The Best New Horror 7 Stephen Jones,2014-01-31 The Best New Horror has established itself as the world s premier annual showcasing the talents of the very best writers working in the horror and dark fantasy field today In this latest volume the multi award winning editor has once again chosen more than twenty terrifying tales of supernatural fear and psychological dread by some of the most acclaimed authors working in the genre Along with the most comprehensive review of the year and a fascinating necrology this is the book no horror fan can afford to miss The Secret History of Vampires Claude Lecouteux,2010-02-01 A look at the forgotten ancestors of the modern day vampire many of which have very different characteristics Looks at the many ancestral forms of the modern vampire including shroud eaters appesarts and stafi

Presents evidence for the reality of this phenomenon from pre 19th century newspaper articles and judicial records Of all forms taken by the undead the vampire wields the most powerful pull on the modern imagination But the countless movies and books inspired by this child of the night who has a predilection for human blood are based on incidents recorded as fact in newspapers and judicial archives in the centuries preceding the works of Bram Stoker and other writers Digging through these forgotten records Claude Lecouteux unearths a very different figure of the vampire in the many accounts of individuals who reportedly would return from their graves to attack the living These ancestors of the modern vampire were not all blood suckers they included shroud eaters appesarts nightmares and the curious figure of the stafia whose origin is a result of masons secretly interring the shadow of a living human being in the wall of a building under construction As Lecouteux shows the belief in vampires predates ancient Roman times which abounded with lamia stirges and ghouls Discarding the tacked together explanations of modern science for these inexplicable phenomena the author looks back to another folk belief that has come down through the centuries like that of the undead the existence of multiple souls in every individual not all of which are able to move on to the next world after death The Vampire Goes to College Lisa A. Nevárez,2013-12-03 This collection of original essays presents pedagogical tools methods and approaches for incorporating the figure of the vampire into the learning environment of the college classroom in the hopes of ushering the Undead out of the coffin and into the classroom The essays foster interdisciplinary collaboration and dialogue and serve as a collective resource for those currently teaching the vampire as well as newcomers to vampire studies Opening with a foreword by Sam George the collection is organized around such topics as historicizing the vampire teaching the diverse vampire and engaging the student learner Interwoven throughout the volume are strategies for incorporating writing instruction and generating conversations about texts texts defined broadly so as to include film and other media The vampire allows instructors to explore timeless themes such as life and death love and passion immortality and monstrosity and Otherness **The Secret History of Lucifer (New Edition)** Lynn Picknett,2012-03-01 In her new account of an old religion Lynn Picknett explains that Lucifer means the light bringer and was a personification of the Morning Star the planet Venus and its goddess He was originally she a divine representation of love light and human warmth The early Christian Church appropriated the name Lucifer and it became synonymous with darkness and the Devil Yet many great thinkers have covertly followed the old Luciferan way most famously Leonardo da Vinci who encrypted the symbols of his heretical beliefs in his work visible only to those who have the key Vampire Readings Patricia Altner,1998-10-22 Vampire readings an annotated bibliography is a fresh up to date source book for the vampire enthusiast This book will guide the interested reader through the ranks of vampire literature with detailed entries covering novels anthologies young adult literature and nonfiction titles of interest Works by such authors as Anne Rice Tanya Huff Christopher Pike Tamith Lee Ron Dee Barbara Hambly Kim Newman and of course Bram Stoker are included along with author and title indexes for easy reference
