Robert F Kennedy:

Up Close Marc Aronson, 2007 Learn about Robert F Kennedy's childhood and beyond **Robert Kennedy, in His Own Words** Robert F. Kennedy, 1988 Transcripts of interviews originally recorded in the mid 1960s for the John F Kennedy Library *Robert Kennedy* James Hilty, 2000-04-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy's assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brother to the forceful man who ran the family business orchestrating the Kennedy quest for political power The centerpiece of the book is the remarkable political partnership that formed between Robert and John As the manager of John's political campaigns Robert proved himself hard as nails in his father's admiring words relentless in securing his brother's victory and unforgiving in overseeing his brother's presidency Hilty marshals a great deal of evidence to show that while they did not always see eye to eye Lyndon Johnson's selection as John's running mate being a notable disagreement Robert and John discussed virtually every issue gauging the likely political effects of every position Robert was so close to the President that insiders called him number one and a half their consultations were so intimate that they spoke in a kind of code barely intelligible to those around them In Hilty's evocative but unsentimental recounting of the political crises of the Kennedy Administration Robert and John prove to have been more calculating and astute leaders than today's pundits allow Theirs was a partnership that was unprecedented and thanks to an act signed into law by Lyndon Johnson is never to be equaled The Kennedy family's story seems to have been lived in the public eye and Americans apparently never tire of the photographs and familiar anecdotes Most of the written accounts however either highlight the multiple tragedies and scandals preserve the latter day Camelot myth or follow the elusive traces of some conspiracy In contrast Hilty's concern is for historical perspective for accuracy plausibility and thoroughness With facts and reasoned conclusions he challenges the stories about the Kennedys in relation to Marilyn Monroe J Edgar Hoover and Martin Luther King Jr that have passed into American folklore He develops a portrait of Robert Kennedy as a complex public figure a man of centrist political allegiances and firm moral convictions who easily adapted to the crusader's role in working for Joseph McCarthy or pursuing James Hoffa for racketeering Hilty's great care in sifting through the evidence and weighing competing theories gives us a sense of Kennedy as a public servant whose dedication to social justice intensified after he was in office and further deepened after his brother's assassination Even as he took charge of family matters and supported Jacqueline during the long ordeal of the state funeral Robert's own crushing pain was evident to the world It was then that Bobby ceased being a disparaging term and became a mark of respect and affection **The Quotable Robert F. American Legends Charles River Editors,2025-05-04 A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known In some ways Robert Francis Kennedy 1925 1968 is the forgotten Kennedy eclipsed in life while working in his brother John s administration eclipsed in death both by his older brother s assassination and his younger brother s long influential career in the Senate as a liberal lion And yet the politics of the 1960s and the ultimate legacy of the Kennedys including the Kennedy Curse would have been incomplete without Bobby s place in the narrative As Bobby s private life and public life played out the two came to mirror each other Among the Kennedy clan Bobby remained within the shadow of older brothers Joseph Jr and John both of whom their father thought were destined to become political scions And ultimately it was Ted who cast the longest political shadow serving for decades in government But Bobby may have been the most intellectual and ideological of them all And it was Bobby who worked behind the scenes to help advance John s political career including his political campaigns and as Attorney General in his administration Eventually with the deaths of his brothers Bobby rose to become the leader of the Kennedy family at the same time his political prominence rose Today unfortunately Bobby is best remembered for his assassination the way in which it helped perpetuate the Kennedy Curse and the fact that his political promise including potentially becoming president in 1968 was never fulfilled American Legends The Life of Robert F Kennedy looks at Bobby s place in the political and cultural narrative of the Kennedys and the 1960s but it also humanizes the middle brother who labored tirelessly for the good of his family the ideological advocate who took courageous stands and the man who juggled the demands of being a Kennedy with his own political ambitions Along with pictures of Bobby and other important people and events in his life you will learn about RFK like you never have before in no time at all

In His Own Right Joseph A. Palermo,2001 Based on never before seen documents this book chronicles RFK s extraordinary transformation from Cold Warrior to grass roots activist Palermo focuses on the crucial nexus between 60s social activism and Kennedy s role as national leader demonstrating how civic groups and individual activists educated him about the conflict in Southeast Asia and racial and class injustice at home
