River A Novel Of The Green River Killings:

Green River, Running Red Ann Rule, 2004-10-31 In the most extraordinary book Ann Rule has ever undertaken America's master of true crime has spent more than two decades researching the story of the Green River Killer who murdered more than forty nine young women The quest to discover the most prolific serial killer in American history has been an intimate part of Ann Rule's life with some of the corpses found only a mile or so from where she lived and raised her own daughters She did not know the killer but he apparently knew her and attended many of her book signings For twenty one years the killer carried out his self described career as a killing machine ridding the world of women he considered evil His eerie ability to lure his victims to their deaths and hide their bodies made him far more dangerous than any infamous multiple murderer in the annals of crime A few men including a law student a truck painter and a taxi driver eventually emerged as the prime suspects among an unprecedented forty thousand scrutinized by the Green River Task Force Still there was no physical evidence linking any of them to the murders until 2001 when investigators used a new DNA process on a saliva sample they had preserved since 1987 with stunning results Ann Rule has followed the case since July 1982 when the first body that of teenager Wendy Lee Coffield was found in the Green River snagged on pilings under a bridge Rule has compiled voluminous files working through an incredible 95 000 pages of official police records transcripts photographs and maps winnowing out the chaff and identifying what is truly important Over the years she gained unparalleled access to all the key players from King County Sheriff Dave Reichert to those close to the killer and his victims When finally apprehended and convicted the killer made a detailed confession of his twisted sexual obsessions that will shock even the most jaded reader *Green River Running Red* is a harrowing account of a modern monster a killer who walked among us undetected It is also the story of his quarry of who these young girls were and who they might have become A chilling look at the darkest side of human nature this is the most important and most personal book of Ann Rule's long career *The Search for the Green River Killer* Carlton Smith, Tomás Guillén, 2017-07-04 New York Times Bestseller From the journalists who covered the story the shocking crimes of Gary Ridgway America's most prolific serial murderer In the 1980s and 1990s forty nine women in the Seattle area were brutally murdered their bodies dumped along the Green River and Pacific Highway South in Washington State Despite an exhaustive investigation even serial killer Ted Bundy was consulted to assist with psychological profiling the sadistic killer continued to elude authorities for nearly twenty years Then in 2001 after mounting suspicion and with DNA evidence finally in hand King County police charged a fifty two year old truck painter Gary Ridgway with the murders His confession and the horrific details of his crimes only added fuel to the notoriety of the Green River Killer Journalists Carlton Smith and Tomas Guillen covered the murders for the Seattle Times from day one receiving a Pulitzer Prize nomination for their work They wrote the first edition of this book before the police had their man Revised after Ridgway's conviction and featuring chilling photographs from the case *The Search for the Green River Killer* is the ultimate authoritative account of
