

Ritual Murder

Henry Scammell

Ritual Murder:

The Myth of Ritual Murder R. Po-chia Hsia, 1988-01-01 From the mid fifteenth century to the early seventeenth German Jews were persecuted and tried for the alleged ritual murders of Christian children whose blood purportedly played a crucial part in Jewish magical rites In this engrossing book R Po Chia Hsia traces the rise and decline of ritual murder trials during that period Using sources ranging from Christian and Kabbalistic treatises to judicial records and popular pamphlets Hsia examines the religious sources of the idea of child sacrifice and blood symbolism and reconstructs the political context of ritual murder trials against the Jews This volume combines clarity of thinking elegance of style and exemplary scholarly attention to detail with intellectual sobriety and human compassion Jerome Friedman Sixteenth Century Journal Hsia has succeeded in turning established knowledge to illuminatingly new purposes G R Elton New York Review of Books This meticulously researched and unusually perceptive book is social and intellectual history at its best Library Journal A fresh perspective on an old problem by a major new talent Steven Ozment Harvard University R Po chia Hsia professor of history at the University of Massachusetts Amherst is also the author of *Society and Religion in Münster 1535-1618* [A Memorandum on Ritual Murders](#) V.I. Dal, JRBooksOnline, 2016 **Ritual Murder in Russia, Eastern Europe, and Beyond** Eugene M. Avrutin, Jonathan Dekel-Chen, Robert Weinberg, 2017-07-12 A collection of essays exploring the history of an antisemitic accusation that haunted Jewish people in Europe and Russia and how it spread This innovative reassessment of ritual murder accusations brings together scholars working in history folklore ethnography and literature Favoring dynamic explanations of the mechanisms evolution popular appeal and responses to the blood libel the essays rigorously engage with the larger social and cultural worlds that made these phenomena possible In doing so the book helps to explain why blood libel accusations continued to spread in Europe even after modernization seemingly made them obsolete Drawing on untapped and unconventional historical sources the collection explores a range of intriguing topics popular belief and scientific knowledge the connections between antisemitism prejudice and violence the rule of law versus the power of rumors the politics of memory and humanitarian intervention on a global scale This important contribution to our understanding of the evolution of ritual murder charges in Eastern Europe brings together a number of innovative studies on the topic several of which could become standard reading on the subject Glenn Dynner Sarah Lawrence College While the topic was not exactly novel to me I enjoyed reading this book and I was constantly learning from the significant new information and fresh insights from the authors analyses Shaul Stampfer Hebrew University **Ritual Murder** Susanna Buttaroni, 2003 **Jewish Ritual Murder Ñ A Historical Investigation** JRBooksOnline, Hellmut Schramm, 2017 *The Murder of Andrei Yushchinsky* G.G. Zamyslovsky, JRBooksOnline, 2016 [Investigating Religious Terrorism and Ritualistic Crimes](#) Dawn Perlmutter, 2003-12-15 The legalities of particular religious practices depend on many factors such as the type of occult or religious activity the current laws and the intention of the individual practitioner Written by the director of the Institute for

the Research of Organized and Ritual Violence Investigating Religious Terrorism and Ritualistic Crimes is the first **Mortal Remains** Henry Scammell, 1991 *Speaking of Satan in Zambia* Johanneke Kroesbergen-Kamps, 2023-03-01 In this book it is argued that narratives about Satanism which have become popular in the Christian context of Zambia from the 1990s onwards make cultural sense because of their links to traditional African notions as well as contemporary Christian theologies These narratives also resonate with unease regarding the cultural change which is connected by Zambians to modernity Narratives about Satanism further make personal sense to their narrators the pastors who provide a platform for them and their audiences These arguments contribute to the academic study of religion in Africa in particular of African Christianity and of witchcraft related phenomena as well as to the global study of discourses on Satanism and other conspiracy theories All of these disciplines are related to the topic of Satanism in Zambia but the phenomenon itself has not been discussed at length which makes the existing academic literature incomplete and inadequate The comprehensive focus on the case of narratives about Satanism in Zambia offers new insights and enhances current theoretical reflection The research presented in this book is original carried out during fieldwork spanning from 2012 to 2017 in Zambia and literature study in the years after that Methodologically the research is based on participant observation in churches in which testimonies of ex Satanists were presented as well as participation in the Fingers of Thomas a Roman Catholic group which investigates rumours about Satanism Furthermore it is based on interviews with pastors and students of theology active in the deliverance ministry from Pentecostal as well as mainline churches and also on interviews with people who have had experiences of Satanism Finally the research is based on an analysis of collected testimonies of ex Satanists as they were presented in these interviews in churches on radio programmes in newspapers and in other sources **Folktales of the Jews, Volume 1** Dov Noy, Dan Ben-Amos, Ellen Frankel, 2006-09-03 Tales from the Sephardic Dispersion begins the most important collection of Jewish folktales ever published It is the first volume in Folktales of the Jews the five volume series to be released over the next several years in the tradition of Louis Ginzberg's classic Legends of the Jews The 71 tales here and the others in this series have been selected from the Israel Folktale Archives Named in Honor of Dov Noy The University of Haifa IFA a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale's cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the Sephardic culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the

IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This volume and the others to come will be monuments to a rich but vanishing oral tradition

Holy Hatred R. Michael, 2006-10-02 Although Christianity's precise influence on the Holocaust cannot be determined and the Christian churches did not themselves perpetrate the Final Solution Michael argues that two millennia of Christian ideas and prejudices and their impact on Christians behaviour appear to be the major basis of antisemitism and its apex the Holocaust

Symbolism in Terrorism Jonathan Matusitz, 2014-09-16 The symbolic value of targets is what differentiates terrorism from other forms of extreme violence Terrorism is designed to inflict deep psychological wounds on an enemy rather than demolish its material ability to fight The September 11 2001 attacks for example demonstrated the power of symbolism The World Trade Center was targeted by Al Qaeda because the Twin Towers epitomized Western civilization U S imperialism financial success modernity and freedom The symbolic character of terrorism is the focus of this textbook A comprehensive analysis it incorporates descriptions definitions case studies and theories Each chapter focuses on a specific dimension of symbolism in terrorism and explains the contexts and processes that involve the main actors as well as the symbolism of both the purposes and targets of terrorism Also discussed are new religious movements which represent another important aspect of terrorism such as Aum Shinrikyo the Japanese cult that used sarin gas in the Tokyo subway in 1995 Over forty areas of symbolism are covered throughout the chapters including physical and non physical symbolism linguistic symbolism the social construction of reality rituals myths performative violence iconoclasm brand management logos semiotics new media and the global village This allows for an in depth examination of many issues such as anti globalization honor killing religious terrorism suicide terrorism martyrdom weapons female terrorism public communication visual motifs and cyberspace Main concepts are clearly defined and followed by theory illustrated by international case studies Chapter summaries key points review questions research and practice suggestions are recurring components as well This groundbreaking text encompasses all major aspects of symbolism in terrorism and will be an essential resource for anyone studying terrorism

Were the Popes Against the Jews? Justus George Lawler, 2012-01-31 How many people know that a modern pope publicly referred to Jews as dogs that two other modern popes called the Jewish religion Satan's synagogue that at the beginning of the twentieth century another pope refused to save the life of a Jew accused of ritual murder even though the pope knew the man was innocent Lastly how many people know that only a decade before the rise of Hitler another pope supported priests who called for the extermination of all the Jews in the world The answer has to be great numbers of people since those accusations appeared in David I Kertzer's *The Popes Against the Jews* 2001 a book which had been lauded in major journals and newspapers in the U S and the U K and which by 2006 had been translated into

nine foreign languages while Kertzer himself according to his Website had become America's foremost expert on the modern history of the Vatican's relations with the Jews. It is thus undeniable that very many people in very many countries have heard of the appalling misdeeds and misstatements mentioned above even though in fact not one of them was ever perpetrated by any pope. But *Were the Popes Against the Jews* is not only about the disclosure of these shocking slanders; however fascinating and important such an exposé is. In the broader perspective it is about the power of ideology to subvert historical judgments whether the latter concern the origins of anti-Semitism and the papacy, the distortion of documents to indict Pius XII or the fabrication of Pius XI as codependent collaborator with Mussolini, the announced subject of Kertzer's next book. Justus George Lawler's confrontation with ideologues will gratify all who are seeking not triumph over opponents but peace and justice for all.

Martyrdom, Murder, and Magic Patricia Healy Wasyliv, 2008. *Martyrdom, Murder, and Magic: Child Saints and Their Cults in Medieval Europe* is a comprehensive history of child saints and their cults from late Antiquity to the end of the fifteenth century. The child martyrs of the persecutions, including the Holy Innocents, were the first child saints recognized by the Church, and their cults spread throughout Europe in the early Middle Ages. Alongside these cults, medieval society also venerated child martyrs, victims of political or domestic violence. The increasing role of the papacy in the canonization process after the tenth century resulted in the veneration of saintly child confessors in the high Middle Ages, but from the end of the twelfth century, most children worshipped as saints were the alleged victims of ritual murder by Jews. This book considers the formation and transformation of child saints and their cults in the context of popular belief and the history of childhood.

Sacrifice and Atonement Stephen Finlan, 2016-06-03. Beneath the commonplace affirmation that Jesus paid for our sins, the depths of implication did God demand a blood sacrifice to assuage divine anger. Is sacrifice consciously or unconsciously intended to induce the deity to show favor? What underlies the various metaphors for atonement used in the Bible? Here Stephen Finlan surveys psychological theories that help us to understand beliefs about sacrifice and atonement and what they may reveal about patterns of injury, guilt, shame, and appeasement. Early chapters examine the language in both testaments of purity and the scapegoat and of payment, obligation, reciprocity, and redemption. Later chapters review theories of the origins of atonement, thinking in fear and traumatic childhood experience, in ambivalent or avoidant attachment to the parents, and in poisonous pedagogy. The theories of Sándor Rado, Mary Ainsworth, Erik Erikson, and Alice Miller are examined; then Finlan draws conclusions about the moral responsibility of appropriating or rejecting atonement metaphors. His arguments bear careful consideration by all who live with these metaphors and their effects today.

Key Concepts in the Study of Antisemitism Sol Goldberg, Scott Ury, Kalman Weiser, 2020-12-02. This volume is designed to assist university faculty and students studying and teaching about antisemitism, racism, and other forms of prejudice. In contrast with similar volumes, it is organized around specific concepts instead of chronology or geography. It promotes conversation about antisemitism across disciplinary, geographic, and thematic lines rather than privileging a single methodological paradigm. a

specific academic field or an overarching narrative Its twenty one chapters by leading scholars in diverse fields address the relationship to antisemitism of concepts ranging from Anti Judaism to Zionism Each chapter not only traces the history and major scholarly debates around a key concept it also presents an original argument points to avenues for further research and exemplifies a method of investigation Witchcraft Marion Gibson,2024-01-16 National Bestseller A New Yorker Best Book of 2024 A thought provoking and timely The Times London global history of witch trials across Europe Africa and the Americas told through thirteen distinct trials that illuminate a pattern of demonization and conspiratorial thinking that has profoundly shaped human history This inventive and compelling The Times Literary Supplement London work of social history travels through thirteen witch trials across history some famous like the Salem witch trials and some lesser known on Vard island Norway in the 1620s where an indigenous Sami woman was accused of murder in France in 1731 during the country s last witch trial where a young woman was pitted against her confessor and cult leader in Lesotho in 1948 where British colonial authorities executed local leaders Exploring how witchcraft was feared then decriminalized and then reimagined as gendered persecution Witchcraft takes on the intersections between gender and power indigenous spirituality and colonial rule political conspiracy and individual resistance Offering a striking dramatic journey unspooling over centuries and across continents Witchcraft is a well rounded insight into some of the strangest and cruelest moments in history Buzz Magazine giving voice to those who have been silenced by history **T.G.Masaryk (1850-1937)** Robert B. Pynsent,1989-11-13 Between the wars a personality cult grew around Masaryk These three volumes constitute the first balanced critical assessment of the actual achievement of the university professor who became the first president of Czechoslovakia In this the first volume scholars from Europe and North America offer new insights into the career and ideas of Masaryk during the three decades preceding the outbreak of World War I They appraise his role as critic of injustice and outworn tradition providing a most significant interpretation of his place in modern history Poland: Annexed Territories August 1941-1945 Ingo Loose,2024-12-02 Executive editor Ingo Loose English language edition prepared by Elizabeth Harvey Russell Alt Haaker Johannes Gamm Georg Felix Harsch Dorothy Mas and Caroline Pearce This source edition on the persecution and murder of the European Jews by Nazi Germany presents in a total of 16 volumes a thematically comprehensive selection of documents on the Holocaust The work illustrates the contemporary contexts the dynamics and the intermediate stages of the political and social processes that led to this unprecedented mass crime It can be used by teachers researchers students and all other interested parties The edition comprises authentic testimony by persecutors victims and onlookers These testimonies are furnished with academic annotations and the vast majority of them are published here for the first time in English Learn more about the PMJ on <https://pmjdocuments.org> Violence, Peace and Everyday Modes of Justice and Healing in Post-Colonial Africa Ngonidzashe Marongwe,Fideli Thomas,2019-02-06 Violence in its various proportions genres and manifestations has had an enduring historical legacy the world over However works

speaking to approaches aimed at mitigating violence characteristic of Africa are very limited As some scholars have noted Africans have experienced cycles of violence since the pre colonial epoch such that overt violence has become banalised on the African continent This has had the effect of generating complex results legacies and perennial emotional wounds that call for healing reconciliation justice and positive peace Yet in the absence of systematic and critical approaches to the study of violence on the continent discourses on violence would hardly challenge the global matrices of violence that threaten peace and development in Africa This volume is a contribution in the direction of such urgently needed systematic and critical approaches It interrogates from different angles and with inspiration from a multidisciplinary perspective the contentious production and resilience of violence in Africa It calls for a paradigm shift an alternative approach that forges and merges African customary dispute resolution and Western systems of dispute resolution towards a framework of positive peace holistic restoration sustainable development and equity The book is a welcome contribution to students and practitioners in security studies African studies development studies global studies policy studies and political science

Ritual Murder Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such may be the essence of the book **Ritual Murder**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
