Harold Bloom

Road To Miniluv:

The Oxford Handbook of George Orwell ,2025-01-29 The Oxford Handbook of George Orwell offers a wide ranging reconsideration of Orwell s life and work focusing on the extensive connections between his novels essays diaries columns letters and reviews Accessible to general readers and to established scholars alike forty eight chapters written by an international team of Orwell specialists address familiar topics such as Orwell s journalism broadcasting literary criticism and politics as well as less well trodden areas of his output such as his accounts of stupidity kindness and justice and his connections with contemporaries like Jack Common Katharine Burdekin Wyndham Lewis and Victor Serge Sections on Orwell s professional activities his main literary influences his politics his intellectual fixations his literary contemporaries and his legacies structure the book which moves thematically and topically through the full scope of his output The first section looks at how Orwell spent his time as a writer reader and broadcaster Chapters on writers from Shakespeare to the modernists investigate the determinants of Orwell s literary practice The book then turns to a set of political contexts in which Orwell s writing can be understood The Fixations section covers the familiar such as Orwell s account of Englishness and the unfamiliar such as his account of the absurd The fifth section relates Orwell to several politically minded contemporaries tracing connections and differences between their writing The final section of the Handbook reflects on how Orwell sounds through several literary and socio political legacies and includes innovative considerations of feminism Afrofuturism and queer speculative fiction

Dreams & Realities Annette Gomis Van Heteren,1997 The present book contains a collection of essays by the members of the research group Estudios de Narrativa en Lengua Inglesa Historia cr tica utop a y ciencia ficci n Its members teach English literature at the Universities of Almer a and Granada and share a common interest in literary utopias There is an introductory chapter by the Director of the Group Miguel Mart nez on definitions and backgrounds of utopian criticism followed by Margarita Carretero s analysis of J R R Tolkien s The Lord of the Rings from the perspective of the utopian genre then two essays by Annette Gomis on George Orwell s 1984 Mervyn Smale explores Dickens social satire in his earliest works of fiction while Celia Wallhead is the author of the two concluding chapters on Hard Times and Nice Work and on Babel Tower Annette Gomis B A Trinity College M Sc Aston Ph D Granada teaches English at the University of Almer a and has previously lectured at the Universities of Valencia and Granada Miguel Mart nez M A Granada ACEFL Salford and Ph D Bologna is since 1996 Professor of English at UALM He has been a Fulbright Fellow at Yale and Visiting Professor at the University of Delaware

The Social and Political Thought of George Orwell Stephen Ingle,2006-04-18 Stephen Ingle is Professor at the Politics Department University of Stirling His main academic interests are in the relationship between politics and literature and in adversarial two party politics especially in the UK **The Writer's Book of Hope** Ralph Keyes,2003-10-01 In 1889 the editor of the San Francisco Examiner having accepted an article from Rudyard Kipling informed the author that he should not bother to submit any more This isn t a kindergarten for amateur

writers the editor wrote I m sorry Mr Kipling but you just don t know how to use the English language A century later John Grisham was turned down by sixteen agents before he found representation and it was only after Hollywood showed an interest in The Firm that publishers began to take him seriously The anxiety of rejection is an inevitable part of any writer s development In this book Ralph Keyes turns his attention from the difficulty of putting pen to paper the subject of his acclaimed The Courage to Write to the frustration of getting the product to the public Inspiration isn t nearly as important to the successful writer he argues as tenacity and he offers concrete ways to manage the struggle to publish Drawing on his long experience as a writer and teacher of writing Keyes provides new insight into the mind set of publishers the value of an agent and the importance of encouragement and hope to the act of authorial creation Kantian Antitheodicy Sami Pihlström, Sari Kivistö, 2016-11-10 This book defends antitheodicism arguing that theodicies seeking to excuse God for evil and suffering in the world fail to ethically acknowledge the victims of suffering The authors argue for this view using literary and philosophical resources commencing with Immanuel Kant s 1791 Theodicy Essay and its reading of the Book of Job Three important twentieth century antitheodacist positions are explored including Jewish post Holocaust ethical antitheodicism Wittgensteinian antitheodicism exemplified by D Z Phillips and pragmatist antitheodicism defended by William James The authors argue that these approaches to evil and suffering are fundamentally Kantian Literary works such as Franz Kafka s The Trial Samuel Beckett s Waiting for Godot and George Orwell s Nineteen Eighty Four are examined in order to crucially advance the philosophical case for antitheodicism **George Orwell's Guide Through Hell** Robert Plank, 1994-01-01 It is difficult now to recall the enormous impact that George Orwell s classic dystopia Nineteen Eighty Four had on the psyche of the western world Written by a dying man in the grimmest of circumstances the novel was intended as both a warning against totalitarianism and the debasement of language and as a reaction to Orwell s personal experiences with English socialism and World War II Clearly 1984 has turned out differently than Orwell depicted Yet the power of the novel remains undiminished it continues to scare and enlighten future generations of readers nearly a half century after its original publication Well known scholar Robert Plank provides a psychological examination of the roots of Nineteen Eighty Four and the curious parallels between the book and its antecedents including the film Citizen Kane the novels of Dostoevsky and Kafka the philosophy of Whorf Orwell s own life and works and many other obvious and hidden influences Complete with chronology notes bibliographies and index **The Orwell Conundrum** Erika Gottlieb, 1992-09-15 An important contribution to the understanding of George Orwell s thought particularly to Nineteen Eighty Four The author challenges the view of the novel as a flawed work of crushing pessimism arguing convincingly that it is a great humanist s mature vision of his deeply troubled times **A Research Guide to Science Fiction Studies** Marshall B. Tymn, Roger C. Schlobin, Lloyd W. Currey, 2019-10-01 Academic attention to science fiction and fantasy began in 1958 when the Modern Language Association scheduled its first seminar on science fiction at its New York meeting Over the years science fiction emerged as a popular

subject that achieved critical attention and acceptance as an academic discipline A Research Guide to Science Fiction Studies originally published in 1977 is designed to provide the reader whether they be scholar teacher librarian or fan with a comprehensive listing of the important research tools that have been published in the United States and England through 1976 The volume contains over 400 selected annotated entries covering both general and specialized sources including general surveys histories genre studies author studies bibliographies and indices which span the entire range of science fiction and fantasy scholarship

Modernism Reconsidered Robert Kiely, John Hildebidle, 1983

George Orwell's 1984 Harold Bloom, 2009 Examines different aspects of Orwell's anti utopian classic with a biographical sketch of the author and critical essays on this work

George Orwell Michael Carter, 2024-11-01 First Published in 1985 the aim of this book is to define an aspect of Orwell's literary identity which underlies and informs the sociopolitical content of his novels and which may account for his being more widely read than perhaps any other serious writer in the twentieth century It is the author's contention that the thematic source of the Orwell novel is the problem of authentic existence and that Orwell's particular sociopolitical concerns were expressions of this problem In chapter one selections of Orwell's autobiographical writings are assessed for in these the existential conflict between authentic and inauthentic modes of existence is traceable from childhood onwards Orwell it is argued developed an inauthentic self for other in response to authoritarian oppressions and he consequently pursued a double life characterized by the contradictions of doublethink Chapter two is an account of existential authenticity and provides both the terms and perspectives subsequently applied in the separate chapters in which each of Orwell's five novels are analyzed In every case J P Sartre's bad faith Martin Heidegger's *being and time* and Martin Buber's *I Thou and It* are seen to be crucial explanatory notions within the Orwell novel In his conclusion therefore Dr Carter redefines Orwell as an existential sociopolitical writer This is a must read for students of literature critical theory existential philosophy philosophy in general

George Orwell Patrick Reilly, 1986-02-24

George Orwell Alan Sandison, 1986-02-20 First published in 1974 under the title *The Last Man in Europe* Alan Sandison's book took an unusual view of Orwell as a writer of paradox wherein the Protestant urge to question struggles with a longing to assent The argument of the book was described in the *Economist* as brilliantly sustained and magisterially cumulative Ten years after first publication this new edition of the book which significantly extends the argument is still a challenge to conventional thinking about Orwell showing him to be remarkably dependent upon the Protestant Puritan tradition which he is no longer able to accept

The Cambridge Companion to George Orwell John Rodden, 2007-06-21 George Orwell is regarded as the greatest political writer in English of the twentieth century The massive critical literature on Orwell has not only become extremely specialized and therefore somewhat inaccessible to the nonscholar but it has also attributed to and even created misconceptions about the man the writer and his literary legacy For these reasons an overview of Orwell's writing and influence is an indispensable resource Accordingly this 2007 Companion serves as both an introduction to Orwell's work and furnishes numerous

innovative interpretations and fresh critical perspectives on it Throughout the Companion which includes chapters dedicated to two of Orwell's major novels Nineteen Eighty Four and Animal Farm Orwell's work is placed within the context of the political and social climate of the time His response to the Depression British imperialism Stalinism World War II and the politics of the British Left are also examined **George Orwell** Susana Onega Jaén, 2005 1984 George

Orwell, 2024-04-25 1984 reproduce en clave de s tira un probable escenario global en guerra permanente donde los grandes sistemas totalitarios manipulan la historia y la educaci n de la humanidad para controlar las vidas los pensamientos y hasta los sue os de sus ciudadanos Su protagonista se dedica a reescribir el pasado siguiendo las consignas del Partido

Understanding the Essay Patricia Foster, Jeff Porter, 2012-07-25 This is a book on how to read the essay one that demonstrates how reading is inextricably tied to the art of writing It aims to treat the essay with the close attention that has been given to other literary genres and in doing so it suggests the beauty and depth of the form as a whole At once personal appreciations and acute critical assessments the pieces collected here broaden our perspective on the essay as a major literary art tracing its history from William Hazlitt to Joan Didion **Histories of the Future** Alan Sandison, 2016-04-30 This collection of interdisciplinary essays examines some of the ways in which writers artists film makers strategists and political thinkers have imagined the future over the last two centuries Although a number of contributions discuss mainstream science fiction the collection's emphasis is not on any single genre but rather on the ways in which different histories technological cultural military ideological generate and inform different modes of speculation about things to come These histories also disclose that our patterns of expectation are much influenced by our relationship to the past **George Orwell** P. Davison, 1996-03-08 This account of Orwell's life is chiefly concerned with what influenced Orwell his relations with publishers and editors and the analysis of certain key experiences the deposition that during the Spanish Civil War he was guilty of espionage and high treason his work at the BBC his interest in pamphlet literature and his time as a war correspondent There is a detailed assessment of his earnings from 1922 to 1945 and a fresh look at his attitudes to class women and religious belief Special attention is paid to his essays **Science Fiction and Fantasy Literature, 1975-1991**

R. Reginald, Mary Wickizer Burgess, Daryl Furumi Mallett, 1992 Science fiction constitutes one of the largest and most widely read genres in literature and this reference provides bibliographical data on some 20 000 science fiction fantasy and horror fiction books as well as nonfiction monographs about the literature A companion to Reginald's Science Fiction and Fantasy Literature 1700 1974 Gale 1979 the present volume is alphabetically arranged by approximately 10 000 author names The entry for each individual work includes title publisher date and place published number of pages hardbound or paperback format and type of book novel anthology etc Where appropriate entries also provide translation notes series information pseudonyms and remarks on special features such as celebrity introductions Includes indexes of titles series awards and doubles for locating volumes containing two novels Annotation copyright by Book News Inc Portland OR
