy and happiness Discover how to have a peace within you that surpasses all human understanding regardless of the circumstances you may be in at present You are at the crossroads and need to decide which path to follow the broad one that many are on which seems so right or the narrow one that leads to your eternal security Everything is at stake *Ready or Not Here I Come* explains in simple language what you need to know to make the right choice **Ready Or Not, Here Life Comes** Mel Levine, 2006-01-18 A nationally known pediatrician and author addresses the question of why some youngsters make a successful transition into adulthood while others do not Parents and schools often raise children in a highly structured world leaving them unable to cope on their own Dr Levine urges that schools teach life prep equipping adolescents with what they will need to succeed as adults He identifies these skills as the four I's inner direction or self awareness interpretation or understanding the outside world instrumentation or the acquisition of mental tools and interaction or the ability to relate to other people effectively He offers advice for young adults who find themselves unable to navigate the world of careers **Ready Or Not Study Guide** , *Ready or Not Here I Come* Gwendolyn R.
