Jews and Christians Together A. Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant s appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions Jews and Christians Together delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect

Creative Bible Lessons in Revelation Randy Southern, 2009-08-08 Was the book of Revelation penned by the crazy uncle in the family of Bible writers? You try to convince yourself that the apostle John is just another New Testament writer: kindly, gentle, loving. You know, normal. But he's just so weird. Most of the time you have no idea what John is talking about in his revelation. When you must interact with his wild, otherworldly book, you escape as soon as you can to familiar, saner Bible texts. Like Matthew's Gospel or one of Paul's letters; after all, they straight up tell you what Jesus did and what you should do. Yet Creative Bible Lessons in Revelation will quickly convince you and your students that St. John wasn't so much a crazy guy as he was a visionary, inspirational, and worshipful guy. And you don't have to subscribe to any pre- or post-eschatology theory in order to learn all sorts of good stuff from the apostle. So while these 12 sessions complete and ready to teach won't help your students identify who the antichrist is or give them the coordinates of Armageddon's opening salvos, they will, however, acquaint your youth group with the mysterious nature of Revelation, then demonstrate how these apocalyptic principles actually provide practical application for us today. Here's what's inside every session: Detailed overviews for clear, convenient prepping; intriguing activities and games with a point that introduce that session's topic; Hardcore Bible studies and provocative questions that trigger dialogue in both large and small groups; Application exercises that translate John's visions into practical, attainable actions and attitudes for students' daily lives. Plus, you'll get these bonuses: Let's Get Theological! Lite intros to the various interpretations of the reactions to the events Revelation predicts. More, more helpful supplements to activities and discussions. Worthy of Worship! Top drawer suggestions for turning ordinary youth meetings into extraordinary times of praising God. Questions about the future lurk in everyone's minds, especially in the minds of teenagers. Now is your chance to explore the book of Revelation with your students to glimpse at the never-ending

worship to come to grab hold of God's promises and his mercy and to bring some ease to troubled hearts *Creative Bible Lessons on the Prophets* Crystal Kirgiss, 2009-08-30 12 insightful sessions on the prophets for youth workers small group leaders and Sunday school teachers These 12 insightful sessions delve into the lives and missions of Old Testament prophets in ways that will pique kids' interest and imagination. Students will learn about ordinary individuals with evergreen extraordinary messages about faithfulness idolatry self-centeredness integrity passionate faith knowledge of God a just society and God's mighty hand in the history of all humankind. The prophets offer 2 indispensable gifts to teenagers: a window into the heart and mind of God and a recurring reminder that human beings matter immeasurably to God. The prophets talk to God and to people. But best of all God responds. He speaks to people and to teenagers today.
