**Surgical First Assistant** Julie Quick, Mark Owen, 2025-03-17 A critical examination of an increasingly vital role in surgical practice Surgical first assistants SFAs are registered nurses or operating department practitioners ODPs who play a crucial role in the operating theatre during surgical procedures Under the direct supervision

of the operating surgeon an SFA provides continuous skilled assistance performing a range of established responsibilities to assist the surgeon predominantly in the intraoperative phase of the patient's journey but also in the pre and post operative phases. The role affords theatre nurses and ODPs the opportunity to expand their clinical responsibilities and provide assistance for patients undergoing surgery by undertaking post qualifying education. More recently an understanding of the knowledge and skills of the SFA role has been embedded into the undergraduate curricula for ODPs. *Surgical First Assistant: The Essentials of Practice* provides a comprehensive and critical examination of the knowledge, skills and behaviours that are required by SFAs to ensure patient safety and quality care. Beginning with a historical overview of the SFA role it proceeds to outline the legal, ethical and professional aspects of the role which allows the practitioner to critically reflect on SFA practice. It also offers an in depth analysis of the SFA's responsibilities as defined by the Perioperative Care Collaborative through each phase of the patient's perioperative journey from pre operative assessment to post operative pain management. *Surgical First Assistant* readers will also find a text aligned with UK national standards and best practice. Detailed discussion of topics including pre operative preparation with the operating theatre, assisting with haemostasis and many more. An approach which explores both the technical and non technical skills required by the SFA. *Surgical First Assistant* is ideal for registered nurses, ODPs, student and apprentice operating department practitioners.

**Standards, Recommended Practices and Guidelines, 2005** AORN., Association of Operating Room Nurses, 2005. AORN's classic resource for perioperative practice brings together all of the Association's official positions and recommendations in one unique volume from professional practice standards to laser safety from competency statements to aseptic technique from clinical pathways to patient safety. The 2005 edition features new guidelines for bariatric surgery, the new position statement on patient safety approved by the 2004 House of Delegates and updated bylaws provisions for members at large. Strategies to assist perioperative nurses in developing facility specific policies and procedures are included.

*Perioperative Nursing* Sally Sutherland-Fraser, Menna Davies, Brigid M. Gillespie, Benjamin Lockwood, 2021-09-27. Aligned to the 2020 ACORN Standards. Engaging patient scenarios woven through the text include patient histories and indications for surgery. Information on managing surgery during pandemics including COVID 19. Details of the extended roles available in perioperative practice.
