**Wire Dancing** Patricia Sykes, 1999 Circus as drama and risk as exuberance and irrepressible spirit is the central

metaphor Patricia Sykes uses to open a world where public and private share the same tightrope The poems speak of women searching for footholds along the spectrums of politics power history culture and relationships Theirs are performances of celebration and hope as they wire dance through circumcision and incest madness and suicide genocide and war There is passion and resistance hot comedy and fire in the belly Falling is the first victory balance is the ultimate skill **Beyond the River** Margaret Light,2024-11-14 In a rural village in Zambia a young woman dreams of leaving her life of poverty behind When a wealthy suitor arrives love blossoms but jealousy from a rival leads to a tragic accident that forces the village to confront their values and desires **The Book of the Everglades** Susan Cerulean,2002 Many may not realize that the Everglades National Park is cut off from the water that gives it life Its ecosystem begins well above the park s boundary extending more than three hundred miles from the Kissimmee River near Tampa and Orlando southward through Florida Bay It is the most endangered ecosystem in North America The Book of the Everglades is a story of how much was changed when the vast river of grass was drained and converted to agriculture its natural plumbing channeled so that nearby towns and farms would be protected from flood and saved in drought It s a story of how one of North America s largest freshwater lakes ended up with a moat around it A story of the sugar barons who were kicked out of Cuba and settled in what is now known as the Everglades Agricultural Area A story of the largest subdivision in the world platted on drained wetlands A story of the soil that is no longer replenished and gives way at the rate of one foot every ten years It is a story told by writers who know how to tell a story and who convey the workings of the entire Everglades ecosystem and the impact of its inhabitants Publisher description **Hidden in Dreams** Davis Bunn,2012-07-03 In the exciting sequel to Book of Dreams from bestselling author Bunn Elena Burroughs is attacked by dreams for which she has only one explanation they are not her own All the while the clock is ticking down to devastation It s no longer about the dreams it s about survival **Rapture River** Robert Edward Smith,2024-11-08 Rapture River Robert Edward Smith s first novel tracks the relationship of two lovers who are as unpredictable as Michigan s weather Josh a Catholic priest and Joyce a Native American meet at St Peter The Fisherman Catholic Church on the banks of the Black River a premier brook trout stream for fly fishing Each embraces their own spiritual heritage but struggles with an inner sensual demon They must prove strong enough to bridge that spiritual gap and assuage his guilt and her anguish over their coupling Their relationship is facilitated by Josh s 89 year old fly fishing mentor Ted and his Labrador Retriever Molly The Black River is the mainstream in their story but the novel is not mainstream The River and wilderness are presented as seen through the eyes of Joyce and Josh whose emotional attachment to their environs pulls the reader into their quest The author describes the wrenching action they encounter with captivating prose as this example when they are in the middle of the river in their waders For a long time they were alone until startled by a swish and loud flapping A hawk angled down directly above and dove with its wings held tight piercing the water like an arrow and disappearing under the surface then bursting up in a gush of spray with a large trout hooked in its talons The trout thrashed

about fiercely slapping the river with its tail splashing a shower of water The hawk twisting to shake off the droplets let out a shrill scream and hovered momentarily just above water pounding its drenched wings and rising the trout clamped in its black claws The novel slips into fantasy fable and the enchantment of nature A murder a gambling casino a mission church of serpent handlers and accidental oil spills steal into the story seamlessly The author deftly manipulates these genres He inserts the thoughts of his characters through italicized stream of consciousness paragraphs and introduces each by a black silhouette image of an animal which represents that character as a butterfly or a hawk rendering the novel more reader friendly The novel fits into the little publicized genre of slipstream probably exemplified best by the writings of Jorge Luis Borges But there is no slipstream section at our current bookstores Even the main character the River is unpredictable sometimes harsh yet comforting even obedient Through a Kangaroo Court a medium of last resort the author deftly convinces his readers that this is the only fair trial available for the guilty party His readers will be intrigued and drawn into the story as if it were true Rapture River is a Romance a Murder Mystery an escapist Fable but above all a magical quest for fulfillment in our strange times
