

The background of the entire image is a soft-focus photograph of a field of poppies. In the foreground, several red poppies with yellow centers are in bloom, their petals slightly curled. The background is filled with more poppies, some in bloom and some as buds, along with green foliage and stems. The overall color palette is dominated by the reds and yellows of the flowers, with a hint of green from the leaves and a blurred blue-grey sky in the distance.

Real Gardening
