Craft Class Christopher Kempf, 2022-03-15 The hidden history of the creative writing workshop and the socioeconomic consequences of the craft labor metaphor In a letter dated September 1 1912 drama professor George Pierce Baker recommended the term workshop for an experimental course in playwriting he had been planning with former students at Harvard and Radcliffe This was the first time that term now ubiquitous was used in the context of creative writing pedagogy Today the MFA master of fine arts industry is a booming one with more than 200 programs and thousands of residencies and conferences for aspiring writers nationwide Almost all of these offerings operate on the workshop model In *Craft Class* Christopher Kempf argues that the primary institutional form of creative writing studies the workshop has remained invisible before our scholarly eyes While Baker and others marshaled craft toward economic critique craft pedagogies consolidated the authority of elite educational institutions as the MFA industry grew Transcoding professional managerial soft skills linguistic facility social and emotional discernment symbolic fluency in the language of manual labor the workshop nostalgically invokes practices that the university itself has rendered obsolete The workshop poem or short story thus shares discursive space with the craft IPA or

hand loomed Pottery Barn rug a space in which one economic practice rewrites itself in the language of another just as right wing corporatism continuously rewrites itself in the language of populism Delineating an arc that extends from Boston's fine de siècle Society of Arts and Crafts through 1930s proletarian workshops to the pedagogies of Black Mountain College and the postwar MFA Craft Class reveals how present day creative writing restructures transhistorical questions of labor education and aesthetic and economic production With the rise of the workshop in American culture Kempf shows manual and mental labor have been welded together like steel plates What fissures does that weld seal shut And on whose behalf does the poet punch in

Robert Duncan and the Pragmatist Sublime James Maynard, 2018-05 This book examines three historical phases of the poet Robert Duncan's writing within the aesthetic and philosophical context of a pragmatist sublime The author traces Duncan's poetics of process which like process philosophy is predicated on conditions of change and plenitude to the pragmatist tradition of William James John Dewey and Alfred North Whitehead Working from this theoretical framework and using the archival resources of the Robert Duncan Collection housed in the University of Buffalo's Poetry Collection James Maynard examines Duncan's understanding of excess in relation to poetry
