Ethics for the Very Young Erik Kenyon,Diane Terorde-Doyle,Sharon Carnahan,2019-02-08 Can you be brave if you re afraid Why do we know better and do things anyway What makes a family Philosophers have wrestled with such questions for centuries They are also the stuff of playground debates Ethics for the Very Young uses the perplexities of young children s lives to spark philosophical dialogue Its lessons scaffold discussion through executive function games Telephone Red Light Green Light dialogic reading of picture books and Reggio Emilia s art based inquiry In the process children develop skills of dialogue and critical thinking through increased selective attention self control cognitive flexibility and perspective taking While the elements of this method are familiar they are here fused into an organic whole grounded in the history of philosophy and defended by current work in developmental psychology Building on Wartenberg s Big Ideas for Little Kids the present curriculum uses a series of 23 picture books to frame discussions of character bravery self control friendship the greater good respect and care Its goal is not to teach morals but to help children articulate and develop their own

perspectives through dialogue with each other Each lesson presents teachers reflections on how this exploration of life s enduring questions transformed their school s culture

But What Will People Say? Sahaj Kaur Kohli, MAEd, LGPC, 2024-05-07 This wonderful book is a compass a blueprint a mirror and a friend Kohli gives language to what many of us feel but can t yet articulate Erika L Sanchez New York Times bestselling author of *I am Not Your Perfect Mexican Daughter* Loving culturally informed and holistic Kohli compassionately shares her own story and guides readers through the nuances and pain of assimilation individuation and mental health How I wish I had this book back when I was trying to figure it all out for myself Ramani Durvasula PhD author of *It s Not You* A deeply personal paradigm shifting book rethinking traditional therapy and self care creating much needed space for those left out of the narrative Writer and therapist Sahaj Kaur Kohli grew up knowing exactly what it means to straddle multiple cultures at once Like many children of immigrants she has often found herself plagued by questions Can I establish my own values and embrace where I come from Is prioritizing my mental health really rejecting my culture How do I set boundaries and care for myself when family and community mean everything Even after becoming a therapist herself she saw those same gaps in the mental health world leading her to wonder like so many children of immigrants what about us While conversations around mental health are becoming increasingly open our models remain largely Eurocentric and focused on individuality Sahaj has sought to challenge these long held models using deep personal reflection therapy community building and a whole lot of trial and error eventually navigating her own way to understanding and acceptance Here she shows us how to get there all the while reminding us that personal healing is inextricably connected to collective healing But What Will People Say elegantly weaves together personal narrative anecdotal analysis and comprehensive research Sahaj offers advice and tools for everything from navigating generational trauma guilt and boundaries to breaking down stigmas around therapy and celebrating cultural duality Democratizing and decolonizing the way we think about mental health and self help Sahaj s incredible work is nothing short of a revolution

Shadow Work Vincenzo Venezia, Have you ever been afraid to confront your deepest hidden side fearing that uncovering certain truths might change the way you see yourself Do you feel stuck in repetitive patterns as if part of you is always one step behind holding you back Do you long to live a more authentic life but fear looking too deeply into yourself There s a part of you that you ve learned to hide Maybe out of fear maybe to fit in or maybe because no one ever taught you that accepting every part of yourself isn t a weakness it s a strength And yet that part hasn t disappeared It s there in the silence surfacing in unexpected moments in a memory that resurfaces in a feeling you can t quite explain in a small voice whispering that there s more Behind the masks you wear every day are emotions and desires that only want to be heard not to judge you but to set you free Have you ever felt like this You carry an invisible weight the pain of old wounds you ve never dared to touch You feel stuck as if you re living a life that doesn t entirely belong to you Your relationships often feel shallow and you re unsure how to build deeper connections The past sometimes feels like it s holding you back like an

invisible chain You're afraid to show your true self worried that others might judge or reject you You try to move forward but you keep encountering the same patterns and obstacles You feel an inner emptiness a vague sense of dissatisfaction even when everything seems fine You avoid facing yourself because you're afraid of uncovering parts of you that you don't want to confront You feel overwhelmed by emotions as if letting them rise to the surface might make you lose control You sense that something is missing like a puzzle piece you can't find You torment yourself in silence feeling an unexplained anger or pain inside as if a hidden part of you is sabotaging your efforts If these words made you feel a spark of recognition if you saw a part of yourself reflected in these questions then this book was written with you in mind This is not a manual that tells you what to do It's a mirror that gently invites you to look within It's a path that guides you step by step to Make peace with past experiences without being overwhelmed Overcome emotional blocks that keep you stuck Discover who you truly are without masks or filters Build authentic relationships with others and with yourself This book won't ask you to change who you are It will help you remember who you've always been and free the most authentic version of yourself Because beneath all the pain beneath all the masks there is a light waiting to be rediscovered The shadow you fear is where your truth resides Embrace it and you will uncover who you truly are Family Court Nuke Conrad Riker, 101-01-01 Fathers Under Fire How Family Court Became Her Unchecked Weapon Do you feel like a walking target in a system rigged to destroy you Have you watched your rights evaporate over a single false allegation Are you sick of being silenced while she holds all the power This book arms you with the truth Exposes the hidden machinery turning courts against men Reveals how feminist ideology fuels legal bias Unpacks the psychological tactics used to crush fathers Details the historical roots of this anti male crusade Shows why maternal instincts warp into courtroom cruelty Analyzes the leftist lies enabling systemic abuse Teaches you to spot and counter legal warfare Restores your voice in a system hell bent on erasing it If you want to dismantle her BFG and reclaim your life buy this book today **Ebony**, 2001-08 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Big Steps for Little People** Celia Foster, 2008 Drawing on the hard won wisdom gained in her own family life Celia offers a thoughtful account of life with adopted children and examines the issues that many adoptive families encounter including the development of children with attachment problems and how to tackle behavioural difficulties
