altered states of consciousness is like a flu shot for someone in a manic or depressed state of consciousness Most group and social problems cannot be well facilitated or resolved without access to the dreamlike and mystical atmosphere in the background The key is becoming aware of it Mindell introduces a new paradigm for working in groups from 3 to 3 000 based on awareness of the flow of signals and events You can take the subtlest of signals indicating the onset of emotions such as fear anger hopelessness and other altered states and use them to transform seemingly impossible problems into uplifting community experiences As Mindell explains I share how everyone people in schools and organizations communities and governments can use inner experiences dreaming and mysticism in conjunction with real methods of conflict management to produce lively more sustainable conscious communities *Dreaming While Awake* Arnold Mindell,2002-10-01 Mindell examines addictions relationships time travel lucid healing preventive medicine and Dreaming as world work The Dream Network Journal What if you could dream twenty four hours a day even while awake According to innovative psychotherapist Arnold Mindell Ph D we already do The seeds of dreaming arise in every moment of the day in body symptoms problems relationships subtle feelings interactions random thoughts and fantasies We re getting countless little cues from the unconscious every minute All are signs from the world of dreaming And according to Mindell we can be in this state of lucid dreaming all day long In *Dreaming While Awake* Mindell shows how to become aware of these flirts from the dreamworld and how to interpret their message The goal he says is to be wide awake and lucid 24 hours a day in the midst of this unending dreamfield of information Practicing twenty four hour lucid dreaming Helps you solve personal physical and emotional problems Serves as a preventive medicine for relationships and health helping you catch the earliest warning signs before they turn into problems Helps resolve conflicts in relationships families large groups corporations even politics Dreaming is the mystical source of reality says Mindell My goal is to make the Dreaming roots of reality so accessible so visceral that your conscious mind will give you back your right to dream *The Quantum Mind and Healing* Arnold Mindell,2004-03-01 Quantum Physics You Can Use There is a force underlying all action and circumstance in the universe and you have the ability to tap into this force interact with it and use it to heal yourself This is science talking Specifically this is Dr Arnold Mindell s new model of medicine based on the mind blowing findings of a host of quantum physicists pioneers who are reconfiguring the landscape of our world and belief structure on an almost daily basis Dr Mindell is an internationally recognized psychotherapist whose ahead of the curve work led him to found a new school of therapy called Process Oriented Psychology A graduate of MIT and the Jungian Institute of Zurich Dr Mindell is an in demand speaker at conferences worldwide as well as the author of sixteen previous books Despite his many achievements it is not a stretch to say that *The Quantum Mind and Healing* is quite probably Mindell s most important and best work yet In it Mindell explains that you can use the discoveries of quantum physics to access your body s own intelligence and self healing abilities Embracing both conventional and alternative medicine he shows that to truly heal you need both medicine and your own natural wisdom The
