Robert Laws:

Robert Laws Hamish McIntosh,1993 Biography of a famous pioneer missionary to the country now known as Malawi
New York Court of Appeals. Records and Briefs. New York (State)., **Vernacular Bibles in Africa through European Eyes** Misheck Nyirenda,2023-09-30 The translation of Scripture into non European languages has been an essential undertaking of the modern missionary movement However when translators cling to the ideal of scholarly objectivity or fail to interrogate the lenses through which they view Scripture and the world they risk perpetuating a belief in the West s political cultural and epistemological superiority with dangerous consequences for the good news of the gospel This study provides detailed historical accounts of the origins of two of Africa s most revered vernacular Bibles the Efik Bible of modern day Nigeria and the Nyanja Bible of Southern Africa It illustrates the nature and challenges of early missionary translation work highlighting the impact of particular translation theories and tracing the development of modern approaches Evaluating Hugh Goldie s and Robert Law s translation practices against the interwoven backdrop of imperialism the modern missionary movement and the Enlightenment s belief in objectivity Dr Misheck Nyirenda demonstrates how the missionaries presuppositions often dominated their projects at the expense of African agency and epistemology Issuing a powerful warning for those involved in the vast ongoing task of translating Scripture into the world s vernacular languages Nyirenda reminds us that we must first reckon with our social cultural and historical embeddedness when seeking to communicate gospel truth across linguistic or cultural barriers **Catalogue of the Social Law Library in Boston. 3. ed. (under the supervision of Jeel P. Bishop)** [Anonymus AC09764865],1865 **Catalogue. (pt. 1. Alphabetical Catalogue. Pt. 2. Classified Catalogue. [Compiled by James Smith.])**. VICTORIA, Australia. Parliament. Library,1864 **Catalogue of The Library of the Parliament of Victoria** Victoria Parliament Library,2022-03-11 Reprint of the original first published in 1864 1865 **Catalogue** Melbourne parl. libr,1864 **A History of Malawi, 1859-1966** John McCracken,2012 This title features a general history of Malawi focusing mainly on the colonial period when it was know as Nyassaland but placing that period in the context of the pre colonial past **Crisis Yet Continuity** Kenneth R. Ross,2025-04-13 Studies on the history of the Blantyre Mission in Malawi often suggest that 1881 marked a turning point in the mission s tradition following a crisis triggered by a series of scandals that resulted in the dismissal of its top leadership Kenneth Ross challenges this interpretation arguing that while a crisis did occur it did not significantly disrupt the mission s work Ross maintains that there was a strong element of continuity between the earlier and later phases of the mission largely sustained by African missionaries trained for the work a core group of dedicated missionary personnel and female staff who played a vital role in maintaining the Mission s stability Through a thorough and detailed examination of archival records Ross s work offers a fresh and deeper understanding of the Blantyre Mission and its enduring influence insights that previous accounts have not fully captured Gift Wasambo Kayira Head of the Department of History Archaeology and Heritage Studies

University of Malawi In this book Kenneth Ross enables readers to step into the footsteps of our ancestors and to closely experience the travails they endured From this treasure trove we can discover where we are coming from where we are and where we want to be tomorrow As Blantyre Synod marks its 150th anniversary in 2026 I commend this volume to all Presbyterians and to all who cherish our Malawian history Anderson Lovemore Jester Juma Chulu General Secretary CCAP Blantyre Synod

The Church of Central Africa Presbyterian 1924-2024 Kenneth Ross, Mwawi Chilongozi, 2024-02-29 I strongly recommend this book to anyone interested in issues of church unity justice liberation biblical transformation dignity hope joy resilience peace prayer and reconciliation The best Malawian scholars have drawn from their academic expertise and personal experience to give the reader a thick picture of the journey of unity among the Synods of the Church of Central Africa Presbyterian in Malawi Zambia and Zimbabwe This publication is a must have for all who have the unity of the CCAP at heart Prof Isabel Apawo Phiri Former Deputy General Secretary World Council of Churches and Vice Chancellor University of Blantyre Synod

Mission as God's Spiral of Renewal R. Ross, 2019-02-06 In this remarkable volume covering diverse subjects in a span of three decades Kenneth R Ross articulates his views on the meaning and practice of Christian mission and challenges the binary view of mission that prevailed before the 1950s He further reflects on Scotlands experiences in the world wide Christian mission and demonstrates the centrality of Africa in any discourse on Christianity This volume is invaluable in its argument for a rethinking of Christian mission especially in relation to the West which is now a new frontier for Christian mission The book will be immensely beneficial to students of missiology and general readers who are interested in the subject of Christian Mission

Malawian Missionaries in Tanzania's Southern Highlands 1916-1928 Kenneth Ross, 2023-09-17 Opportunities for Malawians to demonstrate their leadership skills were severely limited during the colonial period Even the Missions like Livingstonia and Blantyre that provided a high level of education often frustrated their graduates by requiring them to work under European supervision on an indefinite basis This study shows how some early Malawian church leaders took advantage of an unexpected opportunity that arose during the First World War European missionaries were not allowed to enter Tanzania but African staff were permitted to cross the border to help the Tanzanian churches to regroup after the devastation caused by the war For such remarkable figures as Yoram Mphande George Nyasulu and Jones and Catherine Chikoga this was a chance to show their mettle

Pursuing an Elusive Unity Rhodian Munyenyeembe, 2019-09-30 Since its founding in 1924 the Church of Central Africa Presbyterian CCAP has grown to span five synods across Central Eastern and Southern Africa Dr Rhodian Munyenyeembe traces the history of these synods back to their shared roots in the Reformation and individual roots in three separate Presbyterian missions Dr Munyenyeembe skillfully explores both historic and contemporary challenges to the unity of the CCAP and raises the question of whether the CCAP truly functions as a single denomination or could better be understood as a loose federation of five distinct churches His in depth explanation provides a critical look that goes beyond a surface understanding of what it means to unite churches from

different cultural traditions and brings honest answers to disputes and conflicts among the CCAP synods Through this analysis and exploration Dr Munyenymbe also sheds light on the political and socio economic aspects of life in relation to the influence of religious denominations In this objective yet astute account Munyenymbe gives voice to the CCAP s complex history present reality and future potential Empire and Scottish Society Esther Breitenbach,2009-06-04 An in depth study of the significance of Empire to Scots in the 19th Century Among Our Books Carnegie Library of Pittsburgh,1923 *The Marriage Fool* Richard Vetere,1996 **Goodbye, Dr Banda** Alexander Chula,2023-05-04 You may never have been may never go may never even have heard of the place but Malawi will repay your attention It is one of the smallest poorest countries in Africa often overlooked but its relationship with us in the West has been extraordinary How to engage with cultures profoundly unlike our own We travel the world compulsively wanting to reach out but seldom feeling sure of how to do so A small African country presents us with a near perfect case study From David Livingstone and the early missionaries through British colonialists to today s tourists aid workers and even Madonna Malawi has experienced the whole gamut of Westerners all trying to connect This has made for an extraordinary meeting of worlds between one of the continent s most fascinating indigenous cultures and the best and worst of our own Unexpected and exhilarating by turns edifying and uncomfortable it is a story with urgent lessons for our vexed age of identity crisis and multi cultural faltering Here tribal ritual collides with Ancient Greek theatre roving classicists with ancestral spirits poets and pop stars with missionary explorers hippies and kleptocrats with long suffering peasants a tumultuous masquerade around the enigmatic Dr Banda
