# Road To Postcommunism Independent Political Movements In The Former Soviet Union

**Jesse Paul Lehrke**

## **Road To Postcommunism Independent Political Movements In The Former Soviet Union:**

Ethnicity and Territory in the Former Soviet Union Dr James Hughes, Gwendolyn Sasse, 2014-09-25 The collapse of the Soviet empire in 1991 removed a decades long system of successful control of potential ethnic and regional conflict The result was the eruption of numerous conflicts over state building some of which degenerated into violence and some of which were resolved or prevented by strategies of accommodation This volume explores the common trends and differences in the responses of the new post Soviet states to the problems of state building in ethnically and regionally divided societies focusing on the impact of ethnic and regional conflicts on post communist transition and institutional development The book will be essential reading for specialists and students alike who are interested in conflict regulation and post Soviet politics

**The Transition to National Armies in the Former Soviet Republics, 1988-2005** Jesse Paul Lehrke, 2013 This book looks at the militaries of the late Soviet and post Soviet republics Beginning with the end of the Soviet era it recognises that the successor states did not spring from nowhere but inherited a legacy that influenced all that followed The book discusses how politicians control the instruments that are the manifestation of the state s monopoly on violence and how society views and supports the military By taking a bottom up empirical approach that examines the personnel leaders organisations and institutions and their outlook and attitudes the book presents a comprehensive picture of the armed forces showing how the armed forces are very significantly shaped by the surrounding political and social environment The book goes on to examine the armed forces in action and highlights that to truly understand the militaries studies need to go beyond looking at the static structures

Green Activism in Post-Socialist Europe and the Former Soviet Union Adam Fagan, JoAnn Carmin, 2014-06-11 Green activism played a critical role in the downfall of Soviet style communism in Eastern Europe at the end of the 1980s After the revolutions environmentalists were expected to exert influence within the new democracies and to form the bedrock of the new civil societies that were predicted to flourish across the region the prospect of EU membership provided activist networks with even greater optimism about their political opportunities Two decades later what has been the impact of political and economic liberalisation on environmental campaigners and policy advocates Has access to elites increased with democratisation and Europeanization To what extent does the realm of environmental politics within individual states and across the region continue to represent an optic on change and continuity Through country case studies and comparative analysis of national movements this edited volume addresses each of these questions and provides a different perspective of green politics in the region This book was previously published as a special issue of Environmental Politics

Social Movement Studies in Europe Olivier Fillieule, Guya Accornero, 2016-03-01 Bringing together over forty established and emerging scholars this landmark volume is the first to comprehensively examine the evolution and current practice of social movement studies in a specifically European context While its first half offers comparative approaches to an array of significant issues and movements its second half assembles focused national studies that include most major

European states Throughout these contributions are guided by a shared set of historical and social scientific questions with a particular emphasis on political sociology thus offering a bold and uncommonly unified survey that will be essential for scholars and students of European social movements

Non-traditional Security Threats and Regional Cooperation in the Southern Caucasus Mustafa Aydın, 2011 This book contains 16 papers presented at the workshop Non Traditional Security Threats and Regional Cooperation in the Southern Caucasus which was held in Istanbul Turkey in October 2009 Whilst the Cold War did not exclude the existence of other threats such as environmental hazards organized crime terrorism economic instability and illegal immigration it is only since the emphasis on East West rivalry and the specter of nuclear confrontation between the two blocs have diminished that these have become articulated as major sources of concern for global security

**Conflict Resolution and Status** Céline Francis, 2011 The dispute between Georgia and Abkhazia is not a conflict of equals In international conflicts adversaries may differ de facto on the ground in terms of population territory and capability among other things As internationally recognized states however they have equal de jure status and fears that inviting the other side to the negotiating table might be construed as recognition for example rarely intrude The question of status does pose problems however when a conflict is being fought between a recognized state and an unrecognized entity and these problems may contribute to increase the intractability of such conflicts This study explores how and to what extent the difference in status between a sovereign state and an unrecognized entity hinders conflict resolution activities Based on intensive fieldwork and unedited negotiation material the book provides an in depth analysis of the negotiations informal dialogues and grassroots activities that took place in Abkhazia and Georgia between 1989 and 2008

*Political Parties in the Russian Regions* Derek S. Hutcheson, 2005-08-03 Since the break up of the Soviet Union in 1991 Russia's party system has suffered a difficult and turbulent infancy Moscow based parties have had only very limited territorial penetration and fragmentation has been one of its most significant features Based on extensive fieldwork in three Russian regions this book examines the development of the country's party system and the role played by parties in regional politics Using a comparative approach it scrutinises the internal structures and activities of the parties looks at their decision making processes their everyday party life the activities of party members and the role of regional party organisations in federal and local election campaigns

**Federalism, Democratization, and the Rule of Law in Russia** Jeffrey Kahn, 2002-06-13 Combining the approaches of three fields of scholarship political science law and Russian area studies the author explores the foundations and future of the Russian Federation Russia's political elite have struggled to build an extraordinarily complex federal system one that incorporates eighty nine different units and scores of different ethnic groups which sometimes harbor long histories of resentment against Russian imperial and Soviet legacies This book examines the public debates official documents and political deals that built Russia's federal house on very unsteady foundations often out of the ideological conceptual and physical rubble of the ancien régime One of the major goals of this book is where appropriate to

bring together the insights of comparative law and comparative politics in the study of the development of Russia's attempts to create as its constitution states in the very first article a Democratic federal rule of law state

**Education and Civic Culture in Post-Communist Countries** S. Webber, I. Liikanen, 2016-01-20 The vivid discussion on civil society in Eastern Europe that flourished during the late 1980s and early 1990s has faded somewhat and been partly replaced by new attempts to conceptualise the nature of social change taking place in these countries This book strives to continue and go beyond the civil society discourse by analysing the interrelationship between education and civic culture in post communist countries The volume offers detailed case studies written by specialists from the region and from Western Europe and North America examining everyday patterns of civic culture the linkage between education and national identity ethnicity gender and religion the experience and attitudes of youth and attempts to render education systems better suited to the demands of post communist society

**Capitalism and Class Struggle in the USSR** Neil C. Fernandez, 2018-12-14 First published in 1997 this was the first Autonomist Marxist book on the USSR The various theories of Soviet capitalism are considered more comprehensively than in any previous work and are shown to be inadequate insofar as they fail to demonstrate satisfactorily the predominance of the category of capital A powerful new theory is developed which does precisely this introducing the concepts of bureaucratic forms of both exchange value and money This constitutes an important contribution to the overall theoretical critique of capital Attention is then turned to the class struggle For the first time the various Marxist theories of the USSR are systematically considered in relation to what they say about the working class and its struggle

Democratization and Gender in Contemporary Russia Suvi Salmenniemi, 2008-05-20 This book examines civic activism democratization and gender in contemporary Russian society It explores the role of state institutions in the development of democratic civic life showing how under the increasingly authoritarian Putin regime and its policy of managed democracy independent civic activism is both thriving yet simultaneously constrained

**The Legacy of the Soviet Union** W. Slater, A. Wilson, 2004-03-31 The Legacy of the Soviet Union offers a distillation by a group of eminent scholars of their experience of the post Soviet years Analysis of the post Soviet landscape is accompanied by meditations on the impact of the post Soviet transition on both policy makers and academics The book therefore examines both assumptions of transition and reconsiders the experience of Soviet communism in the light of its demise

Russia's Stillborn Democracy? Graeme J. Gill, Roger D. Markwick, 2000-03-23 The decade and a half since Gorbachev came to power has been a tumultuous time for Russia It has seen the expectations raised by perestroika dashed the collapse of the Soviet superpower and the emergence of a new Russian state claiming to base itself on democratic market principles It has seen a political system shattered by a president turning tanks against the parliament and then that president configuring the new political structure to give himself overwhelming power These upheavals took place against a backdrop of social dislocations as the Russian people were ravaged by the effects of economic shock therapy This book explains how these momentous changes came about and in

particular why political elites were able to fashion the new political system largely independent of the wishes of the populace at large It was this relationship between powerful elites and weak civil society forces which has led to Russian democracy under Yeltsin being still born      *A Little Corner of Freedom* Douglas R. Weiner, 1999-02-26 While researching Russia's historical efforts to protect nature Douglas Weiner unearthed unexpected findings a trail of documents that raised fundamental questions about the Soviet political system These surprising documents attested to the unlikely survival of a critical minded scientist led movement through the Stalin years and beyond It appeared that within scientific societies alternative visions of land use resource exploitation habitat protection and development were sustained and even publicly advocated In sharp contrast to known Soviet practices these scientific societies prided themselves on their traditions of free elections foreign contacts and a pre revolutionary heritage Weiner portrays nature protection activists not as do or die resisters to the system nor as inoffensive do gooders Rather they took advantage of an unpoliced realm of speech and activity and of the patronage by middle level Soviet officials to struggle for a softer path to development In the process they defended independent social and professional identities in the face of a system that sought to impose official models of behavior ethics and identity for all Written in a lively style this absorbing story tells for the first time how organized participation in nature protection provided an arena for affirming and perpetuating self generated social identities in the USSR and preserving a counterculture whose legacy survives today      **Routledge Library Editions: British Sociological Association**

Various, 2021-07-14 The volumes in this set originally published between 1969 and 2001 is comprised of original books published in conjunction with the British Sociological Association The set draws together original research by leading academics based on study groups and conference papers in the areas of youth race the sociology of work gender social research urban studies class deviance and social control law development and health Each volume provides a rigorous examination of related key issues This set will be of particular interest to students and academics in the field of sociology health and social care gender studies and criminology respectively      *Russia after the Cold War* Mike Bowker, Cameron Ross, 2014-06-17 In *Russia after the Cold War* the editors provide an accessible and comprehensive survey of the state of Russia at the end of the twentieth century as it seeks to come to terms with its new status in the world community the pressures and tensions arising from economic and social change and with the problems of ensuring a democratic future Written by a specially commissioned team of internationally respected experts on contemporary Russia *Russia after the Cold War* is ideally suited as a main text for introductory courses on modern Russia within a politics Area Studies or combined social science degree Contributors Alexei Avtonomov Edwin Bacon John Berryman Christoph Bluth Michael Cox Nadia Davidova Mark Galeotti James Hughes Roger E Kanet Julie A Lund Nick Manning Andrew Patmore Anthony Phillips Richard Sakwa Peter Shearman Mark Webber Stephen Webber Stephen White Matthew Wyman      Intellectuals in Politics Jeremy Jennings, Tony Kemp-Welch, 2013-04-15 After an introduction to the major issues confronting intellectuals this book explores

the various aspects of the intellectual's role including philosophers and academics who have tried to define the function of the intellectual how intellectuals have assumed the status of the conscience of the nation and the voice of the oppressed the interaction of intellectuals with Marxism the place of the intellectual in American society Covering regions as diverse as Israel Algeria Britain Ireland central Europe and America this collection considers the question of whether the intellectual can still lay claim to the language of truth In answering this study tells us much about the modern world in which we live Coverage includes the following thinkers Gramsci Weber Yeats Auden Levy Mailer Walzer Marx and many more

**The Reincarnation of Russia** John Löwenhardt, 1995 In *The Reincarnation of Russia* John Löwenhardt presents the first in depth analysis of the initial and crucial stages of Russia's new statehood He examines Russia's recent turbulent history beginning with the explosive Declaration of State Sovereignty in June 1990 through the adoption of the Yeltsin constitution in the elections of December 1993 and concluding with the early months of 1994 His analysis of Russia's struggle with the vestige of Soviet Communism and the attempt to create a more democratic form of government offers crucial insight into one of the critical turning points in contemporary history Building on analysis of the failure of the Soviet system Löwenhardt compares the emergence of Russia as a newborn state with other countries that have undergone transitions from authoritarianism toward democracy Although it is often claimed that Russia is a unique case the author argues that the lessons of other nations are relevant to the Russian situation In conjunction with this comparative analysis and with consideration of the significance of the communist and Russian past Löwenhardt discusses political and economic developments including both foreign and domestic policy concerns in Russia over the last four years He provides a better understanding of the Russian condition and a guarded optimism regarding the ongoing process taking place in Russia today *The Reincarnation of Russia* will be welcomed by scholars with specialized interests in the democratization of Russia political leaders journalists and general readers concerned with the global impact of Russia's changing status

*The Fall of the Soviet Union, 1991* Susan Sales Harkins, William H. Harkins, 2020-02-04 Soviet History begins with bloodshed oppression and strife Civil War stained the Russian landscape with the blood of its people after Nicholas II abdicated his throne to a provisional government The Bolsheviks wanted Russia and eventually they took her Peasants became citizens with rights but the truth is the civil war only changed the name of their oppressor from czar to Communist dictator After decades of isolation and sometimes harsh living conditions Mikhail Gorbachev ushered in an age of reform but in doing so he made enemies Then Boris Yeltsin championed reform and the rights of the people When Communist hard liners made one last effort to regain control Yeltsin held his ground Unlike its birth the death of the Soviet Union saw little bloodshed After seventy years even the Communist hard liners no longer had the stomach for killing citizens to keep control The union dissolved in 1991

*Russia and Eurasia 2024-2025* Navruz Nebakhtshoev, 2024-10-25 *The World Today Series* *Russia and Eurasia* deals with twelve sovereign states that became independent following the collapse of the Soviet Union in December 1991 Approximately one third of the book is

devoted to Russia The remainder of the book is comprised of separate chapters on Armenia Azerbaijan Belarus Georgia Kazakhstan Kyrgyzstan Moldova Tajikistan Turkmenistan Ukraine and Uzbekistan The text focuses heavily on recent economic and political developments within these twelve states Each country chapter offers descriptions and overviews of the respective governmental institutions key leaders civil society dynamics and economic conditions within each state It supplements this focus with shorter sections dealing with historical developments demographics foreign policy and cultural elements Each chapter concludes with brief projections of future developments within each state The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for students researchers practitioners in international development media professionals government officials and potential investors

### Road To Postcommunism Independent Political Movements In The Former Soviet Union Introduction

In today's digital age, the availability of Road To Postcommunism Independent Political Movements In The Former Soviet Union books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Road To Postcommunism Independent Political Movements In The Former Soviet Union books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Road To Postcommunism Independent Political Movements In The Former Soviet Union books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Road To Postcommunism Independent Political Movements In The Former Soviet Union

## **Road To Postcommunism Independent Political Movements In The Former Soviet Union**

---

versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Road To Postcommunism Independent Political Movements In The Former Soviet Union books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Road To Postcommunism Independent Political Movements In The Former Soviet Union books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Road To Postcommunism Independent Political Movements In The Former Soviet Union books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Road To Postcommunism Independent Political Movements In The Former Soviet Union books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Road To Postcommunism Independent Political Movements In The Former Soviet Union books and manuals for download and embark on your journey

of knowledge?

### FAQs About Road To Postcommunism Independent Political Movements In The Former Soviet Union Books

1. Where can I buy Road To Postcommunism Independent Political Movements In The Former Soviet Union books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
