Wealth, the Name and Number of the Beast, 666, in the Book of Revelation Wealth,John Taylor,1844

[The Mark of the Beast](#) Godfrey Godfrey,2015-06-03 The Scriptures is full of codes which have been placed for human identification and gain The problem often is that man does not always have the resources to unlock these codes While acquisition of the keys to these codes is within human grasp most men have not disposed themselves to seeking the truth of the Lord God and getting the corresponding benefit that is promised man Much of the time

we read the genealogies of Bible characters with the lethargy of reading a very uninteresting subject Much of the time we glance past many of these convinced there is nothing relevant in them for the modern man However there is a lot to learn and to uncover in the Bible Some of the greatest secrets and the most sought after secrets are actually cached in the supposed boring genealogies The Scriptures is replete with numbers Often these numbers have overwhelming value and significance One number that has continued to hold a mysterious grip on many and defy explication is the number 666 There can be no doubt that numbers in the Scriptures need to be studied Numbers are signs A survey of signs of the Lord easily reveal that most signs of the Lord God are revealed to the beneficiaries being almost always the people that the signs are meant for Thus studying a number or group of numbers should not be limited to scholastic approach There is a need to incline or dispose oneself to the Lord for the necessary revelation Anything short of this may lead to conjecture and wrong assumptions which may not stand rigorous empiricism The one Book of the Scriptures that holds information relating to the mark of the Beast is the Book of Revelation The interesting thing about the Book of Revelation as it concerns this number is that it was never supposed to defy interpretation It is the wisdom of the Lord God that this code be used and it is also the understanding that the Lord God Himself gives that can break this code of a number Rev 13 18 Here is wisdom Let him that hath understanding count the number of the beast for it is the number of a man and his number is Six hundred threescore and six We can see from verse 18 just above that 666 is the number of a man This is a bit ambiguous Most persons have misinterpreted it to be the number of a mans identification card or credit card When the Scriptures talks of a man in this case it is generalizing meaning generic man and not a specific person Thus we can see that the beast is actually human In actuality the beast is both spirit and man It is the product of a fusion of a spirit and a human female The product is conspicuously a man but latently a spirit It is man that has degenerated to a sub human level The beast does not have the number of a beast or the attributes of a beast but that of a man This is because the beast is actually human It is redolent of the analogy of defining the Devil as a Serpent Thus instead of saying Devil the Scripture also uses Serpent while we are actually dealing with a being that is not a snake He is supposed to have been one of the best in Heaven Serpent is only used in analogy In the same vein beast is only a satirical application to a man who has refused to identify with the Lord God The Devil himself was the first beast the beast of Eden He came to the first people like a beast that is a serpent That is why he is known as the Serpent The anti Christ being one with the devil comes in the image and spirit of his father the Devil That is why he is equally known and addressed as the Beast The mark of the Beast is not placed on animals but on man It is a sign which incorporates the numbers of the Living God and the number of the Devil It is an unholy alliance which is detested by the Lord God and cursed Read this book and understand without the least ambiguity what the Mark of the Beast is really all about You shall have your money refunded you if you have a better explanation to this and can prove it **Decoding 666**

Numerical Bible Code and Other Revelations Lawrence D. Shawbrooks, 2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is

now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight *The Legend of the Anti-Christ* Stephen J. Vicchio,2009-07-01 In *The Legend of the Anti Christ* Stephen Vicchio offers a concise and historical approach to the history of the idea of the Anti Christ including precursors to the idea the development of the idea in the New Testament as well as the understandings of the legend of the Anti Christ in the history of Christianity Vicchio also raises the question of why there is so much emphasis in the modern world about the idea **Counting Sheep** Vincent Sodano,2007 Finally a book which presents a Biblical solution to the riddle of 666 without overlooking the intended spiritual lesson inherent in the understanding Christian

Christ, Herod and the 666 George Devney,2020-03-05 The revelation written is hard to understand It is 4 symbols I explain what all of these symbols stand for and mean and the events that took place happened 2 3 thousand years ago All past history my book tells the truth about the book of revelation What the ministers and priests preach about on a Sunday morning try to tell people that these things have not happened yet and that they are going to take place in the future and it is all hog wash and not true The priests are trying to tell people that these things are going to happen in the future and it is a lie The book of revelation they don t understand or they do know and are trying to hide it an tell people it is a future event coming trying to scare people and make them dig in their pockets and put money in the collection box The people are fooled or told by these individuals that these things are going to happen The reality is these things actually happened in the past and it is past history **Out of the Abyss** Gary Bowers,2011-02-14 The Apostle Paul branded him the man of lawlessness The Prophet Daniel marked him as a little horn and a king John the author of Revelation stamped him as a scarlet beast The Apostle John labeled him Antichrist Many left behind after the Rapture will be amazed and terrified at his mysterious yet miraculous reappearance Who is this troublesome figure that will pervert all that is good and decent and right Is it possible to solve the number of the Antichrist before he appears Does the Bible promote or even permit identification of this man of sin who will personify and epitomize the Mystery of Iniquity Both believers and non believers have been perplexed and intrigued with these questions for centuries This book will propel you on an unforgettable voyage to the ancient Roman world to the very origin and lair of the beast to the 1st century Church to the Abyss and back again to the preemptive death and

eternal destruction of Antichrist to the mesmerizing visions of John Daniel and Zechariah and to high level heavenly counsels Out of the Abyss will expose and declassify that which has been concealed and classified To wit the secret of the beast presumed to be confidential until the body of Christ is taken from this earth You may not agree with where the journey takes you i e with the conclusions reached But with all his heart and utmost conviction the author believes you will enjoy the trip He proposes that at the very least you will be fascinated with the relevance and application of Scripture to some of the most astounding events in human history both past and future You will take part in and be enthralled with a partial refitting of the prophetic puzzle

Revelation's Essential Truths Donald Werner, 2017-10-03 The Book of Revelation is the final book of the New Testament after the rest of the New Testament was written God saw the need for one last book and it is also the last book given by God to give us His final advice instructions encouragements and warnings The Book of the Revelation also contains many apocalyptic visions including the plagues seals bowls etc In this book I will not try to interpret all of the apocalyptic visions because the Book of Revelation has much greater truths that we need to learn first such as Who and what is Babylon How do we get out of Babylon Who are the redeemed and how can we be among them How does a person receive the Seal of God What is the Seal of God How does a person avoid the Mark of the Beast What qualifies a person to enter the New Jerusalem We need to know all of this and more as Judgment Day is fast approaching And what I found in God's last book will take most Christians out of their comfort zones and out of Babylon What I have to share in this book is far more important than endless speculation on the nature timing and sequence of the apocalyptic events with endless speculations as to who is the beast or the false prophets I'm sure that you will be informed warned instructed encouraged and blessed by this book just as I was in writing it

Understanding End Times Prophecy Paul Benware, 2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I'm premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture
