Road Locomotives And Tractors:

Road Locomotives and Tractors Eric Sawford,2024-08 Steam driven locomotives played a major role in the 19th century where they took over the heavy haulage tasks from horses and ushered a new era in the history of transport This book celebrates the many remarkable examples of these vehicles It features over 200 photographs of surviving road locomotives and tractors The commercial owners are identified and the author recalls the multitude of tasks these engines undertook He also provides information about the companies that made them and traces the evolving designs of the many types that were constructed The first section of the book is devoted to magnificent showmen s engines The body of the book illustrates the huge road locomotives which were used for heavy haulage Also described are smaller road locomotives ideal for general haulage
