**River for My Sidewalk** Gilean Douglas,1953      **Beyond the City Limits** R.W. Sandwell,1998-12-01 Historians have not usually identified British Columbia as a rural province B C historiography has been dominated by mining logging and fishing and theorized within the context of large scale laissez faire capitalism and economic individualism Silences in the historical record have exacerbated this situation and lent tacit support to the dominance of resource based capitalism as the shaping force in B C history The essays in *Beyond the City Limits* all published here for the first time decisively break this silence and challenge traditional readings of B C history In this wide ranging collection R W Sandwell draws together a distinguished group of contributors who bring expertise methodologies and theoretical perspectives taken from social and political history environmental studies cultural geography and anthropology They discuss such diverse topics as Aboriginal White settler relations on Vancouver Island pimping and violence in northern BC and the triumph of the coddling moth over Okanagan orchardists to show that a narrow emphasis on resource extraction capitalist labour relations and urban society is simply not broad enough to adequately describe those who populated the province s history By challenging the dominant urban based and overwhelmingly capitalist interpretation of the province s history the provocative essays in *Beyond the City Limits* expand our understanding of what rural was and what it meant in the history of British Columbia      **Lectures on Atomic Energy Industrial and Legal Problems, Delivered at University of Michigan Law School, June 26-June 28, 1952. Rehab star and Thelonious Monster frontman Bob Forrest's memoir about his drug fueled life in the L A indie rock scene of the 80s and 90s and his life changing decision to become a drug counselor who specializes in reaching the unreachable Life has been one strange trip for Bob Forrest He started out as a suburban teenage drunkard from the Southern California suburbs and went on to become a member of a hip Hollywood crowd that included the Red Hot Chili Peppers Johnny Depp and River Phoenix Los Angeles was their playground and they hung out in such infamous haunts as the Viper Room and the Whisky a Go Go Always one to push things to their limit Bob partied the hardest and could usually be found at the center of the drama Drugs weren't Bob's only passion He was also a talented musician who commanded the stage as the wild and unpredictable lead singer of Thelonious Monster They traveled the world and their future seemed bright and wide open But Bob's demons grew stronger as he achieved more success and he sank deeper into his chemical dependency which included alcohol crack and heroin habits No matter how many times he went to rehab sobriety just wouldn't stick for him Soon he saw his once promising music career slip away entirely Eventually Bob found a way to defeat his addiction and once he did he saw the opportunity to help other hopeless cases by becoming a certified drug counselor He's helped addicts from all walks of life often employing methods that are very much at odds with the traditional rehab approach Running with Monsters is an electrifying chronicle of the LA rock scene of the 1980s and 90s the story of a man who survived and triumphed over his demons and a controversial perspective on the rehab industry and what it really takes to beat addiction Bob tells his story with unflinching honesty and hard won perspective making this a reading experience that shocks entertains and ultimately inspires
