harm to the community They use Ezekiel 25 17 as their mantra and charter as further justification for their actions

American Fertilizer, 1915 The Revised Statutes of the State of Ohio Ohio, 1896 **Mysterious Deafness!** G. L. Didaleusky, 2025-07-08 Jeffery Kilmore M D an ENT Ears Nose and Throat physician encountered patients in his office and emergency room referrals with cases of sudden deafness called Sudden Sensorineural Hearing Loss a rare medical condition The same day Doctor Darcy Clark a research veterinarian from University of Florida's College of Veterinary Medicine encountered deaf bats and four deaf deer in Ocala national Forest Jeff by happenchance overhears Darcy's discussion with a co worker Kevin McCoy about their findings in the forest at an Ocala restaurant and joins in on their conversation They team up and pursue the cause of this rare medical condition in humans and animals An area in Ocala National Forest seemed to be the focal point of where they'll find what's causing this mysterious deafness **Dick Darling's Money, or, The Rise of an Office Boy and Other Stories** Self-made man, 2022-04-06 Excerpt Dick come into my office said Mr Roger Bacon a well known wholesale dealer in watches jewelry and silverware on John street New York City Yes sir replied Dick Darling his fifteen year old office boy a bright good looking lad who had not yet graduated out of knickerbockers though most boys of his age would have dispensed with them for trousers Somehow or another Dick looked to unusual advantage in knickerbockers and he made a pretty figure in the store which naturally made his employer partial to that kind of attire in him That was one reason why he continued to wear them at his age Another reason was because being the youngest of a family of four the older members being all girls he was regarded by his mother and sisters as the baby of the family and they wouldn't hear to his making any change in his attire He was only a baby in name however for there wasn't a pluckier young chap of his years in his neighborhood or in the city for that matter The boys in his block who knew him well and those employed in the vicinity of Mr Bacon's store downtown often made his knickerbockers the butt of their witticism but Dick was a self reliant independent youth and he didn't care a rap for the fun and criticism that was directed at his apparel He surprised the downtown lads by polishing off a couple of them who got too gay on the subject which made the rest rather shy about tackling him since it was apparent that he knew how to use his fists if forced to call upon them When Dick followed his employer into his private office the merchant pointed at the chair beside the desk so the office boy sat down and awaited developments **The Golden Altar** Michael Merry, 2012-09-19 In January of 1671 the pirate Henry Morgan captured and sacked Panama City Morgan took considerable booty Panama but missed the fabled Golden Altar a priceless artifact which a local priest had painted with creosote to avoid detection This story tells of Morgans rage when he discovered what he had overlooked Continuing it relates how a descendant Major Henry Morgan a British Army officer who passed through Panama after the Falklands War returns in 1985 to steal the altar Descriptions of Morgans raid in 1671 and of the City of Panama in 1985 are accurate However the unviolated Golden Altar still resides today in the church of San Jose close to where General Manuel Antonio Noriegas infamous Defense Forces headquarters stood until 1989 when the U S invasion destroyed the

complex and life in Panama changed forever
