The presentation of the book *Mirobolant Feelings* written by Georgeta Blendea Zamfir, Doctor Honoris Causa nominated for the Nobel Prize. The book includes 4 micro novels. I think that the reader from nowadays will find in an artistic sublime concentration essences in every micro novel. There is also a link of the micro novels a mandala how the critics accentuated namely the solar love. It was stated that nobody from the literature presented the physical and ideal love as I did in this book. The optimistic theories of the personal development that I acquired highlight the possibility of a world full of happiness. The readers said to me that they have learned to be happy by reading *Mirobolant Feelings*. The nature with its greatness is a link of the micro novels. The numbers theory will delight in parallel lives the last micro novel from the book with a new and charming vision of love. My femininity does not stop me to register in the horizon of the male pen as the big critic highlighted the Romanian academician Constantin Ciopraga. *Passion Star* Rita Gallagher, 2008-12-24

Into Overtime Sudden Death is about love at its finest with such a brutal ending one may not be able to recover. It tells of true soul mates and teaches that destiny is real. This nonfiction story is extremely powerful. Only the

names and some of the places have been changed for better storytelling There s absolutely nothing better than young love For this blossoming couple it was so much more When they met Bob Russell was an OSU Buckeye recruited by Woody Hayes with a full scholarship in engineering Needless to say he walked with well earned confidence In Bob s world his way was the best way Denise Sullivan was a small town girl But she knew she was more than that She was wiser than her years and it showed Her beauty and quick wit were assets she treasured In Denise s world her way was simply the best way Into Overtime Sudden Death follows this extraordinary couple s journey from its provocative beginning to its torturous end It shares so much humor love and stirring emotions you will fall in love with them And because it s a true tale your heart will feel their intense agony Two seconds with all its might had the power to keep the American Dream alive or tear it to shreds altering the course of two families and many people indefinitely This genuine saga will show strength courage and hope at its best It gives picking yourself up and brushing yourself off a whole new meaning It reiterates the fact that there are no exceptions or favorites in this novel we call life
