The Story of the Plott Hound: Strike & Stay Bob Plott,2007-12-17 The Plott bear hound a dog originally

from Germany and developed in the North Carolina mountains is known as one of the world's best hunting dog breeds. Recognized now as one of the premier hunting dogs in America, the Plott hound is unique among hunting dog breeds because it descends from Germanic stock rather than the traditional English foxhound. The breed's story began when its original breeder, Johannes Plott, and his brother Enoch left Germany in 1750 with their prized hunting dogs. This trip across the Atlantic began the two hundred year journey that would culminate in the North Carolina mountains with the development of what is now arguably the world's finest breed of hunting dog. This fascinating story of the Plott family and the Plott hound is a classic American tale of adventurers and underdogs, a story that Bob Plott, the great great great grandson of Johannes Plott, is uniquely qualified to tell.
