David R. Stevens

Rivals William Gwin David Broderick And The Birth Of California:

The Rivals Arthur Quinn,1997-01-01 This is the story of two men of how they achieved great power and how through their implacable rivalry they destroyed each other writes Arthur Quinn Anticipating California's admission to the union both came to the state in 1849 seeking a seat in the U S Senate William McKendree Gwin an aristocratic Southerner and David Broderick a veteran of the bare knuckle politics of New York struggled for control of California's Democratic Party during the 1850s Their feud personal as well as political ended in violent death for one and disgrace for the other **The California**

Gold Rush and the Coming of the Civil War Leonard L. Richards,2008-02-12 Award winning historian Leonard L Richards gives us an authoritative and revealing portrait of an overlooked harbinger of the terrible battle that was to come When gold was discovered at Sutter's Mill in 1848 Americans of all stripes saw the potential for both wealth and power Among the more calculating were Southern slave owners By making California a slave state they could increase the value of their slaves by 50 percent at least and maybe much more They could also gain additional influence in Congress and expand Southern economic clout abetted by a new transcontinental railroad that would run through the South Yet despite their machinations California entered the union as a free state Disillusioned Southerners would agitate for even more slave territory leading to the Kansas Nebraska Act and ultimately to the Civil War itself The Slave Power Leonard L. Richards,2000-08-01 From the signing of

the Constitution to the eve of the Civil War there persisted the belief that slaveholding southerners held the reins of the American national government and used their power to ensure the extension of slavery Later termed the Slave Power theory this idea was no mere figment of a lunatic fringe's imagination It was as Leonard L Richards shows in this innovative reexamination of the Slave Power endorsed at midcentury by such eminent and circumspect men as Abraham Lincoln William Henry Seward Charles Sumner the editors and owners of the New York Times and the Atlantic Monthly and the president of Harvard College With The Slave Power Richards reopens a discussion effectively closed by historians since the 1920s when the Slave Power theory was dismissed first as a distortion of reality and later as a manifestation of the paranoid style in the early Republic and attempts to understand why such reputable leaders accepted this thesis wholeheartedly as truth and why hundreds of thousands of voters responded to their call to arms Through incisive biographical cameos and narrative vignettes Richards explains the evolution of the Slave Power argument over time tracing the oft repeated scenario of northern outcry against the perceived slaveocracy followed by still another victory for the South the three fifths rule in congressional representation admission of Missouri as a slave state in 1820 the Indian removal of 1830 annexation of Texas in 1845 the Wilmot Proviso of 1847 the Fugitive Slave Law of 1850 and more Richards probes inter and intraparty strategies of the Democrats Free Soilers Whigs and Republicans and revisits national debates over sectional conflicts to elucidate just how the southern Democratic slaveholders with the help of some northerners assumed protected and eventually lost a dominance that extended from the White House to the Speaker's chair to the Supreme Court The Slave Power reveals in a direct and

compelling way the importance of slavery in the structure of national politics from the earliest moments of the federal Union through the emergence of the Republican Party Extraordinary in its research and interpretation it will challenge and edify all readers of American history

California and the Civil War Richard Hurley, 2017-07-24 In the long and bitter prelude to war southern transplants dominated California government keeping the state aligned with Dixie However a murderous duel in 1859 killed Free Soil U S Senator David C Broderick and public opinion began to change As war broke out back east a golden tongued preacher named Reverend Thomas Starr King crisscrossed the state endeavoring to save the Golden State for the Union Seventeen thousand California volunteers thwarted secessionist schemes and waged brutal campaigns against native tribesmen resisting white encroachment as far away as Idaho and New Mexico And a determined battalion of California cavalry journeyed to Virginia s Shenandoah Valley to battle John Singleton Mosby the South s deadliest partisan ranger Author Richard Hurley delves into homefront activities during the nation s bloodiest war and chronicles the adventures of the brave men who fought far from home

A Decent, Orderly Lynching Frederick Allen, 2013-07-17 The deadliest campaign of vigilante justice in American history erupted in the Rocky Mountains during the Civil War when a private army hanged twenty one troublemakers Hailed as great heroes at the time the Montana vigilantes are still revered as founding fathers Combing through original sources including eye witness accounts never before published Frederick Allen concludes that the vigilantes were justified in their early actions as they fought violent crime in a remote corner beyond the reach of government But Allen has uncovered evidence that the vigilantes refused to disband after territorial courts were in place Remaining active for six years they lynched more than fifty men without trials Reliance on mob rule in Montana became so ingrained that in 1883 a Helena newspaper editor advocated a return to decent orderly lynching as a legitimate tool of social control Allen s sharply drawn characters illustrated by dozens of photographs are woven into a masterfully written narrative that will change textbook accounts of Montana s early days and challenge our thinking on the essence of justice

Chinese San Francisco, 1850-1943 Yong Chen, 2000 Founded during the Gold Rush years the Chinese community of San Francisco became the largest and most vibrant Chinatown in America This is a detailed social and cultural history of the Chinese in San Francisco

Dangerous Ground John Suval, 2022 Dangerous Ground examines how white squatters in the American West came to occupy a central and destabilizing position in US political culture in the decades culminating in the Civil War

Army Regulars on the Western Frontier, 1848-1861 Durwood Ball, 2001 Unlike previous histories this book argues that the politics of slavery profoundly influenced the western mission of the regular army affecting the hearts and minds of officers and enlisted men both as the nation plummeted toward civil war

BOOK JACKET

Law in the Western United States Gordon Morris Bakken, 2000 In this volume Gordon Morris Bakken traces the distinctive development of western legal history The contributors essays provide succinct descriptions of major cases legislation and individual western states constitutional provisions that are unique in the American legal system To assist the reader the

volume is organized by subject including natural resources municipal authority business regulation American Indian sovereignty and water rights women and Mormons Contributors are Roy H Andes Dana Blakemore Richard Griswold del Castillo Susan Badger Doyle James W Ely Jr Brenda Gail Farrington Dale D Goble Neil Greenwood Vanessa Gunther Louise A Halper Claudia Hess Kenneth Hough Paul Kens Shenandoah Grant Lynd Thomas C Mackey Nicholas George Malavis Timothy Miller Danelle Moon Andrew P Morriss Keith Pacholl Laurie Caroline Pintar Michael A Powell Ion Puschilla Emily Rader Peter L Reich John Phillip Reid Lucy E Salyer Susan Sanchez Janet Schmelzer Howard Shorr Paul Reed Spitzzeri John Joseph Stanley Donald L Stelluto Jr Timothy A Strand Imre Sutton Nancy J Taniguchi and Lonnie Wilson **Biographical**

Directory of the United States Congress, 1774-2005 United States. Congress, 2005 Lists every member of the U S House and Senate since 1789 with brief biographical entries on each member **All the Powers of Earth** Sidney

Blumenthal, 2019-09-03 Lincoln's incredible ascent to power in a world of chaos is newly revealed in this compelling original and elegantly written Michael Beschloss New York Times bestselling author third volume of the magisterial The New York Times Book Review Political Life of Abraham Lincoln series following A Self Made Man and Wrestling with His Angel After a period of depression that he would ever find his way to greatness Lincoln takes on the most powerful demagogue in the country Stephen Douglas in the debates for a senate seat He sidelines the frontrunner William Seward a former governor and senator for New York to cinch the new Republican Party's nomination All the Powers of Earth is the political story of all time Lincoln achieves the presidency by force of strategy of political savvy and determination This is Abraham Lincoln who indisputably becomes the greatest president and moral leader in the nation's history But he must first build a new political party brilliantly state the anti slavery case and overcome shattering defeat to win the presidency In the years of civil war to follow he will show mightily that the nation was right to bet on him He was its preserver a politician of moral integrity All the Powers of Earth is as essential as any political biography is likely to be and Sidney Blumenthal is the definitive chronicler of Lincoln's political career Kirkus Reviews starred review Devils Will Reign Sally Zanjani, 2007-08-01 Nevada entered the

Union in 1864 as the thirty sixth state a mere two decades after John Charles Fremont and his party undertook the first Euro American exploration of the Great Basin However the intervening years were exceptionally eventful gold was discovered in California in 1848 the debate over slavery in the territories made the Far West a significant topic of congressional concern and the Mormon establishment in Utah stimulated national suspicion of the sect's ambitions and policies giving this remote sparsely populated region on the eastern slope of the Sierra Nevada an importance that it probably would not have had in less turbulent times In 1849 more than 22 000 people traveled the emigrant trails across the Great Basin and soon Mormons from Utah set up a trading station in the Carson Valley to reap profit from the emigrant trade and anchor the western periphery of what their leader Brigham Young envisioned as a Mormon inland empire Miners in Gold Canyon just south of what is now Virginia City and settlers in the Carson Valley were pushing the Native Americans out of their ancient homelands

and vying with one another for control of choice land and rudimentary local governments In *Devils Will Reign* acclaimed historian Sally Zanjani recounts the momentous early history of the territory that is now known as Nevada weaving the colorful saga of this rowdy frontier into the larger story of national political crises and economic ambitions rapid development in California and religious antipathy toward the polygamous Mormons Here are intrepid frontiersmen beleaguered Native Americans zealous Mormons and colorful characters and farmers including a group of African Americans who successfully settled in the Carson Valley Zanjani covers the lives of the pioneers as well as the development and impact of the Comstock silver bonanza and the tenuous halting efforts of the region's residents to create first a territorial then a state government Seldom has the process of western settlement and government making been described with such detail and insight

Sin Perd=N David R. Stevens, 2008-11 A look at the overthrow of France on Mexican soil and at the role played by the United States

Pistols, Politics and the Press Ryan Chamberlain, 2009-01-22 This book argues that dueling should be looked at as a fundamental part of the history of journalism By examining the nineteenth century Code Duello the accepted standards under which a duel is conducted the author explores the causes of combative responses involving journalists Each chapter examines an aspect of the practice from the nineteenth century through the present including the connections between the ritualized aggression of the past and the feuding among blog journalists today A comprehensive bibliography as well as an overview of accepted practices under the Code of Honor as faced by nineteenth century journalists are provided

The Settlement of America James A. Crutchfield, Candy Moutlon, Terry Del Bene, 2015-03-26 First Published in 2015 This encyclopaedic collection includes Volumes 1 A L and 2 M Z as well as essays on the settlement of America It can be argued that the westward expansion occurred only one week after the English landfall at Jamestown Virginia on May 14 1607 Beginning on May 21 Captain John Smith one of the colonization company's leaders and twenty one companions made their way northwest up the James River for some 50 or 60 miles 80 or 96 km

No One Is Illegal Justin Akers Chacón, Mike Davis, 2017-01-15 *No One Is Illegal* debunks the leading ideas behind the often violent right wing backlash against immigrants

Kearny's March Winston Groom, 2012-11-06 A thrilling re-creation of a crucial campaign in the Mexican American War and a pivotal moment in America's history In June 1846 General Stephen Watts Kearny rode out of Fort Leavenworth Kansas with a thousand cavalrymen of the First United States Dragoons When his fantastic expedition ended a year and two thousand miles later the nation had doubled in size and now stretched from Atlantic to Pacific fulfilling what many saw as its unique destiny Kearny's March has all the stuff of great narrative history hardships on the trail wild Indians famous mountain men international conflict and political intrigue personal dramas gold rushes and land grabs Winston Groom plumbs the wealth of primary documentation journals and letters as well as military records and gives us a sleek exciting account that captures our imaginations and enlivens our understanding of the sometimes dirty business of country making

The Man Who Punched Jefferson Davis Ben Wynne, 2018-11-07 Regarded as one of the most vocal

well traveled and controversial statesmen of the nineteenth century antebellum politician Henry Stuart Foote played a central role in a vast array of pivotal events. Despite Foote's unique mark on history, until now no comprehensive biography existed. Ben Wynne fills this gap in his examination of the life of this gifted and volatile public figure in *The Man Who Punched Jefferson Davis: The Political Life of Henry S. Foote, Southern Unionist*. An eyewitness to many of the historical events of his lifetime, Foote, an opinionated native Virginian, helped to raise money for the Texas Revolution, provided political counsel for the Lone Star Republic's leadership before annexation, and published a 400-page history of the region. In 1847, Mississippi elected him to the Senate, where he promoted cooperation with the North during the Compromise of 1850. One of the South's most outspoken Unionists, he infuriated many of his southern colleagues with his explosive temperament and unorthodox ideas that quickly established him as a political outsider. His temper sometimes led to physical altercations, including at least five duels, pulling a gun on fellow senator Thomas Hart Benton during a legislative session, and engaging in run-ins with other politicians, notably a fistfight with his worst political enemy, Jefferson Davis. He left the Senate in 1851 to run for governor of Mississippi on a pro-Union platform and defeated Davis by a small margin. Several years later, Foote moved to Nashville, was elected to the Confederate Congress after Tennessee seceded, and continued his political sparring with the Confederate president. From Foote's failed attempt to broker an unauthorized peace agreement with the Lincoln government and his exile to Europe to the publication of his personal memoir and his appointment as director of the United States mint in New Orleans, Wynne constructs an entertaining and nuanced portrait of a singular man who constantly challenged the conventions of southern and national politics.

King of the Lobby Kathryn Allamong Jacob, 2021-04-27 A biography of the influential and engaging character who courted Congress with food, wine, and gifts in the post-Civil War era. The Washington Post Book World *King of the Lobby* tells the story of how one man harnessed delicious food, fine wine, and good conversation to become the most influential lobbyist of the Gilded Age. Scion of an old and honorable family, best friend of Henry Wadsworth Longfellow, and charming man about town, Sam Ward held his own in an era crowded with larger-than-life personalities. Living by the motto that the shortest route between a pending bill and a congressman's eye was through his stomach, Ward elegantly entertained political elites in return for their votes. At a time when waves of scandal washed over Washington, the popular press railed against the wickedness of the lobby, and self-righteous politicians predicted that special interests would cause the downfall of democratic government, Sam Ward still reigned supreme. By the early 1870s, he had earned the title *King of the Lobby*, cultivating an extraordinary network of prominent figures and a style that survives today in the form of expensive golf outings, extravagant dinners, and luxurious vacations. Kathryn Allamong Jacob's account shows how the king earned his crown and how this son of wealth and privilege helped to create a questionable profession in a city that then, as now, rested on power and influence. Her extensive research is reflected in her recounting of Ward's life, successfully putting it into the context of the history of lobbying. Will appeal to American history buffs. Publishers Weekly **Becoming Irish**

American Timothy J. Meagher, 2023-11-07 The origins and evolution of Irish American identity from colonial times through the twentieth century As millions of Irish immigrants and their descendants created community in the United States over the centuries they neither remained Irish nor simply became American Instead they created a culture and defined an identity that was unique to their circumstances a new people that they would continually reinvent Irish Americans Historian Timothy J Meagher traces the Irish American experience from the first Irishman to step ashore at Roanoke in 1585 to John F Kennedy s election as president in 1960 As he chronicles how Irish American culture evolved Meagher looks at how various groups adapted and thrived Protestants and Catholics immigrants and American born those located in different geographic corners of the country He describes how Irish Americans made a living where they worshiped and when they married and how Irish American politicians found particular success from ward bosses on the streets of New York Boston and Chicago to the presidency In this sweeping history Meagher reveals how the Irish American identity was forged how it has transformed and how it has held lasting influence on American culture

Unveiling the Power of Verbal Art: An Psychological Sojourn through **Rivals William Gwin David Broderick And The Birth Of California**

In some sort of inundated with monitors and the cacophony of quick connection, the profound energy and psychological resonance of verbal artistry frequently fade in to obscurity, eclipsed by the regular barrage of noise and distractions.
