Rmx Rinzen Presents Rmx Extended Play

Amic G. Ho

Rmx Rinzen Presents Rmx Extended Play:

Rinzen Presents RMX Extended Play Rilla Alexander, Rinzen (Firm), 2001 With an impressive line up of participants Designers Republic E boy Designershock Matt Owens and many more RMX aims to draw out the secret child in all of us Initiated by prestigious design group Rinzen and based in the broadest sense on the principle of Chinese Whispers this collection of 12 chapters exploits the tendency for spontaneous reinvention and thriving network character of the design community

Advances in Affective and Pleasurable Design Yong Gu Ji, Sooshin Choi, 2021-07-19 This volume discusses pleasurable design a part of the traditional usability design and evaluation methodologies The book emphasizes the importance of designing products and services to maximize user satisfaction By combining this with traditional usability methods it increases the appeal of products and use of services This book focuses on a positive emotional approach in product service and system design and emphasizes aesthetics and enjoyment in user experience and provides dissemination and exchange of scientific information on the theoretical and practical areas of affective and pleasurable design for research experts and industry practitioners from multidisciplinary backgrounds including industrial designers emotion designer ethnographers human computer interaction researchers human factors engineers interaction designers mobile product designers and vehicle system designers

Emotion in the Design Process Amic G. Ho, 2023-11-22 Manipulating the design process can be a stressful learning experience and it can be difficult to decide how to resolve design problems This book explores and illustrates the close relationship between emotion and the design process by using new models and perspectives under the umbrella of design and emotion This book reveals that a greater understanding of design and emotion can inspire design students to explore how emotion can affect their decision making and design processes It enables the reader to develop methods to control their emotions to make effective decisions and strengthen their ability to manipulate the design process Emotion in the Design Process features a study that develops a design process model to make the decision making processes more transparent With a focus on the investigation of the intrinsic factors this book features quantitative and qualitative research methods Underpinned by deep level research the book outlines the strengths and limitations of the study and reveals the findings to create decision making models where emotion is considered Case studies are included to show the theories in practice By reading this book design students who can be confused by the design process will be able to grasp it and learn to regulate their emotions as a result whilst also producing better designers that can improve the overall quality and standard of the design industry As such this book will appeal most to students researchers and academics in any field where design is a key task It will also be of interest to anyone interested in Design and Emotion Kansei Design and Engineering and Design and Technology

International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences ,2000 **Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen** ,2002
