Reagan Chronicles:

Reagan's Game R. Safley, 2008 Until now you have not been asking the right questions Samuel You shouldn't wonder how I came here You should wonder why Reagan DuSaint and Sam Kent have always had a profitable working relationship Until he shows up in Kent's road Now Sam has to do what Reagan wants or Reagan will do the only thing he knows to do kill anything that stands between him and his quest Follow the young author on a monstrous road trip as Sam Kent races to write Reagan's Redemption Just don't make the mistake of getting in the way There have been scientific theories which propose that human mental function is simply a result of electrical impulse passing from cell to cell generating reaction which triggers perception and thought Some psychologists and psychiatrists say If one cannot see it hear it or touch taste or smell it it does not exist But others in these professions are certain the processes and products of the human mind go far beyond the nervous system to include the unexpected and the unexplainable This first time author presents possibilities reminiscent of Stephen King's early work You are given a look into the mind of a killer You are entertained as you seek to understand it You are kept rapt throughout this delightfully creepy and horrific plot until the end a real kicker Now you have it figured out or do you Dr Tom Michel psychologist ret

Reagan's Mythical America

Jan Hanska,2012-09-24 This book is the first full length study into the Reagan presidency with the tools of narratology It expands the understudied field of research into political narratives as concrete policy tools and provides a new means of understanding the continuing popularity of Reagan as a President **When Character Was King** Peggy Noonan,2002-10-01 No one has ever captured Ronald Reagan like Peggy Noonan In When Character Was King Noonan brings her own reflections on Reagan to bear as well as new stories from Presidents George W Bush and his father George H W Bush his Secret Service men and White House colleagues his wife his daughter Patti Davis and his close friends to reveal the true nature of a man even his opponents now view as a maker of big history Marked by incisive wit and elegant prose When Character Was King will both enlighten and move readers It may well be the last word on Ronald Reagan not only as a leader but as a man REAGAN Curtis Patrick,2013-03-05 These stories revelations some before Reagan ever decided to run for political office They tell the stories of the interaction between Reagan and the unsung heroes some of whom have already passed away Their personal stories vignettes reveal why they dropped everything they were doing worked up to eighteen hours a day to help start the boomlet that launched RR at the dawn of his political career These were high principled individuals with a strong love of country an insatiable work ethic an honest core and an abiding love for trust in Ronald Reagan Ronald Reagan, His Life Story in Pictures Stanley P. Friedman,1986 The President s many admirers will enjoy this photographic study of his life the first full pictorial biography of Ronald Reagan 200 black and white photographs

2016: the Campaign Chronicles JD Foster,2019-10-08 The 2016 campaign ended with Donald J Trump as president elect of the United States astounding just about everyone More than two dozen candidates had vied for the two parties nominations leaving Trump and former Secretary of State Hillary Clinton Her flaws standing in rough proportion to her strengths Clinton had been the presumed Democratic nominee though Bernie Sanders had nearly upended her run In contrast Trump s capturing the Republican nomination seemed preposterous before and after the fact The campaign overall was far more than the result It was a long tumultuous outrageous frolic of American politics The Campaign Chronicles was written contemporaneously with events as they happened so as to capture the sense of each amazing if horrific moment Even weeks after the election the country remained stunned by the outcome which as we learned foretold of a presidency unlike any before it But before the presidency there was a campaign about which many histories will be written But before the histories must come the chronicling history stripped of faded memories and coherent perspective Herewith such a chronicling written from a determinedly neutral posture presenting the good with the bad for all concerned **The Cold War's Last Battlefield** Edward A. Lynch,2011-12-01 Central America was the final place where U S and Soviet proxy forces faced off against one another in armed conflict In The Cold War s Last Battlefield Edward A Lynch blends his own first hand experiences as a member of the Reagan Central America policy team with interviews of policy makers and exhaustive study of primary source materials including once secret government documents in order to recount these largely forgotten events

and how they fit within Reagan's broader foreign policy goals Lynch's compelling narrative reveals a president who was willing to risk both influence and image to aggressively confront Soviet expansion in the region He also demonstrates how the internal debates between competing sides of the Reagan administration were really an argument about the basic thrust of U S foreign policy and that they anticipated to a remarkable degree policy discussions following the September 11 2001 terror attacks

The Sex Ed Chronicles Stuart Nachbar, 2007 In January of 1980 the U S economy is in shambles Ronald Reagan is beginning his quest to become the country's fortieth president and New Jersey is about to become the first state to require sex education in all public schools New Jersey native Greg Mandell a rookie reporter for the Ocean Republic accepts an assignment to cover the Parent's Alliance for Schools and Teachers PAST and the state's public hearings on sex education Formed to stop sex education PAST has influenced the election of three hundred like minded candidates to school boards across the Garden State While on assignment Mandell falls for Andi Gilardi a popular history teacher up for tenure at Mandell's alma mater Averdell High School PAST has accused Gilardi of manipulating her students to fight for sex education and has labeled her a morally unacceptable teacher who must be denied tenure Mandell's respect and affection for Gilardi forces him to make a choice between his professional objectivity and his personal integrity Based on true events *The Sex Ed Chronicles* recounts a journalist's brave efforts to stand up for his beliefs in the emotionally charged arena of sex education in public schools

The Reagan Chronicles Dwane Powell, 1987 Cartoons satirize the domestic and foreign policies of the Reagan administration in the 1980s

The POTUS Chronicles Robert Haught, 2008-03 *The POTUS Chronicles* is a merry romp through some of the most eventful times in the nation's political history It's a sometimes bumpy roller coaster ride prudently recreating with George H W Bush wondering what's next for Bubba Bill Clinton and his co president wife and misunderestimating George Dubya Bush Like pages from a reporter's notebook satirical glimpses of three administrations are captured with the freshness of today's headlines Besides presenting a breezy account of war and peace and partying at the dawn of a new century the pages of *The POTUS Chronicles* contain answers to many questions that trouble the minds of conscientious citizens such as Which president had to prove his identity to a skeptical third grader What advice did the Bush dog Millie give the Clinton cat Socks Whose presidential inauguration involved an official road kill patrol Who is the former first lady who revealed she has conversations with Eleanor Roosevelt How did the White House staff react when a president choked on a pretzel What happened to Dick Cheney after a Republican senator switched parties Relive a memorable era in the nation's capital as seen through the lens of a seasoned Washington observer tongues in cheek

Chronicles of Oklahoma, 1928

Reagan's Victory Andrew Busch, 2005 Many have pointed to the Iran hostage crisis others to galloping inflation In reality as Andrew Busch makes clear Ronald Reagan's defeat of President Jimmy Carter in 1980 was attributable to more than any one issue no matter how galvanizing It marked the growing ascendancy of conservative attitudes that had been brewing for two decades and marked the clear end of the era of New Deal liberalism Busch offers the first comprehensive

study of this contest going beyond journalistic accounts to show why it remains one of the truly landmark elections of the past century Through a compelling story full of colorful characters unexpected plot twists and dramatic finales he reveals how it both reflected the politics of its time and foreshadowed our nation s political future Beginning with Carter s crisis of confidence speech on July 15 1979 Busch introduces the field of candidates follows their campaigns through the primaries and general election identifies the key turning points and winning strategies and assesses the results including the GOP s first Senate majority in twenty six years He shows how the Democrats were weakened by the demise of the New Deal coalition and a decline in public confidence while Republicans were bolstered by the growth of the conservative movement and by all that had gone wrong during the Carter presidency He also examines the creation of a Sunbelt coalition the growing influence of religious conservatives and the independent candidacy of John Anderson which held Reagan s majority to 51 percent and foreshadowed Ross Perot s 1992 run Reagan s victory marked a major turning point in American presidential history realigned the demographics of party affiliation throughout the nation especially in the nation s Sunbelt and gave conservatives their first real victory in their fight against Big Government Busch s book recaptures the people and events of that historic campaign and greatly enlarges our understanding of American politics from the 1960s to the present
