Roads to Consciousness Sydney Mendel, 1974-01-01 **Make a Quantum Leap in Your Consciousness on the Road To Ascension** Dr. Richard A. Huntoon, 2011-11-10

Why have you chosen this book Was the title intriguing to you Have you like many of us been searching for answers Have you been given a difficult set of circumstances that are currently causing you to re evaluate your life Are you looking for causes that might explain your difficulties Is it simply time for you to evolve consciously Perhaps you are discovering your true life purpose and wish to make a contribution to humanity Whatever your reason I am glad you have chosen to read this book Let s be clear your life is 100 % about you period That is a bold statement and perhaps it sounds like a selfish one to you Of course there are others involved in your life The things we do and do not do will certainly have an effect on others just as what they do or do not do will have an effect on each of us And still your life is 100 % about you If you are tired of repeating the same life patterns over and over again this book will help you unlock your unconscious mind and allow you to move forward in your life consciously
