Great Military Leaders William T. Worthington, 2002 Great Military Leaders A Bibliography with Vignettes Lee In the Shadow of Washington Richard B. McCaslin, 2001-10-01 **The Civil War** Army Library (U.S.), 1961 Robert E. Lee: A Biography Emory M. Thomas, 1997-06-17 The best and most balanced of the Lee biographies New York Review of Books The life of Robert E Lee is a story not of defeat but of triumph triumph in clearing his family name triumph in marrying properly triumph over the mighty Mississippi in his work as an engineer and triumph over all other military men to become the towering figure who commanded the Confederate army in the American Civil War But late in life Lee confessed that he was always wanting something In this probing and personal biography Emory Thomas reveals more than the man himself did Robert E Lee has been and continues to be a symbol and hero in the American story But in life Thomas writes Lee was both more and less than his legend Here is the man behind the legend *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1960 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December **In the Shadow of the Round Tops** Allen R. Thompson, 2023-06-27 Exciting new research lifts much of the fog surrounding the Battle of Gettysburg and offers a glimpse into what happened on that fateful day July 2 1863 James Longstreet's countermarch and Samuel Johnston's morning reconnaissance are two of the most enigmatic events of the Battle of Gettysburg Both have been viewed as major factors in the Confederacy's loss of the battle and in turn the war Yet much of it lies shrouded in mystery Though the battle is one of the most well documented events in history the vast majority of our knowledge comes from the words of the veterans and civilians who experienced it Without action photography video or audio recordings our primary window into what happened is the memory of those who were there The story of the Battle of Gettysburg is simply the compilation of the memories of those who fought it But memory is anything but objective Recognizing the multitude of factors that affect human memory In the Shadow of the Round Tops explores how the individual soldiers experienced remembered and wrote about the battle and how those memories have created a cloud over James Longstreet's enigmatic countermarch and Samuel Johnston's infamous reconnaissance Each soldier had a particular view of these historic events Because many people saw part of the story but no one saw all of it each memory is a critical piece to the puzzle By comparing the veterans' memories and sifting through the factors that affected each memory the picture of the countermarch reconnaissance and the entire battle comes into sharper focus **The Encyclopædia Britannica**, 1911 The Publishers Weekly, 1900 **Bookman's Guide to Americana** Joseph Norman Heard, Charles F. Lee High School: The First Decade, 1955-1965** Clinton Carter, Jim Vickrey, Kerry Palmer, Roger Stifflemire, 2015-08-11 Echoes of Robert E Lee High School is an anthology about the first decade of Robert E Lee High School in Montgomery Alabama written and compiled by persons who supplemented their unique personal experiences at the school with research on the same The echoes of the title refers to

how life experiences reverberate back to us Thus from the beginning its editors and writers thought of this little book of big memories and lessons of life as a compendium of the strong positive echoes they recall from Lee and the few negative ones they cannot forget which seem still to be informing and inspiring the lives of the school s graduates The audience for Echoes is of course all past Lee High alumni faculty and staff and all present and prospective Lee students faculty and staff along with any who support or have supported them and or the school and any others with sufficient connections to Lee or Lee people to enjoy reading others recollections of their time there The book might also be useful to anyone with a general interest in public secondary education in Montgomery County
