L Manion

Robert C Bailey An Oral History:

Robert C. Bailey Robert C. Bailey, 1999 **Oral History in the United States** Columbia University. Oral History Research Office, 1966 The United Nations and Iraq Jean Krasno, James S. Sutterlin, 2003-02-28 Following the Gulf War from 1991 to 1998 the United Nations Special Commission UNSCOM was created to unveil and eliminate Iraq's weapons of mass destruction through inspections This study describes how UNSCOM was designed to maintain its independence and authority detailing the dramatic events that occurred as UNSCOM attempted to deal with an intransigent Iraq Krasno and Sutterlin outline the special intelligence skills that UNSCOM developed over the years in response to Iraqi tactics They also provide an accounting of UNSCOM achievements and analyze remaining concerns Along with documentary research much of the information in this book was obtained through a series of interviews with key players including the Executive Directors several UNSCOM inspectors and a number of ambassadors to the United Nations who were directly involved Concerns about Iraq's remaining weapons capabilities particularly its biological and chemical weapons have become increasingly relevant since the September 11 2001 terrorist attacks and the ensuing anthrax threat This study provides insight about the disarming of Iraq as well what lessons can be learned from the UNSCOM experiment Wedding Clothes and the Osage Community Daniel C. Swan, Jim Cooley, 2019-10-21 An exploration of how gift exchange serves as a critical component in the preservation and perpetuation of one Native American tribe Upon winning the CMA Book Award *Wedding Clothes and the Osage Community* was praised as a book that transcends its subject matter and helps us all see the possibilities of museum anthropology This study of the Osage Nation's foundational cultural practice begins with an in-depth examination of the M zhin form of marriage which bound two extended Osage families together for economic biologic and social reasons intended to produce value and community cohesion for the larger society Swan and Cooley then follow the movement of Osage bridal regalia from the M zhin form of marriage into the Paying for the Drum ceremony of the Osage Ilonshka a variant of the Plains Grass Dance which is a nativistic movement that spread throughout the Plains and Prairie regions of the United States in the 1890s The Ilonshka dance and its associated organization provide a spiritual charter for the survival of the ancient Osage physical divisions or districts as they are called today Swan and Cooley demonstrate how the process of re-chartering elements of material culture and their associated meanings from one ceremony to another serves as an example of the ways in which the Osage people have adapted their cultural values to changing economic and political conditions At the core of this historical trajectory is a broad system of Osage social relations predicated on status reciprocity and cooperation Through Osage weddings and the Ilonshka dance the Osage people reinforce and strengthen the social relations that provide a foundation for their respective communities Against the Grain Bradley B. Walters, 2008 To rise to the increasingly urgent challenge of understanding the relationship between human beings and the environment scholars need to step back and re-evaluate their basic premises about how current explanations should shape the form and content of their research Against

the Grain addresses a variety of topics in the field of human ecology including ecological anthropology evolutionary psychology environmental history and geography and challenges scholars to re think the adequacy of their methods and assumptions Andrew P Vayda concludes the volume with a critical commentary on these issues and more widely on the subject of explanation The result is an extremely useful and provocative prZcis for thinking about re evaluating and rectifying scholarly research

The Women Will Howl Mary Deborah Petite,2008 July 1864 Union General William T Sherman ordered the arrest of over 400 women and children from Roswell and New Manchester Georgia Branded traitors these civilians were shipped to cities in the North and left to fend for themselves This work details the story of hardships these women and children endured before and after they were taken Provided by publisher **The Pennsylvania Railroad** Albert J. Churella,2024-11-26 The final volume of Albert J Churella s landmark series The Pennsylvania Railroad concludes the story of the iconic transportation company covering its long decline from the 1930s to its merger with the New York Central Railroad in 1968 Despite some parallels with World War I the experience of World War II had a substantially different impact on the Pennsylvania Railroad The introduction of new technologies personnel and commuter routes had significant effects on this giant of American transportation The recession of 1958 sparked a period of decline from which it and many other railroads struggled to fully recover The Pennsylvania Railroad The Long Decline 1933 1968 provides an unparalleled look at the final years of this legendary company which in its prime was the largest corporation in the world with a budget second only to that of the US federal government **Pacific Northwest Quarterly** ,1996 , **Catalogue II of the Regional**

Oral History Office, 1980-1998 Bancroft Library. Regional Oral History Office,1999 *International Volunteer Tourism* K. Borland,A. Adams,2013-12-18 Designed to promote reflection and better practices among the prospective volunteers and organizers of travel for service experiences International Volunteer Tourism provides narratives on short term international volunteering in Central America written by North American organizers student participants and Central American partners

Leadership in the U.S. Senate Colton C. Campbell,2018-08-06 Unlike leadership in the House of Representatives the nature of Senate leadership continues to remain a mystery to so many Due to the absence of an operator s manual leaders have had to use their individual skills intelligence and personalities to lead the Senate which means they each have had their own unique leadership style How have Senate majority leaders advanced their agendas in this traditionally egalitarian institution a chamber like no other legislative body where they must balance the rights of 99 independent senators with the collective needs of their party Featuring a foreword by Senate Majority Leader Mitch McConnell Leadership in the U S Senate offers students a comprehensive and contemporary examination of three different eras in the evolution of the Senate Collectively contributions written by those who have served the senators offer insight into how different Senate leaders have operated chronicle changes in Senate life over the past four decades and describe how they have changed the institution The chapters cover How leadership styles are shaped by both individualism and party goals Eight biographical perspectives from

Senator Howard Baker R TN to Senator Harry Reid D NV The political context of the Senate during which the respective majority leader served Individual leadership style and performance in office Contributions individuals made to the institution while serving as majority leaders This book paves the way for political scientists and others to examine the topic of Senate leadership **Fred Terman at Stanford** C. Stewart Gillmor, 2004 Terman was widely hailed as the magnet that drew talent together into what became known as Silicon Valley BOOK JACKET **Performance and Modernity** Julia A. Walker, 2022-01-06 This book argues that ideas first take shape in the human body appearing on stage in new styles of performance Upbuilding Black Durham Leslie Brown, 2009-11-17 In the 1910s both W E B Du Bois and Booker T Washington praised the black community in Durham North Carolina for its exceptional race progress Migration urbanization and industrialization had turned black Durham from a post Civil War liberation community into the capital of the black middle class African Americans owned and operated mills factories churches schools and an array of retail services shops community organizations and race institutions Using interviews narratives and family stories Leslie Brown animates the history of this remarkable city from emancipation to the civil rights era as freedpeople and their descendants struggled among themselves and with whites to give meaning to black freedom Brown paints Durham in the Jim Crow era as a place of dynamic change where despite common aspirations gender and class conflicts emerged Placing African American women at the center of the story Brown describes how black Durham s multiple constituencies experienced a range of social conditions Shifting the historical perspective away from seeing solidarity as essential to effective struggle or viewing dissent as a measure of weakness Brown demonstrates that friction among African Americans generated rather than depleted energy sparking many activist initiatives on behalf of the black community **Release a Man for Combat** Michaela Hampf, 2010 Die etwa 150 000 Frauen die im Zweiten Weltkrieg im Women s Army Corps Dienst taten waren die ersten regulären Soldatinnen der US Armee Um männliche Soldaten für den Kampf freizusetzen arbeiteten sie auch in traditionellen Männerbereichen etwa als Mechanikerinnen oder Pilotinnen in den USA Afrika Europa und Südostasien Die Autorin geht den Erfahrungen dieser Frauen nach den militärischen und zivilen Diskursen über Soldatinnen im Militär und dem Umgang der Armee mit soldatischer Weiblichkeit und weiblicher Sexualität Anhand von Regierungsdokumenten Kriegsgerichtsprozessen aber auch Selbstzeugnissen Gedichten und Songs zeigt M Michaela Hampf wie umkämpft die Konstruktion der Soldatin im Amerika der vierziger Jahre war und bis heute ist **Handbook for Research in American History** Francis Paul Prucha, 1994-01-01 When the Handbook for Research in American History was first published reviewers called it an excellent tool for historians of all interests and levels of experience simple to use and concisely worded Western Historical Quarterly and an excellent work that fulfills its title in being portable yet well filled Reference Reviews The Journal of American History added It is not easy to produce a reference work that is utilitarian and enriching and does not duplicate existing works Professor Prucha has done the job very well This second revised edition takes account of the revolution that is occurring in

bibliographic science as printed reference works extend to electronic databases CD ROMs and online networks such as the Internet Focusing on and expanding the major section of the original Handbook it provides information on traditional printed works describes new guides and updated versions of old ones notes the availability of reference works and of some full text sources in electronic form and discusses the usefulness to researchers of different kinds of material and the forms in which they are available Extensive cross referencing and a detailed index that includes authors subjects and titles enhance the book's usefulness **Post-Cold War Revelations and the American Communist Party** Vernon L. Pedersen, James G.

Ryan, Katherine A. S. Sibley, 2021-01-14 Of all the third party movements in American history none have been as controversial as the Communist Party of the United States of America Although denounced as a tool of the Soviet Union accused of espionage and charged with advocating the revolutionary overthrow of the American government before WWII it had been an accepted part of the political landscape This collection offers an intriguing insight into this controversial political party in light of the Moscow archives that were made accessible after the end of the Cold War This collection of original essays explores new aspects in the history of American Communism drawing on a range of documents from Moscow and Eastern Europe Examining traditional subjects in the light of new evidence the essays cover a range of topics including party leaders espionage campaigns against racism the Spanish Civil War communism and gender the fate of members after the McCarthy era and ways in which Communists became Anti Communists [A Lynching in the Heartland](#) NA NA, 2016-04-30 On a hot summer night in 1930 three black teenagers accused of murdering a young white man and raping his girlfriend waited for justice in an Indiana jail A mob dragged them from the jail and lynched two of them No one in Marion Indiana was ever punished for the murders In this gripping account James H Madison refutes the popular perception that lynching was confined to the South and clarifies 20th century America's painful encounters with race justice and memory **Growing Up**

with the Country Kendra Taira Field, 2018-01-01 The masterful and poignant story of three African American families who journeyed west after emancipation by an award winning scholar and descendant of the migrants Following the lead of her own ancestors Kendra Field's epic family history chronicles the westward migration of freedom's first generation in the fifty years after emancipation Drawing on decades of archival research and family lore within and beyond the United States Field traces their journey out of the South to Indian Territory where they participated in the development of black and black Indian towns and settlements When statehood oil speculation and Jim Crow segregation imperiled their lives and livelihoods these formerly enslaved men and women again chose emigration Some migrants launched a powerful back to Africa movement while others moved on to Canada and Mexico Their lives and choices deepen and widen the roots of the Great Migration Interweaving black white and Indian histories Field's beautifully wrought narrative explores how ideas about race and color powerfully shaped the pursuit of freedom
