Revolution Lobby:

The Revolution Lobby Allan C. Brownfeld, 1985 **Lobbying and Political Activities of Tax-exempt Organizations** United States. Congress. House. Committee on Ways and Means. Subcommittee on Oversight, 1987 **The Wrecking Crew** Thomas Frank, 2024-05-01 The New York Times bestselling author of *What's the Matter with Kansas* shares a no-holds-barred exegesis on the naked cynicism of conservatism Kirkus Reviews starred review In his previous book Thomas Frank explained why working America votes for politicians who reserve their favors for the rich Now in *The Wrecking Crew* Frank examines the blundering and corrupt federal government those politicians have given us Casting his eyes from the Bush administration's final months of plunder to the earliest days of the Republican revolution Frank describes the rise of a ruling coalition dedicated to dismantling government While deregulating some industries and defunding others they always turn public policy into a private sector bidding war It is no coincidence Frank argues that the same politicians who guffaw at the idea of effective government have installed a regime in which incompetence is the rule Stamped with Thomas Frank's audacity analytic brilliance and wit *The Wrecking Crew* is his most revelatory work yet and his most important **Managing the Counterrevolution** Stephen M. Streeter, 2000 The Eisenhower administration's intervention in Guatemala is one of the most closely studied covert operations in the history of the Cold War Yet we know far more about the 1954 coup itself than its aftermath This book uses the concept of counterrevolution to trace the Eisenhower administration's efforts to restore U.S. hegemony in a nation whose reform governments had antagonized U.S. economic interests and the local elite Comparing the Guatemalan case to U.S. sponsored counterrevolutions in Iran the Dominican Republic Brazil and Chile reveals that Washington's efforts to roll back communism in Latin America and elsewhere during the Cold War represented in reality a short-term strategy to protect core American interests from the rising tide of Third World nationalism **Lobbying for Zionism on Both Sides of the Atlantic** Ilan Pappé, 2024-06-11 In 1896 a Jewish state was a pipe dream Today the overwhelming majority of Jews identify as Zionists How did this happen Ilan Pappé unveils how over a century of aggressive lobbying changed the map of the Middle East Pro-Israel lobbies convinced British and American policymakers to condone Israel's flagrant breaches of international law grant Israel unprecedented military aid and deny Palestinians rights Anyone who questioned unconditional support for Israel even in the mildest terms became the target of relentless smear campaigns Lobbying for Zionism on Both Sides of the Atlantic shows us how an unassailable consensus was built and how it might be dismantled **The Political Economy of Lobbying** Karsten Mause, Andreas Polk, 2024-01-09 Lobbying is not only the subject of ongoing heated debates in politics and the public sphere but has also been a focus of the social sciences for decades This edited volume provides an overview of the current state of research on lobbying from the perspective of Public Choice as a subfield of political science and economics After a brief introduction to the field Part I provides an overview of basic concepts and political economic theories of lobbying from the standpoints of various subfields of Public Choice

Subsequently Part II investigates the various channels used by interest groups to influence policymakers such as party donations informational lobbying hiring politicians etc These chapters also discuss the possibilities and limits of regulating the respective channels Lastly Part III sheds light on lobbying in selected regions i e the United States European Union Russia and China Congressional Record United States. Congress,1987 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **My Country** Kassem Eid,2018-05-14 _____ Powerful A humbling and important first hand account of a brutal civil war in which as many as 500 000 people have died Guardian A memoir of resistance and survival unique in the annals of modern war If the shedding of blood can be beautiful in words he makes it so Wall Street Journal A valuable perspective absent from much of what has already been written on Syria An epic view of what Syria was and has become Arab Weekly _____ Born to Palestinian refugees Kassem Eid grew up in the small town of Moadamiya on the outskirts of the ancient city of Damascus playing in streets perfumed with jasmine But it didn t take long for Kassem to realise that he was treated differently at school because of his family s resistance to the brutal government regime When Bashar al Assad succeeded his father in 2000 hopes that things might change for the better were swiftly crushed When the 2011 Arab Spring protests in Syria were met with extreme violence it was yet another blow and as Kassem reached young adulthood the country spiralled into civil war Then on 21 August 2013 Kassem nearly died in a sarin gas attack that killed hundreds of civilians Later that day he would pick up a gun for the first time to join the Free Syrian Army as they fought government forces For Kassem this marked the moment that he and his country changed forever even as the rest of the world turned its face away _____ A remarkably unified picture of the realities of life since 1970 in the Syria of the Assads shows unambiguously precisely what the Assad government seeks to conceal Times Literary Supplement A touching tale this humanises the story of war when often all we want to do is look away Metro The best new books by BME authors you ll be reading this year Eid s story is one of hope giving way to fear and finally betrayal a narrative of one of this century s darkest episodes a necessary perspective made more prescient because it is personal The National Gripping hauntingly raw and a testament to his resilience The Intercept Powerful Tightly focused A first person eyewitness account written with alternating love and fury Prospect *Handbook on Lobbying and Public Policy* David Coen,Alexander Katsaitis,2024-08-06 This uniquely comprehensive Handbook examines the complex relationship between lobbyists and public policy through an innovative multi analytic lens Emphasising the profound impact of the topic on modern government and contemporary societal issues David Coen and Alexander Katsaitis bring together a wide range of experts to illuminate the contexts and processes involved in public policy and how this interacts with the practice of lobbying *Cyclopaedia of*
