Robert Burns How To Know Him:

Robert Burns How To Know Him William Allan Neilson, 2023-06-23 I have not the most distant pretence to what the pye coated guardians of Escutcheons call a Gentleman When at Edinburgh last winter I got acquainted at the Herald s office and looking thro the granary of honors I there found almost every name in the kingdom but for me My ancient but ignoble blood Has crept thro scoundrels since the flood Gules purple argent etc quite disowned me My forefathers rented land of the famous noble Keiths of Marshal and had the honor to share their fate I do not use the word honor with any reference to political principles loyal and disloyal I take to be merely relative terms in that ancient and formidable court known in this country by the name of club law Those who dare welcome Ruin and shake hands with Infamy for what they believe sincerely to be the cause of their God or their King are as Mark Antony in Shakspear says of Brutus and Cassius honorable men I mention this circumstance because it threw my Father on the world at large where after many years wanderings and sojournings he picked up a pretty large quantity of observation and experience to which I am indebted for most of my pretensions to Wisdom I have met with few who understood Men their manners and their ways equal to him but stubborn ungainly Integrity and headlong ungovernable Irascibility are disqualifying circumstances consequently I was born a very poor man s son Robert Burns, how to Know Him William Allan Neilson, 1917 **Robert Burns** William Allan

The Oxford Handbook of Robert Burns Gerard Carruthers, 2024-01-17 The Oxford Handbook of Robert Burns treats the extensive writing of and culture surrounding Scotland's national bard Robert Burns 1759-96 was a producer of lyrical verse satirical poetry in English and Scots a song writer and song collector a writer of bawdry journals commonplace books and correspondence Sculpting his own image his untutored rusticity was a sincere persona as much as it was not entirely accurate Burns was an antiquarian national patriot pioneer of what today we would call folk culture and a man of the Enlightenment and Romanticism The Handbook considers Burns's reception in his own time and beyond extending to his iconic status as a world writer Burns was important to the English Romantic poets in the context of debates about Abolition in the US in the Victorian era he was widely utilised as a model for different kinds of popular poetry and he has been utilised as a contestant in debates surrounding Scottish and indeed British politics in peacetime and in wartime down to the present day The writer's afterlife includes not only a large number of biographies but a whole culture of commemoration in art architecture fiction material culture museum exhibition and even forged manuscripts and memorabilia as well as appearances apparently via Spiritualist seances The politics of his work channel the fierce debates of late eighteenth century Scottish ecclesiastical controversy as well as the ages of American Agrarian and French revolutions All of this ground is traversed in this Handbook the largest critical compendium ever assembled about Robert Burns
