Road To The European Union:

The Road to the European Union Jacques Rupnik, Jan Zielonka, 2003 This book is a timely and solid portrait of modern China from the First Opium War to the Xi Jinping era Unlike the handful of existing textbooks that only provide narratives this textbook fashions a new and practical way to study modern China Written exclusively for university students A level or high school teachers and students it uses primary sources to tell the story of China and introduces them to existing scholarship and academic debate so they can conduct independent research for their essays and dissertations This book will be required reading for students who embark on the study of Chinese history politics economics diaspora sociology literature cultural urban and women s studies It would be essential reading to journalists NGO workers diplomats government officials businessmen and travellers

The Road to the European Union Jacques Rupnik, Jan Zielonka, 2003-11-08 Publisher Description On the Road to the European Union Dariusz Milczarek, Alojzy Zbigniew Nowak, 2003 **The European Union's Geopolitics** Mathias Jopp, Johannes Pollak, 2025-02-07 The book deals with the urgent need for the EU to position itself globally in the wake of Brexit a rapidly worsening climate crisis the COVID 19 pandemic an aggressive Russia and an ever more assertive China After 60 years of intensive navel gazing that focused on institutional design more than world politics the EU is now forced to defend its liberal democratic values which have come under attack from inside and outside the European integration project Moreover Realpolitik is back on the agenda Europe s content negligence of defense matters in the past few decades has been revealed by Russia s war of aggression against Ukraine Hungary on the Road to the European Union László Andor, 2000-04-30 In November 1997 Hungarians voted in favor of membership in NATO primarily as a step toward membership in the European Union and integration into Western society Andor examines the changes in Hungarian social political and economic life after the collapse of communism in Central Europe He analyzes the difficulties both internal and external to making that transition In the early 1990s public discourse was dominated by the enthusiastic slogans proclaiming Hungary s return to Europe Things can only get better was the prevailing feeling surrounding the dismantling of the state socialist system and the construction of the new parliamentary democracy From the very early years of transition however Hungarians faced large scale and unexpected hardships in their changing lives which made them the most disappointed nation in Eastern Europe by 1993 In the second half of the 1990s the policies of the Socialist Liberal coalition and particularly the positive developments in the enlargement process of NATO and the EU restored the belief in a rapid and successful accession to the major Western economic and security organizations But as Andor indicates the beginnings of negotiations about entry into NATO and EU will be merely the starting point of difficulties arising in both economics and politics A thoughtful and cautious look at a changing Hungary that will be of interest to scholars researchers and policymakers involved with Central Europe and contemporary European politics and economics **The Long Road of Smaller Countries Into the Enlarged European Union** Yvonne Goldammer, 2006 **The Road to the European Union**

Vello Pettai, Jan Zielonka, 2003 A number of experts focus upon the conceptual challenges facing the European Union as a result of the enlargement process This second volume of a set addresses the eastward enlargement process from the perspective of Lithuania Estonia and Latvia **The European Union's Non-Members** Erik Oddvar Eriksen, John Erik Fossum, 2015-06-03 The EU is a supranational organization whose reach and influence extends well beyond its member states especially to the many states that have signed various forms of association agreement with it This book asks whether qualifying states who have eschewed EU membership experience negative effects on their legal and political self governing abilities or whether they manage their independence with few such effects It explores the idea that the closer the affiliation a non member state has with the EU the more susceptible to hegemony the relationship appears to be In addition the book provides an overview of the total range of agreements the EU has with non member states This text will be of key interest to scholars and students of in EU European studies Scandinavian studies European and comparative politics international relations and democratization studies *Powerfuels* Nils Bullerdiek, Ulf Neuling, Martin Kaltschmitt, 2024-12-05 Powerfuels are the subject of intense and often contentious current discussions within industry research politics as well as the overall society These discussions primarily revolve around the practical and technical feasibility of power to X processes and applications their economic viability the respective environmental benefits the contribution to climate protection as well as the social acceptability Thus the primary aim of this book is to provide a comprehensive overview of various aspects diverse considerations and different perspectives regarding the future role and utilization of power to X pathways on a global scale This encompasses the challenge of sourcing necessary educts feedstock options their conversion into different products and product groups exploring the possibilities of using these electricity based fuels hydrocarbons in various markets and establishing suitable framework conditions for viable and sustainable markets in the years to come These objectives are achieved through a collection of papers contributed by experts actively engaged in various fields related to power to X
